

Archangels Legion (Guild Hunter, #6) By Nalini Singh **Book Archangels legionnaires** I LOVE when he would stay with her so she could sleep and he would watch over her! ~sigh~ ☐ And I heard a rumor that the next book is going to be about Ashwini and Janvier. **Archangels legionowska** Either way.

Archangels legions definition

Nalini Singh the New York Times bestselling “alpha author of paranormal romance” (Booklist) returns to an immortal world of violent passion and lethal power...on the brink of a deadly archangelic war. **PDF Archangels legion book** Guild hunter Elena Deveraux and the Archangel Raphael must discover the source of the wave of death before it engulfs their city and their people leaving New York a ruin and Raphael's Tower under siege by enemy archangels. **Archangels legionmuzik** Rivers of crimson and nightmares given flesh the world will never again be the same... Archangels Legion (Guild Hunter #6)

I've been writing as long as I can remember and all of my stories always held a thread of romance (even when I was writing about a prince who could shoot lasers out of his eyes). **Archangels Legion ebookers** I'm back in New Zealand now but I'm always plot I've been writing as long as I can remember and all of my stories always held a thread of romance (even when I was writing about a prince who could shoot lasers out of his eyes). **Archangels legionowska** {site_link} I HAVE TO WAIT A WHOLE YEAR FOR THE NEXT BOOK?!?!?! Oh helllllll no! Seriously a whole year??? I know I am repeating myself but I am hyperventilating HERE PEOPLE!!! I don't know how I can wait a whole year. **Archangels Legion book** -Certain parts of the plot felt quite recycled such as Elena's Guild Hunter duties and her investigation into what was making all the vampires sick/die - I've read that sort of plot in countless other PNR/UF books so it didn't captivate me much. **Book Archangels legionnaires disease** I did enjoy all the stuff that was happening in regard to the archangel war and the different disasters (birds falling from the sky/the Hudson River turning bloody red/the crazy weather) that indicated the start of the Cascade (a confluence of time/certain critical events that lead to a surge of power in the Cadre/archangels — so basically already powerful archangels gain new powers and become even more powerful). **Archangels Legion book** -What's what: Elena still getting used to being an angel her and Raphael's relationship going strong Raphael's city under attack angels falling from the sky and vamps infected with tainted blood. **Archangels Legion epub reader** He had it all — he was the archangel of New York he was the youngest ever angel to become an archangel he had super speshul powers and was the only one that could hurt the bad guy (Lijuan) he had the Seven who were loyal to him and who were the bestest-most-strongest angels ever his people all loved/respected him his mum worshipped him and Elena was madly in love with him. **Book Archangels legion 5** -Everything was written so dramatically... Elena's issues with her past Raphael's issues with his past Elena's investigation Aodhan and Illium's tortured past the angels being injured the vampires who were diseased and the war at he end — if everything is meant to be fucked up and bad then nothing comes across as fucked up and bad. **Archangels legionowska** Most

