Love that she is loving it Cat Kid: comic club: 1 These books are fantastic! My 7 and 9 year old love them, Only downside is the read them quickly because they can't put them down :), They also have the phoenix comics which are brilliant for encouraging reading. My daughter made her own comic the otherday so they are also inspiring X Cat Kid: comic club: 1 My 9 year old loves dogman: This is one of the characters from those books so I just had to preorder in time for Christmas when I saw it here on : Just a few days after Christmas and my son has almost finished reading it already. It's great when they find something they love to read and follow: Cat Kid: comic club: 1 My son loves Dog Man and Captain Underpants so when he saw it he was very happy and started reading it straight away. I took him 2 hours to read it all now he started reading again his favourite chapters. Definitely a great buy! Cat Kid: comic club: 1 My 6yo adores dog man has read them multiple times and can quote large sections. They both have reading ranges years above actual.I hear them giggling away. Looskin and Dogman are also highly recommended. What a find. Can't wait for the next book. He doesn't seem to love this nearly as much.
