

Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read, Listen, and Learn from Japanese Folklore, Tales, and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell, Clay, Boutwell, Yumi By Clay Boutwell In this sense the formatting of the book too is excellent: Every page has the Kana at the top (with Furigana above whatever Kanji characters appear) and phrase by phrase translations in Romaji (English phonetic) at the bottom of the page. Which means you can check a given word's translation instantly a big big help when you're using an e reader like a Kindle or Fire because you're thereby spared the necessity of doing endless page flips to get to some general glossary located far from the page you're on. In the third volume of this series the author inexplicably omits the Furigana completely which makes that third book (and presumably those subsequent to it) useless to anyone without a large number of Kanji memorized. Hopefully that odd decision will be corrected but this and Volume 2 are indispensable for beginning to intermediate Japanese students looking to move from stare at each character reading to fluid sight reading of Kana and eventually Kanji. Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi Plus qu'un fantastique ouvrage très bien fait avec furigana associés vocabulaire et lien pour un support audio une rencontre fantastique avec les vendeurs. Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi El libro está bien organizado para avanzar poco a poco en el aprendizaje del japonés. Quizá le añadiría alguna explicación gramatical Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi Ottimo libro Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi I bought this book in paper version and find it very easy to use. Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi

Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi: : Tienda Kindle Learn Japanese with Stories Volume 1: Hikoichi + Audio Download: The Easy Way to Read Listen and Learn from Japanese Folklore Tales and Stories (Japanese Reader Collection) (English Edition) eBook : Boutwell Clay Boutwell Yumi.

This series is virtually perfect for students of Japanese who have Hiragana and Katakana memorized but know few or none of the Kanji, The stories are from traditional Japanese folklore which means they're interesting and clever and most of it is presented in Hiragana with Furigana for each Kanji character: I think there may be some sparse Katakana but for the most part it's Hiragana: It's not only an excellent way to improve your Kana reading it's also invaluable for improving vocabulary

something recorded language courses like Pimsleur and Rosetta sorely miss. Reading new words in context of an interesting story assists greatly in visualizing and remembering them: It's right there where you need it but below everything else so you don't cheat with inadvertent glances while you read, Just an excellently conceived and executed series with clever interesting short stories. There are three versions of each of the four stories an English summary a full Japanese version and a Japanese version with vocabulary under the text. Vocabulary and text are on the same page so they are easy to cross check. This is for beginners as the stories really are quite simple all kanji have hiragana and all words are translated even simple ones: If you're only just starting to read though it does give a sense of accomplishment to be able to do it yourself: The stories are short and amusing so it isn't a chore to get through them painstakingly like you might find with other books. I'm currently at something like 28 total. Seul bémol pour moi les traductions sont en anglais. Malgré tout je recommande. It feels like a good place to start. The kanji and hiragana are also very big and clear. Book arrived quickly and in excellent condition