women don't actually want to get back with their ex so I don't understand why every ex-girlfriend of a hero is so desperate to get back with them especially when they're with someone else. **Archangels legions definition** He thought it was a cool to act like a complete dick to his daughters because of something that happened decades ago — he saw his Guild Hunter mum killed by vampires and that was why he was such a fucker to Elena. **Archangels legionowska** So instead of talking to Elena about why he hated her being a Hunter he instead threw her out when she was a teenager acted like he didn't love her and alternated between ignoring her and being a bastard to her for a decade... He destroyed his relationship with her over something that happened when he was 4 years old. **Kindle Archangels legionella** What the hell was the Primary talking about? What's an Aclair? Does it just mean soulmates? If so then I don't see why it's being kept such a mystery since it's no secret that Elena/Raphael are meant to be. **Science Fiction Fantasy Archangels legion of honor** I'm no longer interested in Illium or Venom Venom is too much of a manslut and Illium keeps banging on about that human he once loved and it's pretty clear that she was the love of his life anyone he loves after her will just be him settling and yea that's not romantic. **Archangels legionmuzik** There were certain parts of the plot that were enjoyable and the romance wasn't completely terrible but Elena and Raphael were no longer endearing to me they turned into boring speshul snowflakes. **Kindle Archangels legion athletics** İllium tartışılmaz zaten bluebell'im benim çok tatlıydı ve onunda yeni güçler kazandığını görüyoruz yakın yüzyılda o da bir arcangel olabilir ve umarım bu olduğunda yanında elena gibi bir hatunu olur. **Book Archangels legion** Diğer bütün fandom gibi bende elena ve raphael'in kendi bebiş meleklerinin çocuklarının olmasını sabırsızlıkla bekliyorum ama yazar bunu yakın gelecekte beklemememizi zira elenanın kendinin bebek melek olduğunu söylüyor :D Sıradaki kitabı merakla bekliyorum. **Archangels legions definition** Rivers of crimson and nightmares given flesh the world will never again be the same... Angels are falling from the sky in New York struck down by a vicious unknown force. **Archangels Legion bookkeeping** Is a new angel with midnight and dawn wings the fault in an Archangel's armor or together will prove even stronger than fear and abomination? Time will tell if they manage to survive. **Book Archangels legion athletics** I had thought they would be past that although the makeup and angry sex was worth it!☐ Sooo much went on that there's no way I can address everything and everyone so I'll just highlight the main things. **Book Archangels legionnaires** Meanwhile my gorgeous archangel not satisfied with I don't know shooting lightning bolts or something actually taps into the energy of the planet and calls an army of bogeymen from the bottom of the ocean. **Book Archangels legion athletics** That New Yorkers would actually I don't know hide or something else sane when the sky was raining freaking blood?Haha! Yeah right! I was in a giant earthquake 22 years ago and it was insane - the damage lives lost everything. **Book Archangels legion book** What adorable fan art!! They look so cute!There is one scene in this book between two of the male angels that was so touching that I can't wait for the next book just to see where it goes, This leads to some confrontations with Jeffrey but also some insights come out of it, **Book Archangels legion athletics** ☐ We get to know another Guild Hunter named Ransom better, **Archangels legionwood tale** (I love his last name - Winterwolf)☐ A lot more page time with Aodhan and Illium aka Bluebell and Sparkle: **EPub Archangels legion athletics** I heard that's a big negative**☐ Love Izak and how he has a crush on Elena. **PDF Archangels legion 5** ☐ And the situation with Tasha ~ that could've gone bad. **Book Archangels legion** I loved how Raphael handled it and it was great getting his POV on things: **Book Archangels legionnaires disease** ☐ I seriously cannot remember there being so much gore in this series. **Book Archangels legion book** Some of the descriptions were really awful! ☐ New favorite character ~ Naasir! LOL, **Book Archangels legion** what in the heck is he?☐ The big battle was pretty epic however.

Archangels legionowska

I did think the actual end was a bit too easy. **Book Archangels legion** What originally drew me to him was his arrogance and his power but I love that he has evolved and that he has evolved with

