Wisdom through reading it. Heartbreaks suck but we learn so much from them. The book really made me feel so many different emotions. The complete story even though I'm forever evolving. Truths I was in denial about for far too long. Paperback This book was like a message from the universe. I needed to read this book. It came at the right time. I can't tell how powerful this book is.

I was going through hell and didn't see a way out. But I was able to read this while on the plane. I feel as if this book was made for me. As if I was reading my own thoughts. Sara Sheehan amazing job once again. I am so glad I came across your books. I just want to read all of them
