I don't often cry when I read so when the I found myself bawling my eyes out (more than once) I knew right then and there Tiffany had won me over yet again. **Book Unlikely allies** Mason mentions that the hospital is what close to two hours away from the camp? Doesn't that mean they should be carrying some serious antibiotics with them? What if Alyssa was hurt and they were stuck out there wouldn't they need them? I don't know I'd think of bringing them with me. **Book Unlikely allies** No matter how good your guide you just need proper gear trekking shoes especially if you are leaving on the most difficult trail in that rain where there's sure to be some serious slippery mud! Unlikely Allies

I received this book as an ARC for The Indie BookshelfThis book is the first I have read by Tiffany King and she can write a story!!I enjoyed everything about this book! The unique plot never dulls desperate circumstances that kept me up all night turning the pages with a love story story to make

your heart melt. **Unlikely Allies epub** Of course who would love tragedies right? It was believable okay but seeing people suffer and sad and all was really disturbing for me but seeing that this tragedy only make the people on the story stronger I get over it eventually. **Unlikely Allies pdf drive** This book kept me walking on the treadmill for a lot longer than I had planned (double win) and staying up way too late at night to squeeze in a few more chapters before finally crashing and dreaming of mountains and trees and hot arrogant men. **Book Unlikely allies** I enjoyed the first half the set-up getting to know Kimberly better watching the relationship between her and her father build and the friendships that she made with the other camp leaders but it was the second half of the book that had me pounding the keys on my Kindle needing to see what happened next. **Book Unlikely allies** He was a strong caring dad who didn't always see eye-to-eye with his California girl daughter but he was always looking for that connection that way to bond and show he cared and their conversations about CW shows made me smile. **Unlikely Allies kindle cloud** The rest of the book is fleshed out with a wide variety of characters you get to know and truly care about and I found myself hoping this would kick off a series of books. **Unlikely Allies ebooks free** Tiffany King Unlikely Allies was a fun fast read with a lot of great elements: it's a family drama an adventure/survival story (think Hatchet but with kissing) a coming of age story and a sweet romance. **Book Unlikely allies** MC Kimberly (don't you dare call her Kimmie buster!) is pretty stunned angry hurt and yes curious when her mom tells her shortly after her 18th b-day that by the way she does have a Dad after all. **PDF Unlikely allies definition** So now Kimberly is spending the summer at her Dad's place which she finds out on her arrival (she and mom don't talk much after the big reveal) is a summer camp for foster kids high in the Colorado mountains. **Unlikely Allies epub** Can she find the inner strength to survive and overcome the physical and emotional challenges their new situation presents? Kimberly is a great character resourceful and strong with a good sense of who she is. **Book Unlikely allies** well yet again I was WRONG! Best Part: Mason! Mason! Mason! Boy oh Boy do I love a fictional hot boy and Tiffany King knows how to write 'em!!!! I mostly love the interaction with Mason and Kimberly. They are all children who are in the foster care system and haven't known stability much: **Unlikely allies ff14** Camp Unlikely Allies was established to try to give children like them an opportunity at enjoying life and growing up, **Book Unlikely allies meaning** The reader gets a little background on her and that's when I wanted to just give her a huge hug, **Unlikely Allies ebook3000** There's a certain part of the story in which I was close to tears because of this little girl, **Unlikely Allies epub** Grabbing the reader in an emotional tractor-beam and playing with their hearts, **Book Unlikely allies** It was a welcome change from earlier King books I've read, **Unlikely Allies pdf24** I've always wanted to go there myself.

Unlikely Allies kindle cloud

And I could picture myself easily going through some of the struggles that take place in Unlikely Allies. **Unlikely Allies booker** What's the main reason we're here though? It's not the characters or the setting is it? Maybe: **Book Unlikely allies meaning** I know a few readers will have picked this book up for the romance as well, **Book Unlikely allies** I was left baffled at times with the interaction between Kimberly and Mason. **Unlikely allies wow quest start** I needed to know who was going to strangle the other first.