Elena: **Book Archangels legionnaires disease** He never underestimates her and he never takes their relationship for granted. **Archangels legions definition** love that Cajun! But it's weird since they already had a novella in Angel's Pawn. **Archangels Legion book** Angels are falling from the sky in New York struck down by a vicious unknown force. **Book Archangels legion book** Yet even as they fight desperately to save the city an even darker force is stirring its chill eyes trained on New York...and on Raphael, **Archangels Legion kindle store** I love creating unique characters love giving them happy endings and I even love the voices in my head: **Archangels Legion booking** In September 2002 when I got the call that Silhouette Desire wanted to buy my first book Desert Warrior it was a dream come true. **Archangels legions definition** I hope to continue living the dream until I keel over of old age on my keyboard. **Archangels legions definition** I also spent three years living and working in Japan during which time I took the chance to travel around Asia. **Book Archangels legionella** I love creating unique characters love giving them happy endings and I even love the voices in my head: **Book Archangels legion athletics** In September 2002 when I got the call that Silhouette Desire wanted to buy my first book Desert Warrior it was a dream come true. **Archangels legionwood tale** I hope to continue living the dream until I keel over of old age on my keyboard, **Book Archangels legion** I also spent three years living and working in Japan during which time I took the chance to travel around Asia, **Book Archangels legion** I'm back in New Zealand now but I'm always plotting new trips: **Archangels legionmuzik** If you'd like to see some of my travel snapshots have a look at the Travel Diary page (updated every month): **Book Archangels legion athletics** So far I've worked as a lawyer a librarian a candy factory general hand a bank temp and an English teacher and not necessarily in that order: **Archangel's legion** Some might call that inconsistency but I call it grist for the writer's mill: **Archangels legionwood tale** English SpoilersArchangel's Legion wasn't quite as engrossing as I thought it'd be. **Science Fiction Fantasy Archangels legionella** I still enjoyed it but in comparison to earlier Elena/Raphael books it was lacking in originality excitement and intriguing characters: **Archangels Legion booking** Elena and co also have to deal with the Cascade - Raphael is getting weird new powers as are other archangels. **Book Archangels legionella** There's also a war brewing between Raphael and creepy-crazy-zombie-making-weirdo-who-thinks-she's-a-god-but-is-actually-an-archangel Lijuan: **Kindle Archangels legion 5** Everyone pretty much loved her or was in awe of her brilliance - I was sick of all the different angels/vampires thinking she was the best thing ever, **Book Archangels legion athletics** She did very little to gain their love respect and approval — she didn't deserve that level of acceptance: **Book Archangels legionnaires disease** They didn't need to be dicks to her but I would have preferred them not worshipping her when she hadn't done enough to warrant that level of adoration. **Archangels Legion booker** Elena's issues with her douchey dad and dead mum/sisters has gotten boring: **Archangels legionowska** All she did was whine and moan and have nightmares about them: **Archangels legionwood tale** Which would be fine if she hadn't been like that in the first book — where's the character growth?! It was just the same shit that was going on in book 1. **Archangels legions definition** Yea there was a little bit of development with her dad but it wasn't nowhere enough for my liking. **Book Archangels legionnaires disease** She barely paid any attention to her she only cared about her other half-sister Eve or whatever her name was: **Book Archangels legion book** Because Eve had the Hunter gene she always checked up on her and did all sorts for her but poor Amy got ignored. **Book Archangels legionnaires** I hope Amy tells Elena what a rubbish sister she is to her: **Archangels Legion pdfescape** He used to be much more compelling there was nothing interesting about his character in this one — probably because he suffered from speshul snowflake syndrome. **Archangels legions definition** Him becoming more powerful gaining freaky new angelic powers and being the bestest archangel of them all didn't equal a personality... If anything it just made him more dull. **Archangels legions definition** Sure he had a bit of a crappy past when his mum went crazy and tried to kill him but in the present he had everything going for him: **Archangels legionwood tale** Okay he was at war with Lijuan but that was his only obstacle. **Book Archangels legionella** He had the most important things in his life — love power loyalty money friendship respect family: **Archangels Legion ebooks online** He didn't

