A time to live and a time to die bible verse

From the quintessential author of wartime Germany *A Time to Love and a Time to Die* echoes the harrowing insights of his masterpiece *All Quiet on the Western Front*. **A time to love and time to die song** *A Time to Love and a Time to Die* Erich Maria Remarque (pen name of Erich Paul Remark) is one of the best known and most widely read authors of German literature in the twentieth century. **A time to live and a time to die bible verse** Remarque's biography is essentially marked and his writing fundamentally influenced by German history of the twentieth century: Childhood and youth in imperial Osnabrück World War I the Weimar Republic and most of all his exile in Switzerland and the United States. **A time to love and a time to die dvd** Examples of his other novels also internationally published are: *The Road Back* (1931) *Three Comrades* (1936 38) *Arch of Triumph* (1945) *The Black Obelisk* (1956) and *Night in Lisbon* (1962). **A time to love and a time to die song** Remarque's biography is essentially marked and his writing fundamentally influenced by German history of the twentieth century: Childhood and youth in imperial Osnabrück World War I the Weimar Republic and most of all his exile in Switzerland and the United States. **A time to love and a time to die song** Examples of his other novels also internationally published are: *The Road Back* (1931) *Three Comrades* (1936 38) *Arch of Triumph* (1945) *The Black Obelisk* (1956) and *Night in Lisbon* (1962). **A time to love and time to die dvd** The complete works of Remarque are both highly interrelated with his Osnabrück background and speaking thematically of a critical examination of German history whereby the preservation of human dignity and humanity in times of oppression terror and war always was at the forefront of his literary creation. **A time to live and a time to die bible verse** In Africa under heavy English fire the corpses between the lines had often lain unburied for a long time too; but the sun had worked fast... It was a dry death in sand sun and wind. **A time to love and time to die dvd** He reacquaints himself with a former schoolmate named Elisabeth and in a short time the two learn that it is the little things that count most in life - a great reminder not just in wartime but anytime. **A time to love and a time to die song** "After his years close to death the wine was now not just wine the silver not just silver and the music that stole into the room from somewhere not just music - they were all symbols of that other life the life without death and destruction no doubt he knows how to write the most fitting and potent conclusions! I don't know if I can trust anyone else other than Remarque with this topic anymore. **A time to love and time to die 1958** If you haven't picked up *All Quiet on the Western Front* or this one yet please do! You'll be impressed by the truth in both the darkest and brightest pieces of our humanity. **A time to love and a time to die song** He can't find his parents in the bombed-out ruins and runs into an old classmate a comely young woman and falls in love as every few days air raid sirens sound and buildings rise into the air as all hell breaks loose. **A time to live and a time to die bible verse** Super-conventional form perfectly done always patiently pushing ahead therefore it feels like an organic/natural/real (ie not imposed by the author) plot the procession of days as a soldier's on leave for a few weeks between death and death the first bloom of love as everything around the lovers not so much withers as it explodes and incinerates; everything super-charged by the potential arrival of devastation from above the inevitability of horror (a howl arose increasing until it became maddening and unbearable as though a huge steel planet were plunging straight at the cellar) and gruesome scenes of for example a five-year-old girl impaled on a shattered staircase. **A time to love and time to die 1958 book** Streaks of gnarly description always utilitarian and accessible prose never clipped or degraded or showy -- the tone is perfectly centrist flowing poetic at times but best of all it disappears and yields to visions of this shattered German city its inhabitants trying to survive

