

Ludovico Einaudi: The Cello Collection (Book Online Media): Partitur, Stimme(n), E-Bundle, Download für Cello, Klavier: The Cello Collection, Includes Downloadable Audio By Ludovico Einaudi

Ben scritte per violoncello e pianoforte di alcune composizioni di Ludovico Einaudi 72 pages I'm was thrilled to get the cello sheet music (along with piano accompaniment) for some of my favourite pieces by Ludovico Einaudi. I've been learning a few of these pieces on the piano and was going to accompany myself but it also comes with backing tracks on the piano as well as full recordings of how it 'should' sound. 72 pages Love his music but the arrangements are too hard for me (grade 3/4) or very dull and uninteresting accompaniment 72 pages Het opzet van het mede kunnen spelen met een piano opname is wel leuk.

The book itself is great but mine arrived with dark marks on inside pages and was torn at the spine. As well as the printed score this book includes a range of supporting digital features: Soundcheck This unique assessment and feedback software lets you use your phone tablet or computer to help you practice. Simply open up the piece you're working on and SoundCheck gives you an instant report on your performance and advice on how to improve!; ebook A digital edition of your music to read on any device; Audio Full demonstration recordings of each piece plus accompaniment only and solo only backing tracks: 72 pages Ottime trascrizioni alleen wordt de partij rubato gespeeld niet metronomisch zodat het onmogelijk wordt om echt 'samen' te spelen. Beter is om een echte pianist te zoeken want op die manier is tot een mooi resultaat komen 72 pages Ich habe zusammen mit dem Pianisten viele Titeln gespielt. Etwas eintönig aber mit anderen Stücken gemischt passen gut ins Repertoire und sind technisch nicht schwer dafür aber bekannt :) Eine klare Empfehlung. This book is perfect entertainment for beginner Cellists and intermediate pianists, Included is audio and video online details on how to use is provided: You can play both instruments record one and play the other if you like or use their ready piano recordings and play the Cello part along: This exclusive collection presents eight pieces by Ludovico Einaudi for cello and piano with full score and pull out cello part: Pieces include: A Fuoco \* DNA \* Indaco \* Night \* Nuvole Bianche \* Primavera \* Resta Con Me \* Una Mattina, Ludovico Einaudi: The Cello Collection (Book Online Media): Partitur Stimme(n) E-Bundle Download für Cello Klavier: The Cello Collection Includes Downloadable Audio.

. I had to import it from the U.K. but all went well and the price was reasonable. 72 pages The book arrived on time and as described. The Cello part is simple and has room for improv. Thank you I'm happy with this purchase and recommend it. 72 pages (Music Sales America)