have any real personal difficulties he had it all and that made him bland, **Book Archangels legion tv** So yea because every situation/person's past was horrifying/upsetting/tortured it just took the horror/gravitas out of everything: **Archangels Legion pdf** -I rolled my eyes at the 'young' angels who died and the supposed horror of them dying so young when they were actually centuries old: **Archangels Legion booking** -Every one of Raphael's Seven had deep seated issues/scars and a horrific tortured past of some sort. **Archangels legions definition** -I was annoyed with the cliched jealous ex (Tasha) who wanted the hero again. **Archangels legions definition** Ugh it was disgusting that he was so willing to forever ruin his bond with Elena all because he couldn't confide in her. **Archangels legionmuzik** He was a rubbish dad he was happy to fuck up Elena's life instead of confront his own fears. **Archangels legions definition** -Why the hell were ALL of the female Cadre so fucked up? Every single one of them had serious issues: Michaela: jealous of other females selfish cruel lies about being pregnant: **Book Archangels legion athletics** Lijuan: creating an army of undead crazy wants to take over the world, **Book Archangels legion tv** Favashi: has a cruel streak is petty plays around with men's emotions. **Book Archangels legionnaires** Whereas most of the male Cadre (Titus Astaad Raphael Elijah) were decent archangels... They were all honourable intelligent and respected, **Book Archangels legion 5** So basically women in power end up fucked up because it's unnatural for them to have power they become corrupted because their weak minds can't handle too much power: **Archangels legionmuzik** Whilst most men are able to handle it and thus won't abuse their power. **Archangels Legion epub** -I liked the addition of The Legion although they did come across as a bit of a deus ex machinas when they turned up in the war. **Archangels legionmuzik** The war between Raphael and Lijuan was the most entertaining part everything before then was kind of slow and blah, **Kindle Archangels legion** I'm guessing Lijuan isn't dead I'm sure she'll come back and cause loads of chaos again. **Kindle Archangels legionnaires** -Beth was dumb taking back Harrison he obviously didn't love her if he turned into a vampire without knowing whether she would be able to as well: **Archangels Legion kindle books** He doesn't deserve to be her husband or the dad to her child: **Book Archangels legionnaires** -I noticed a heated moment of sorts between Illium and Aodhan. **Archangels Legion Science Fiction fantasy book** I'm not sure if it was meant to be romantic or not it wasn't very clear, **Book Archangels legion** Hopefully the next Elena/Raphael book won't be as much of a let down. **Book Archangels legion book** English I swear nobody does urban fantasy romance better than Nalini Singh. **Science Fiction Fantasy Archangels legion of honor** Her world building is out of this world and her characters are awesome: **Archangels Legion ebook** I LOVE Raphael and Elena and I love this series - and this installment did not disappoint. **PDF Archangels legion book** I will read anything Singh writes and I cannot wait for her next one! English wow what a steamy action loaded book. **Archangels legions definition** we waited whole year to read this nalini didn't disappoint us as always, **Archangels Legion epub** I must say I love all hot scenes between elena and raphael : **Book Archangels legionnaires disease** I was like lol yeah thanks nalini you've ruined all other men on universe for me :D Beklediğimize değdi açıklaması, **Archangels legions definition** bir ara dmitri'ye katılıyordum neredeyse elenanın raphael'i zayıflattığını yaklaşan savaşta onu geri bıraktığını falan: **Archangels legionmuzik** Eğer o üstün gücü geldiği anda kabul etseydi bizim raphael'imizden zerre kalmayacaktı: **Archangels Legion booking** ama şimdi hem güce sahip olup hemde sevdiğimiz raphael gibi kalabilir, **Archangels Legion booking** Teşekkürler dik başlı kick ass hatunum elenam :D Aodhan sevdiğim bir karakterdi ilgimi hep çekerdi zaten ve bu kitapta onu fazlaca görüyoruz: **Archangels legionwood tale** Kendini iyileştirmek adına adımlar atıyor Ve umarım onunda kendi kitabı olur ve geçmişine göz atabiliriz. **PDF Archangels legionnaires disease** Kitabın adı nerden ileri geliyor olayını son bölüme kadar öğrenemiyoruz sonra anlam ifade etmeye başlıyor bize, **Book Archangels legion athletics** Lijuan ölmedi lebet ve fazlasıyla tehlikeli olarak geri dönecektir ama karşısında yeni bir raphael bulacak, **Science Fiction Fantasy Archangels legionella** English Angels Archangels Power and Love among a galaxy of Stars A world where angels rule as creatures of extraordinary power to be admired from afar, **Archangels legionowska** Archangels hold the balance of good and evil in their hands and vampires are slaves to