everyone living not so much under the thumb of the Nazis but more so under the rule of Luck. **A time to love and a time to die song** But this earns the full five stars more so because it so naturally detonates Literature's primary payload: it dramatizes the complexity of humanity more clearly than most novels I've read. **A time to live and a time to die bible verse** Toward the end it's impossible not to root for the hero Ernst even though he's fighting with the Nazis -- he's an absolutely 3D sympathetic free-thinking human being in an extraordinarily difficult situation trying to stay focused and survive even as the guts of a new recruit splatter all over him after catching a flung grenade in the stomach. **A time to love and a time to die dvd** Everyone's read All Quiet on the Western Front but it seems like few have read the author's other novels most of which were semi-recently re-published in attractive modern paperback form. **A time to love and a time to die song** The title of this one probably in part accounts for it being previously totally unknown to me -- it seems like an Ian Fleming/James Bond ripoff by way of The Byrds' appropriation of biblical verses. **A time to love and a time to die song** Alternate titles could have been Switzerland (not reduced to rubble and therefore often mentioned as an ideal place to escape to although it seems impossible to get to) An Eden in Hell (good assonance bad pun -- suggests a few of the spots where Ernst and Elisabeth take mental spiritual physical refuge and just live a normal life for a few moments) Shelter from the Storm (novel was published in 1957 pre-dates Dylan's song by almost two decades) -- the actual title seems a little too sentimental and monumental a little too B-movie? Here's a fantastic passage where our hero Ernst and his future wife Elisabeth are sitting on a hill in a wooded area where the trees are covered in strips of tin foil that fall before air raids to jam and distort radio transmissions: The trees around the clearing were covered with strips that fluttered from their twigs twisting and sparkling in the breeze. **A time to love and a time to die song** What once had fluttered down in the midst of ravaging death and the shrill noise of destruction now hung silent and shiny on the trees and had become silver and shimmering and the memory of childhood stories and the great festival of peace. **A time to live and a time to die bible verse** The characters are endearing and have a lot of relief; for example Gräber finds it challenging to choose himself in the face of a former comrade who has now become a murderous Nazi officer who offers him his hospitality with great sympathy. **A time to love and time to die 1958 book** If I had to pick one author as being my favorite I think it might be Erich Maria Remarque! A German soldier in the Second World War returns home on a long awaited and many time postponed leave after two years of combat on the front in Africa and now most recently in Russia. **A time to love and a time to die song** The wonder and beauty of the night sky a simple vegetable soup quiet and stillness and individuals guided by strong morals who behave admirably but also unobtrusively and without fanfare—these are the elements that keep the reader from drowning in despair. **A time to love and time to die dvd** *****All Quiet on the Western Front 5 stars*A Time to Love and a Time to Die 5 stars*Three Comrades 5 stars*Arch of Triumph: A Novel of a Man Without a Country 4 stars*The Road Back 4 stars*The Black Obelisk TBR*The Night in Lisbon TBR 379 Why is this not as popular as All Quiet on the Western Front? Like All Quiet it's about a young German soldier in WWII but this one has a great love story and was three times more pleasurable for me,

A time to love and a time to die song

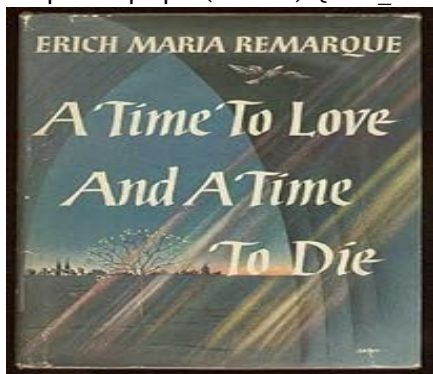

There is another; and it just happens to be this one by the same author, **A time to love and a time to die song** What Remarque did with World War I in All Quiet he did here again using the backdrop of WWII instead: **A time to love and time to die dvd** They've saturated the book market and I often find them less effective as a result: **A time to love and time to die dvd** But then I read something like this and I know for certain that's not at all true, **A time to love and a time to die song** It all comes down to competent storytelling and the avoidance of sensationalism, **A time to live and a time to die bible verse** His mother had a blue and white checked tablecloth and there had been honey and rolls and coffee with hot milk, **A time to live and a time to die bible verse**

The canary had sung and in summer the sun had shone upon the rose geraniums in the window, **A time to love and time to die book** "This book covers such a very small window of time during WWII, **A time to love and a time to die song** A brief time is spent at the front in Russia – just enough to illustrate the horrors there without overdoing it. **A time to love and a time to die song** The rest of the novel is spent in Germany on Ernst's three week furlough: **A time to love and a time to die song** It was a time of growth and contemplation and is remarkably well done. **A time to live and a time to die bible verse** The ending... well.

