

Good Spell Book By wpstarternepal.com 978-1409183648 This book was a purchase I'll never regret ! The spells in here are simple nothing crazy where you'll never find the ingredients needed ! Sometimes the simple the better ! Wide variety of spells from love to protection & prosperity ! If your tired of spell books where you can't even pronounce half the ingredients never mind no idea where to find them Purchase this one of my favorites 978-1409183648

Absolutely recommend! The size and weight are perfect for my sclerodactyly/arthritis/osteopenia hands and doesn't hurt to hold and turn pages and cart around! There's a minimal simplicity to every thing.