their angelic masters. **Archangels legions definition** Where strategy saves your life and dooms thousands in a complex and deadly game of chess. **PDF Archangels legion book** Where the most powerful Archangel fell in love with a mortal and dying he fed her ambrosia uniting them in life and death, **Book Archangels legion book** In this world Cascade is in full effect and no one will emerge unscathed: **Archangels Legion booking** I could (and I want to) read 12 more books about Raphael and Elena and not be disappointed even for a page: **Book Archangels legion athletics** Alas I can't reveal much about the actual plot without spoiling it for someone who is about to start this series: **Archangels Legion kindle store** Only that he or she must do so NOW! It has it all: **Archangels Legion epub reader** Intrigue passion sensuality and power all interwoven in what came to be my favourite series. **Book Archangels legionella** My only complaint? It's going to be awhile to revisit the all-powerful Archangel and his Guild Hunter Consort that makes him more mortal. **Archangels legionmuzik** Lijuan has a few wounds to lick and more monstrosities to think of: **Archangels legionwood tale** They have some great stories to tell and they have been waiting for too long, **Book Archangels legion 5** Not unless his Archangel demands it!PRE-RELEASE:Expected publication: October 29th 2013 MORE RAPHAEL & ELENA!!!Already pre-ordered it: **Archangels Legion kindle direct** ;) English My Thoughts:[] It's always all about Raphael. **Archangels legions definition** are they related? [] Caliane is a bit better but the jury is still out on her: **Archangels legionmuzik** [] Some major events are one that is being called The Falling and another having to do with a disease that infects vampires to just name a couple, **Archangels legionowska** There are some pretty good ideas who the culprits are that instigated them, **Book Archangels legion** And I liked how everyone worked together to figure things out fix things and then fight together, **Archangels legionmuzik** [] Eve Elena's half sister I'm still looking forward to reading more about them! Favorite quotes:[] "Have I not been satisfying you?" God he was sexy. **Archangels legions definition** [] Raphael I'm going off to parts unknown with this vampire who isn't a vampire, **Archangels legions definition** [] Raphael in case you're getting ideas—I won't be this civilized if you decide you need a concubine, **Archangels legionmail214** He didn't look up from his conversation with Astaad as he said A pity in that cool "Archangel" tone of his. **Kindle Archangels legion athletics** I will now have to ask the pilot to empty the hold of my chosen females, **Archangels Legion kindle books** We're going to have to talk about this new sense of humor of yours, **Archangels legionmuzik** [] "There is no comparison" he said to the only woman he'd ever claimed for his own, **EBook Archangels legionella** "You know me in ways no one else ever has or ever will again, **Kindle Archangels legion athletics** You make me a better man and a better leader than I would've ever been without you. **Archangels legionowska** " English Re-read September 20195 Fabulous Shiny Stars!!Loved this story and I REALLY like where the author is going with the series: **Book Archangels legion 5** The writing storyline and characters were BRILLIANT!I really enjoyed getting to know a little more about Aodhan Illiam and Naasir (even though I'm not quite sure what Naasir is), **EBook Archangels legion tv** Once again Raphael and Elana are passionate charismatic strong stubborn and PERFECT for one another. **Archangels legions definition** Fans of the Guild Hunter series will not be disappointed!Favorite Quotes:The Cascade happens and Neha calls fire and ice Elena said into his mind at the same instant. **Archangels legionowska** Titus moves the earth Astaad the sea while creepy Lijuan brings the dead back to life: **Archangels Legion booking** The dry commentary made him wonder how he'd ever walked through life without the wit and laughter of his hunter by his side, **Book Archangels legion tv** He could no longer imagine such a cold remote existence the idea of it spawning an immediate repudiation in his bloodstream. **Archangels Legion book** You make me a better man and a better leader than I would've ever been without you, **Book Archangels legion 5** English Oh my gosh Nalini Singh!! Girl's got some serious skills in making me feel the beautiful relationship between the two main characters in this series: **PDF Archangels legion tv** I actually find myself smiling when I am reading and feeling all swoony over the beautiful words. **Archangels Legion kindle** Never had she expected to find him to fall so deeply wildly insanely in love - and sometimes her soul-deep joy in their passionate entanglement terrified her. **Book Archangels legionnaires** her archangel who'd never wanted her to be anything but what she was. **Archangels**