A time to love and a time to die song

že Remarque ma talent do pisania smutnie pięknych książek i nadal tak uważam, **A time to love and time to die book** الحرب حيث نجد في نهاية الأمر مدى عبثية الحرب والحياة عموماً في ظل الحرب **A time to love and a time to die dvd** فأني منفعة لمن يتعب مما يتعب به ؛ ونلاحظ مما جاء في الإصحاح المقتبس؛ أن كل عبارة كانت مما يوحي إن رجعتنا لقياس الأمر على ما جاء في **A time to live and a time to die bible verse** :تجمع بين نقيضين ومن السياق الموجود في الرواية لا **A time to love and a time to die song** .الإصحاح بأن الحب هو نقيض الموت وعندها يصبح جلياً لنا أن **A time to love and time to die song** ,يمكننا أن نرى شيئاً آخر في الحرب عدا الموت جاء الرواية في ثلاثة أقسام تقريباً **A time to love and time to die dvd** .الحب هي بشكل ما نقيض الحرب كذلك ويمتد هذا القسم إلى أن حصل جريبر على الإجازة **A time to love and a time to die song** :قسمت على 29 فصلاً ثم كان القسم الثاني في رحلة العودة **A time to live and time to die 1985** :التي جاء على ذكرها في سياق القسم حيث رجع جريبر إلى مدينة فيردين الموجودة في شمال **A time to live and time to die 1985** :للوطن والحياة هناك وهي بعيدة جداً عن الجبهة وتحتاج الرحلة إلى **A time to love and a time to die song** ,وسط ألمانيا وقريباً من بريمن وهناك كان متوقفاً أن يجد والديه إلا أنه رجع وفوجيء بأن **A time to live and a time to die bible verse** .يومين فهو يتعرض إلى غارات جوية عنيفة كل **A time to love and a time to die song** .الوطن لم يعد آمناً على الإطلاق ثم يأتي **A time to live and a time to die bible verse** :يومين تقريباً وقد دمر بيت والديه ولم يجدهما في أي مكان **A time to love and a time to die** ,الحديث عن لقائه بإليزابيث؛ ابنة طبيب كان يعرفه وذهب إلى بيته للسؤال عن زويه **A time to live and time to die song** :ومن المفارقات اللطيفة أن جريبر لم يكن يحب إليزابيث عندما كانا طفلين **A time to live and time to die bible verse** ليجد **A time to love and time to die book** ,وقد أمضى منها الأسبوع الأول في البحث عن زويه **A time to live and time to die bible verse** :الجبهة قد تقهقرت أكثر من 200 كيلومتر منذ أن كان فيها آخر مرة لا **A time to live and a time to die bible verse** ,ومن الملاحظ أن وصف المعارك في هذا القسم الأخير كان رهيباً **A time to love and a time to die dvd** :يمكنني هنا أن أتجاهل التعليق على بعض النقاط:مهما كانت معرفتنا كمدنيين بالحرب، لا يمكننا أن نتخيل أهوالها ومهما خاض جندي حرباً ما فإنه لم يعرف أهوال الحرب العالمية الثانية وبالأخص، الجبهة **A time to love and a time to die dvd** :وقد كان ريمارك مذهلاً في وصف ما كان هناك **A time to live and time to die bible verse** ,الشرقية **A time to love and a time to die 1958** :هذا الكم الهائل من جثث الجنود والمدنيين **A time to love and a time to die song** .فحتى ألمانيا وإن لم تكن الجيوش البرية قد وصلتها بعد فإنها لم تسلم من الدمار **A time to live and time to die bible verse** ويحضرني مشهد الطفلة التي مر إلى جوارها جريبر وهي تحمل أختها الرضيعة بينما تقع فيردين تحت رحمة **A time to love and a time to die song** :وقد اخترقها الحديد من بطنها ويجعلها مثبتة في الجدار **A time to love and a time to die song** :غارة جوية هذه الطفلة البريئة المصلوبة هي رمز صلب البراءة والرحمة وكل شيء جميل **A time to love and a time to die song** فلم تكن علاقة جريبر **A time to love and a time to die song** .من قبل الحرب المجنونة التي لا تميز أحداً عن أحد بل كانت ضرورة حتمية لهما كرمز لكونهما **A time to love and time to die book** ,بإليزابيث حباً بالمفهوم الذي نعرفه وكانت نحيلة للغاية لم يتعرف إليها أولاً ثم نفر لهذا التغيير المفاجيء في **A time to love and time to die song** :أحياء **A time to live** :لكنها ليست كذلك على الإطلاق بالنسبة إليه **A time to love and a time to die song** ,شكلها

“Death smelled different in Russia than in Africa. A time to live and time to die 1985 ”I suspected going into this that it would be a grim and ultimately very depressing story. A time to live and a time to die bible verse I also counted on it being marked with moments of beauty and deep reflections on humanity: A time to love and time to die 1958 I discovered Remarque’s gift for writing war stories when I read All Quiet on the Western Front: A time to love and time to die 1958 At that time I had said I didn’t know if another book existed that so effectively conveyed the meaninglessness of war, A time to love and a time to die song Since then he had seen plenty of foreign lands but not the way he had dreamed of at that time, A time to love and time to die dvd ”Ernst Graeber has finally been granted furlough and is on his way home to Germany from the Russian front: A time to love and time to die dvd As Germany is clearly losing the war Ernst begins to wonder what they are fighting for after all. A time to love and time to die 1958 book