Book Unlikely allies

And I eventually fell in love with him: **Unlikely Allies bookworm** This is my first Tiffany King novel and I feel excited about it and all because the blurb looks promising and the cover has this mysterious effect on it, **Unlikely Allies ebooks free** There are several characters that are very much easy to love, **Book Unlikely allies** Kimberly (and it was my first encounter of a character having a name of Kimberly: **Unlikely allies ff14** It's nice seeing her make an effort and not holding any grudge to him. **Book Unlikely allies definition** Her addictions include: Her iphone and ipad

chocolate Diet Coke chocolate Harry Potter chocolate zombies and her favorite TV shows, **Unlikely Allies pdf24** You can connect with Tiffany on her webpage at authortiffanyjking.com: **Unlikely Allies lockbox** Instead as I do for many reviews that leave me with that reaction I wait a few hours or overnight to absorb all of it. **Unlikely Allies kindle app** I have yet to be disappointed by a book of Tiffany King's so far, **PDF Unlikely Allies** I've read both *Wishing For Someday* and *Forever Changed* earlier this year: **Unlikely Allies epubor** In the first few chapters that's what kept me reading the most: **Book Unlikely Allies** Through this King was able to capture the beautiful settings in the novel. **Book Unlikely Allies** Since I love the fast-talking eccentric always a great friend personality of characters like Rory Lorelai Lane and Sooki...Amy was a perfect match for a reader like me. **Unlikely Allies pdf drive** The story could have gone a different way if King had given him a different personality or reaction to the situation at hand: **PDF Unlikely Allies ww2** I was surprised and pleased to get to know the loving man and new father that is Rick, **Unlikely Allies ebooks online** Since this book is set mainly in a summer camp for kids it is only natural that there are great younger characters as well. **Unlikely Allies pdf drive** Tiffany King seems to have a natural talent for touching the reader's heart through these young characters: **Unlikely Allies kindle app** In her past books this is true and the picture painted in my mind was beautiful. **Unlikely Allies ebooks online** I think everything that's great about being in the great outdoors enjoying nature was touched on here: **Book Unlikely Allies definition** While I don't live in the Colorado wilderness I do live in the wilderness for the most part haha, **Book Unlikely Allies** The struggle that they both go through later on in the book was great as well, **Book Unlikely Allies** I don't know if King has been stranded and injured in the woods before but I think she has written a very believable account of what it'd be like: **Book Unlikely Allies** I was left on edge the whole way through wondering what obstacle was going to arise next, **Unlikely Allies ebooks free** Whether it was physical or emotional everything kept me sympathizing for the characters, **Unlikely Allies kindle unlimited** If Tiffany King wasn't one of my favorite authors out there already she'd have made it on the list with this one. **Unlikely Allies ebook3000** I'm eager to see how other readers enjoy the book once it's released: **PDF Unlikely Allies definition** (I even had to re-read the ending just to be sure it really happened which then made me cry AGAIN, **Book Unlikely Allies**)The chemistry between Mason and Kimberly (aka beach bunny) is off the charts: **Unlikely Allies booking** From the get go the witty smart ass remarks roll freely between the two and it is perfect: **Unlikely Allies wow quest start** I love me some good banter and boy does Tiffany dish it out in this book. **Unlikely Allies kindle app** And Kimberly she is my kind of girl! She is such a sweet good-hearted tough strong woman who can dish out just about anything Mason sends her way, **Book Unlikely Allies** Finds out she has a father after 18 years of her life is definitely not something easy and Kimmie wants her daddy back, **Book Unlikely Allies** So it was simple she's going to meet her father and spend summer before collage with him, **Book Unlikely Allies** Oh but life had another plan so he mixed Mason in the story: **Unlikely Allies ebook3000** Lovely story about two individuals who at first try to fight their feelings but as always love beats everything, **Book Unlikely Allies** Just perfect my feelings are very tangled up right now I need ice cream! Damn you Tiffany King for making me feel this way, **Book Unlikely Allies** Although I wouldn't normally pick it out myself to read it I heard great things about it and wanted to see for myself: **Unlikely Allies ebook3000** It's fairly short and Tiffany King's writing keeps you engaged the whole time: **PDF Unlikely Allies** The first half of it is great! Wonderful pace interesting characters great dialogue. **Unlikely Allies ff14** I had issues with Kim and Mason's relationship as usually the couple fell in love within weeks while literally exchanging just a couple of sentences during this time. **Book Unlikely Allies definition** Probably the biggest issues I had with it was how they went trekking in that rain completely unprepared: **Book Unlikely Allies** I'm a bit of a hiking/trekking addict and I just had a lot complaints with how they went out there in that weather: **Book Unlikely Allies ww2** Covering up an open wound with the raincoat seemed like such a bad idea to me. **Unlikely Allies book** Next they let Kim go trekking in rain in tennis shoes?! This baffles me to no end. **PDF Unlikely Allies ww2** I suppose maybe she didn't have appropriate footwear but she could have borrowed some: **PDF Unlikely Allies** If not under no circumstances

