

## Kill Your Friends By John Niven

If the repeated references to taking cocaine (let alone any of the many other drugs) had been edited out of this book then it could almost have been 11 rather than 12 chapters long. Some works but in my opinion some doesn't Kill Your Friends John Niven creates a character so polarising that no matter what opinion you hold of him the conclusion will satisfy. Some writers think that by saying a bad word every paragraph and making some not so politically correct remarks that they hold all the shock and Kill Your Friends From the first chapter I was both compelled and appalled by John Niven's protagonist Steven. The novel is set in the '90s music industry and the quotes from real life professionals market updates at the head of each chapter (as well as the Kill Your Friends If the movie was brilliant the book is f\*\*\*\* phenomenal Keep you in all the time and you could understand even the characters you can even hate them I just love it. 42 Kill Your FriendsDark twisted graphic witty just brilliant! The main character (Steven) is bitter jealous sexist racist angry offensive lazy greedy and bloody funny he is the anti hero you will love to love. This book it so hard to review yes as others have said the main character is self serving depraved racist and fuelled by drugs but he also provides moments of humour and insight not to mention for the thirty something Kill Your Friends

: Kill Your Friends The package arrived on time great conditions as expected. The book itself is great I'm a bit of Niven's fanboy so my opinion might be biased. That said it's a nice insider look at the music industry I would definitely recommend this book to anyone who is trying to crack open the door of stardom: reinventMobileHeaderPrice { font weight: 400; }

#apex\_offerDisplay\_mobile\_feature\_div, Working in the music business in 90s Britain the lengths he will go Kill Your Friends Oh my God I was not ready for this: On the one hand it's one of the best books I've Kill Your Friends Loved this book and it's certainly far from being PC. Stelfox has zero morality and seemingly no conscience but is hilarious, Lots of sex several chemist's worth of drugs and plenty of cheesy rock music What's not to like? Kill Your Friends Brilliant read with a dark and black humorous quality: love the outstanding liners for the working class and commoners of the world, Irvine Welsh does not have a look in after Kill Your Friends Lazy trash but not without it's moments. For a short novel there's a lot of repetition. This a very funny and very dark.
