(English Edition) eBook : de Lafayette Maximillien So much specific detail I absolutely loved reading this book. Lots of parallels to the Bible and many examples throughout of popular movies as if we can't tell you the truth but can't you SEE it in the movies we create for you? Format Kindle The best way to describe this book is "Beyond The Imagination of Most Humans. I believe with all my heart there is absolute truth within this book: If you're an open inquisitive mind I would definitely recommend this book. Format Kindle This book to me is quite fascinating as I have always felt the Anunnaki are, My spirit guide is a Sumerian so I have read a lot about the Anunnaki and Barclays felt good things. In many ways the ways of creation seen to me possible with the Anunnaki creation Format Kindle Fiction or reality ideas beyond human thought levels. Not sure if it can happen or will happen fictional idea ologies Format Kindle It was interesting sometimes bizarre outlook on the true creation: " Unfortunately for humans (as they will see) all of these events listed here in will come true in just a few short years: Detailed descriptions (just a few) of the events to take place are listed. And all world governments will be of absolutely no help to you nor your place of worship, I actually look forward to it because the world cannot go on as it has been, The Anunnaki has described the most sophisticated weapons of mankind as "Laughable: If you don't believe this man it is because you have an extremely narrow mind, If you know what is going to happen you will simply be extremely frighten: But if you don't know what is going on chances are you will have a freaking heart attack.The world is a mysterious place and it seems deliberate. peaceable than violent or controlling." You simply cannot compare a Jet to a UFO. In other words there will be no fight. Laugh Now Scream & Cry Later. Format Kindle