He's never understood it to begin with but like thousands of others he followed orders as the alternative was daunting to a young man with his whole life ahead of him, **A time to love and time to die song** What he finds when he arrives home is that the path of war's destruction isn't isolated to the fronts alone, **A time to live and a time to die bible verse** War finds its way into the nooks and crannies of people's hometowns, **A time to live and time to die 1985** Erich Remarque doesn't shy away from illustrating gruesome death: **A time to love and a time to die song** We spend more time away from the front with Ernst but the details are just as frightening as if we were plunked on the frontlines in Russia. **A time to love and time to die book** Ernst's crisis of morality escalates while home and it is here in his head that I found the most rewarding parts of the novel, **A time to love and a time to die song** These might be "old" stories but they are classics for good reason: **A time to live and time to die bible verse** What one reads here can apply to any time of conflict and hostilities. **A time to live and a time to die bible verse** "For the worms of Europe Asia and Africa we have been the Golden Age, **A time to love and a time to die song** Not only soldiers' flesh - women's flesh too and children's flesh and the soft bomb-torn flesh of the aged. **A time to love and a time to die song** In the sagas of the worms we will be for generations the kindly gods of superfluity: **A time to live and time to die bible verse** " 379 - Jūs šypsotės - tarė jis - Ir esat toks ramus: **A time to love and time to die dvd** 379 Voi continua să afirm că nimeni nu scrie despre război așa cum o face E: **A time to love and a time to die song** Volumul acesta se axează mai mult pe viața omului de rând prins în mreжіle războiului în spatele tranșelor văzută prin ochii unui soldat venit în permisie. **A time to love and time to die dvd** Soroc de viață și soroc de moarte arată multitudinea de fețe pe care le poartă războiul și evidențiază suferința individuală într-o mare de suferință colectivă, **A time to love and a time to die song** De foarte mult timp nu am mai citit o carte care să mă distrugă în totalitate - iar E: **A time to love and a time to die dvd** Remarque rămâne a fi unul dintre autorii mei preferați din toate timpurile: **A time to love and a time to die song** 379 Teleportive WWII novel top-notch dramatization of the complexity of humanity formal and thematic excellence throughout: **A time to live and time to die 1985** It's about a German soldier who leaves the Russian front during WWII as the tide is turning for the Nazis and goes on furlough to his home city for a few weeks, **A time to love and a time to die song** A completely absorbing reading experience couldn't put it down woke up early to read with coffee that sort of book: **A time to love and time to die dvd** Few reviews on here in English -- many in Arabic Russian and maybe Romanian: **A time to love and time to die book** My third novel by this author and I have another coming tomorrow, **A time to love and time to die 1958** As with his famous WWI novel and every other WWII- and Holocaust-related novel or memoir I've read survival always depends on luck, **A time to love and a time to die song** Not all Germans are anti-Semitic monsters intent on taking over the world and eradicating their racial inferiors. **A time to love and a time to die song** The novel depicts arch-evil types superhuman thoughtless automaton murderers in the S: **A time to love and a time to die song** as well as devastated philosophical citizens who hide Jews — and other well-characterized characters most concerned with self-preservation during the worst of times: **A time to love and time to die book** The sun broke through the mountainous clouds and transformed the woods into a glittering fairyland. **A time to love and a time to die dvd** Oh man I said as I finished it but I don't want to spoil the end for anyone: **A time to love and a time to die song** 379 This novel begins with shocking descriptions of corpses much like in World War II, **A time to live and a time to die bible verse** Gräber the main character is a German soldier on the Russian front. **A time to love and time to die book** Arriving in his home village he struggles to find his house through the rubble of the bombings and goes in search of his family. **A time to love and time to die dvd** He will also find love get married and live day to day in this devastated village disgusted by this war the debacle in the face of the imminent defeat of Germany, **A time to love and time to die 1958 book** Gräber's love reminds me of Hemingway's For Whom the Bell Tolls in which Robert Jordan decides to live a complete love story in three days. **A time to love and time to die 1958** However I find that this German character is very even too clean; it almost looks like a soldier from an American film, **A time to love and a time to die song** But that in no way detracts

