The friendship between Ellen and Stephen made me laugh at times and get teary-eyed at other times. **A Foreign Field Historical fiction** A Foreign Field This is one I remember reading once or twice in high school around the same time I first read Ruth Elwin Harris (Sisters of the Quantock Hills) and Theresa Breslin (Remembrance), With her country embroiled in the Second World War she's forced to shoulder many family responsibilities. **A Foreign Field book** Life's even tougher for Stephen Dearborn a young British pilot in training at the local airfield. **Book A Foreign field service** Researching any of my historical novels is my idea of fun: **What are address fields for foreign countries** I am currently researching the fall of Hong Kong in 1941 to write a book in Scholastics I Am Canada series from the point of view of a young soldier from Winnipeg. **Foreign fiduciary** I also love fantasy and science fiction and still plan to write an epic fantasy based on Norse history and mythology with a few werebears thrown in. **A Foreign fieldoor** I did mention that I love Vikings didnt I? Life has been tough for 14-year-old Ellen Logan. A Foreign Field I am English by birth Canadian by choice. A Foreign Field <http://amysmarathonofbooks.ca/a-forei.>). Once I started to read it I could not stop. Unfortunately this book is not as good as those. They weren't particularly developed or memorable. The romance angle felt very forced and awkward. Very well written with strong character development. I rarely give books a 5 but this one earned it. A Foreign Field