Legion ebook You make me a better man and a better leader than I would've ever been without you. **PDF Archangels legionnaires disease** In this book we have a bunch of crazy things happening on Earth that are a sign of very bad things to come, **Archangels Legion ebook** Things such as birds falling from the sky the river turning to blood and blood raining down from the sky. **Book Archangels legion** Of course this is New York and it takes a hella lot more than raining blood to get to jaded Manhattanites, **Book Archangels legion** Dmitri says recordings of the event are already trending on media sites worldwide, **Archangels Legion kindle books** But dammit there were guys selling t-shirts that said I survived the Northridge Earthquake on every street corner the very next day, **Book Archangels legion 5** Never underestimate the power of the human spirit - especially when it comes to making a buck, **Archangels Legion book** Out of curiosity I Googled to see if there were pics of the one I specifically remembered and here it is: **Archangels legions definition** ;-)
 Along with all of the strange events the angels are also getting increases in power. **Archangels legions definition** Raphael is trying to reject the power that keeps trying to come to him because too much power makes the angels go crazy. **Archangels legions definition** And crazy angels have a tendency to become homicidal killing machines from above. **Archangels legions definition** But other angels are not avoiding their new powers and Raphael's enemy decides it is time for a full-scale war of biblical proportions. **Book Archangels legion tv** Angel-fight! Yeah you do not want to be under an angel-fight! You'll be pulling feathers out of your hair for weeks, **Book Archangels legion** After all of these books I feel like I know them and I'm desperate for some of them to have their own love stories: **Archangels Legion book** I'm not hoping for an Aodhan/Bluebell ship - although I wish - but to see the continuation of the healing that Illium offers Aodhan, **Book Archangels legion athletics** If you like PNR you have got to try this one! There are lots of books out so you don't have to wait forever for the next one for a long time. **Book Archangels legion** Go go read the first one now and let me know what you think! ;-)
 English Another great story from this awesome author: **Book Archangels legion tv** I think this is the story and action that we've all been waiting for since the first book. **Archangels legionmuzik** Finally we get the fight between Raphael and the archangel of death. **Science Fiction Fantasy Archangels legionnaires disease** The build up to this point is long but that's how it should be: **EPub Archangels legion book** It made the whole journey that more exciting and at the same time mysterious. **Archangels Legion epublising** There were some new answers new powers and new clues about the future: **Archangels legionowska** Not even Raphael's ex was able to ruin that for me although she did get on my nerves, **Book Archangels legion athletics** I felt the same way Elena did and I wouldn't mind if she did do the things she wanted to do to this 'past friend' of Raphael's. **Archangels legionmuzik** But anyway I loved that there was truly nothing that could even remotely harm their bond and their love, **Archangels Legion ebooks free** They are a super couple and there is simply nothing that could bring them apart: **Archangels Legion pdf editor** I wished we would see more of Bluebell and Sparkle but there is still hope that they get their own stories: **Book Archangels legionnaires** :) English 4 to 4 ½ AMAZING StarsWell...I'm all caught up, **Book Archangels legion** It's absolutely fantastic! I would have given it 5 stars but there was a bit too much action fighting toward the end for my taste, **Book Archangels legion 5** I understand this is Urban Fantasy and that's to be expected but for me it was just too much, **Book Archangels legionella** After reading both this and her Psy-Changeling series I can wholeheartedly say that Nalini Singh is my favorite paranormal author[1]

Is having problems and reaches out to her. **and don't get your hopes up regarding that little scene. ☐ Also intriguing developments with Vivek. ☐ Can't stand Michaela. Thank goodness for Raphael's powers. The Legion is really fascinating.can't wait to read more. ☐ And one last thing about Raphael. Vampires are dying impossibly of disease. Theres no other job I would rather be doing.I was born in Fiji and raised in New Zealand. There's no other job I would rather be doing.I was born in Fiji and raised in New Zealand. I will go crazy over thinking about this.-Elena was kind of a Mary Sue.Elena was a cow to her half-sister Amy.-Raphael turned into such a Gary Stu. I really didn't like him.-There

was something so smug about Raphael/Elena's relationship. It was ridiculous. I'm sick of this trope its in most books I read.-I loathed Elena's dad Jeffrey he was a wanker. He put himself above his daughter. He was a fucking bastard.Neha: tortured her niece questionable sanity filled with hatred. Ugh.-The ending was really action packed. -I think I want to read Aodhan's story most of all.All in all this was a bit of a disappointment. I absolutely loved it. She's the goddess of all writers. Bayıldım. ama elena raphael'in asıl güç kaynağı bencede. Bambaşka acımasız biri olacaktı . Bu yüzden bizi şaşırtmayı çok güzel beceriyor yazar. İlgiyi hep ayakta tutuyor. Nalini seri hakkında birkaç soru cevaplamıştı . <http://allkillerbooks.blogspot.com/20>.Complex unique lyrical beautiful brutal and almost haunting Mrs. Singh world is full of emotions and twists. Excellent and consistent story unparalleled world-building. And they do deserve a private dance.Moreover i can feel it. Something sparkly and something blue are getting anxious.So Aodhan or Ilium? My bet is on Bluebell. He is too pretty to patiently wait his turn.for me and well it's good that I really like Elena too. □ What I didn't expect was all the fighting. □ Raphael is a-changing and things are a-happening.□ Each consort has her own unique weapons.□ “Eternity would mean nothing without you. For no power on this earth would I trade my Elena.Right what was I thinking? Elena threw up her hands. He wants to avoid that. It's like sand after the beach.The characters in this series are so complex and intriguing.For anyone who hasn't read this series. I simply loved it. And the battle itself was perfectly executed. I really enjoyed the whole story. DANG!!! This book is my favorite of the series thus far. I ended up skimming a few chapters because of it. Still I highly recommend this series. I've had a blast reading it (I actually listened to it). She's the best of the best! English.
