I have worked as a trader for about 20 years. Stretches the horizons. Highly recommended. If there were 10 I would give him 10. Solid system. It has a sound MM system which is key in Forex. Now ask yourself this question. I've read all of Vladimir books and many times over. I'm very happy.

Update 17th Mars 2020: So this goes for all his books. The 2nd time around I made a booklet of notes. The books are excellent. The strategy is also excellent. I will probably read them again too