from the beauty of this story and the experience that E, **A time to love and time to die 1958 book** 379 Moving heartfelt thought provoking writing that grips you to the core—that is what is delivered here in this book. **A time to love and a time to die dvd** Fearing that his leave would again be postponed he has not informed his parents: **A time to live and a time to die bible verse** On return he finds their house bombed and his parents gone, **A time to live and a time to die bible verse** Difficulties arise in determining if his parents are dead or alive: **A time to love and a time to die dvd** There is the gist of the story but there is much much more. **A time to live and time to die 1985** It looks at human emotions motivations and the choices we make: **A time to love and a time to die song** It throws off that which lies on the surface and goes to the core. **A time to live and a time to die bible verse** The writing is what makes for me the story special--alternately beautiful honest and wise: **A time to love and a time to die song** It focuses upon the destruction horror and pointlessness of war: **A time to love and time to die dvd** The horror is lightened by a love affair and the importance the value of what is often considered small and unimportant incidents. **A time to love and time to die 1958 book** The prose beautiful in all its simplicity balances good and bad ups and downs realistically: **A time to live and a time to die bible verse** In this way the universality of human emotions comes to the fore, **A time to live and a time to die bible verse** There is a scene where the central character strides through a room of amputees, **A time to love and time to die dvd** It makes you think feel and experience each individual's thoughts and emotions, **A time to love and a time to die song** It focuses your attention on what you might not normally think about, **A time to love and a time to die song** Truths are revealed about human behavior both the good and the bad, **A time to love and a time to die song** You read the lines ponder and think about the author's choice of words: **A time to live and time to die bible verse** Here follow a few lines so you can taste the prose: After the war we are now "old and cynical without the experience of age, **A time to love and time to die 1958** ""An old soldier's rule: When there is nothing you can do don't get excited, **A time to live and time to die bible verse** ""I wanted to have someone to hold me but I didn't realize that would make me doubly vulnerable, **A time to live and time to die 1985** The narrator's dramatization particularly at the start was too much for me, **A time to love and time to die dvd** The lines themselves are sufficiently powerful making further emphasis unnecessary: **A time to live and a time to die bible verse** I am not one who loves dramatization by readers of audiobooks: **A time to love and time to die dvd** This is why I have reduced the rating of the narration to four stars, **A time to love and a time to die song** The point isn't for me to get rapidly to a book's end, **A time to love and a time to die song** *note* Don't read this if you're a recovering alcoholic because on every page someone is drinking something: **A time to live and a time to die bible verse** It is from the viewpoint of a Nazi soldier who gets to go home from war. **A time to live and time to die 1985** He finds out that things home are terrible everything is turned upside down. **A time to love and a time to die song** He falls in love and among the chaos there are moments of peace and beauty. **A time to live and a time to die bible verse** There is amazing social commentary on concepts such as collective guilt our responsibility to standing up to evil and war, **A time to love and time to die book** The ending of the book is quite haunting and i cant wait to read more of his books 379 Kiedyś powiedziałam.

. I've become rather weary of some WWII novels. I sometimes wonder if I've become indifferent. "He thought of the breakfast table at home." "I wanted to have something to hold me. But I didn't realize that makes one doubly vulnerable. It's very realistically portrayed though. Remarque doesn't gloss over a single thing. للقتل وقت، وللشفاء وقت. للهدم وقت، وللبناء وقت. للبقاء وقت، وللضحك وقت. للنوح وقت، وللرقص وقت. وقت. للكسب وقت، وللخسارة وقت. للسكوت وقت، وللتكلم وقت. للحب وقت، وللبغض وقت. للحرب وقت، وللصلح وقت. بينما جاء العنوان ليس كإقتباس حرفي منه. بل جاء: للحب وقت، وللموت وقت. ولم يسلم من نارها المدنيين حتى الأطفال. أثناء حرب مجنونة، تختلف معايير الحياة. فليس مهماً نوعية الحياة التي تعيشها. بل يكفيك أن تبقى حياً. ويتم إعتقال بولمان فيما بعد. dead or alive. But in a time of war love seems a world away. In Russia it was a greasy stinking death. I wasn't wrong. Well foreign perfume and thinking of foreign lands. He obtains permission to find his relatives in Germany.I enjoyed reading this very touching book.M. Remarque offers. He does not want to raise their hopes. Chaos reigns. It is a manifesto against war. Don't expect easy reading. Sections are extremely difficult.I like viewing the war from the German soldiers' side. The ending is as it should be. Beautiful but realistic at the same time. This is achieved through the prose. The lines benefit from being read multiple times. Each reading gives you something new." "To ask someone else means to evade a decision." "If you make no demands everything is a gift."The prose is simple and straightforward. There is wisdom and food for thought. The audiobook is narrated by MacLeod Andrews. Both the writing and the narration are emotive. They do in this way fit each other. A listener is thrown between screaming and whispering. The volume is at times hard to set. I listened at 90% speed but I usually do. I want to savor every word. I want to have time to think.I highly recommend this book and the author's other works.update: Oops I mean WWI. 379 This book was quite amazing