should she have gone with him - it is just not safe: **Unlikely Allies epub.pub** Mason says that Rick would expect that they wait out the rain out there if it gets too heavy. **Unlikely Allies booker** Cotton balls vaseline aluminum foil flint&steel to start the fire. **Unlikely Allies epub.pub** And seriously the walkie-talkie thing? It should have been attached to him with a strap or to his waistband or chest secure under the raincoat or something, **Book Unlikely allies** You simply cannot afford to lose it if you have to take it in the first place: **Book Unlikely allies definition** I'm just saying for someone who claims to be the best guide in the camp he made a couple of beginner's very irresponsible mistakes, **Unlikely Allies ebooks air** When they first start out on the trek he keeps going too fast for her even though he knows she is a beginner can't keep up and doesn't know the trail, **PDF Unlikely allies** It scares me that someone should let him be responsible for 15 year-old boys on trekking trips, **Book Unlikely allies** Then everything happened way too fast we didn't have the time to actually get to know the new characters who had potential to be really interesting: **Unlikely Allies ebook3000** Kim's logic of letting Mason come to her while dealing with things like losing a limb and learning to live his life without it was ridiculous, **Book Unlikely allies** However overall it was a good read and I would recommend it despite my issues with it - I'm just being nit-picky. **Unlikely Allies epub.pub** Tiffany King Well Tiffany King has done it again!!!! I truly LOVED Unlikely Allies. **Unlikely Allies booker** I felt that this book sucked me in she made me feel the same feelings the characters were feeling, **Unlikely Allies ebook3000** Angry with her mother for lying all these years Kimberly flies to Colorado to meet the father she knows nothing about before heading off to college in the fall. **Unlikely allies lockbox** Her father's world turns out to be nothing like she expected. **Unlikely Allies ebooks free** Rather than the typical nine to five lifestyle Kimberly's father runs a summer foster camp that teaches young children skills to build their confidence and self-esteem: **Unlikely Allies ebook3000** Never being one to quit anything Kimberly is determined to show her father that a surfer girl can fit into this rugged mountain wilderness: **Unlikely Allies kindle app** That is if she can deal with Mason an arrogant nineteen-year-old guy who has made it his mission to point out every mistake she has made since her arrival, **Unlikely Allies pdf24** When a tragic accident leaves them stranded in the mountains Kimberly must use her shaky skills to save Mason and survive the elements: **Unlikely Allies pdf merger** Suddenly fighting is the last thing on their minds as they must rely on each other if they want to live, **Unlikely Allies ebooks free** In their struggle for survival they realize what they thought they knew about each other isn't true after all. **Book Unlikely allies** When I finished I craved more! Not to mention King's ability to capture so many wonderful different personalities in her side characters: **Unlikely Allies booking** Kimberly the heroine is such a likable strong intelligent and beautiful character. **Unlikely Allies ebooks air** He was very sarcastic and witty at first but he redeemed himself to me her maturity and growth become significant: **Unlikely Allies kindle app** His attitude can get out of hand at times and tends to tick me off: **Unlikely Allies epub.pub** Their interaction with each other was funny at the same time very much heartfelt. **Unlikely Allies book** Since meeting her at the beginning of the story I begin to really like her because it's really hard not to like her, **Unlikely Allies ebooks online** She's very eccentric and talkative but always a great friend who would always help you, **Book Unlikely allies** The concept of having a summer camp for kids was pretty touching for me: **PDF Unlikely allies definition** These children all came from different foster care systems and haven't known what stability means, **Book Unlikely allies** The camp Unlikely Allies which were established by Kimberly's dad Rick were a great help for those kids. **Unlikely Allies kindle unlimited** The only thing that is really not so great is the tragedy that happened, **Unlikely Allies epubor** The tragedy isn't that heavy and the plot was okay and the characters are great but there's this just something that I can't point out that I think was missing somewhere. **Unlikely Allies kindle unlimited** I'll check out other works of Tiffany King and see if it would still evoke same reaction from me as this one, **Book Unlikely allies** As a person and as an author so I had a good idea going in that I would enjoy this book, **Book Unlikely allies** But I wasn't prepared for just how addictive Unlikely Allies turned out to be. **Unlikely Allies kindle unlimited** Yes my subconscious aged Mason to a more acceptable age for a dream boyfriend: **Unlikely Allies kindle app** He came from a hard

background but didn't let that define him: **Unlikely Allies kindle cloud** Even when he was picking on Kimberly you knew from all the other characters that his behavior toward her was unusual. **Book Unlikely allies** He genuinely cared about all the other campers and especially for Rick Kimberly's dad and Mason's foster father, **Book Unlikely allies** Of course the boy was hot but what drew me in was his protectiveness especially during the second half of the book. **Book Unlikely allies** King pulls out all the stops when Mason and Kimberly are stranded in the mountains: **Unlikely Allies ebooks free** You get a MAJOR swoon factor you get danger suspense tender moments that had me teary-eyed and conversations that make you laugh. **Unlikely Allies ebooks free** And when an author can get me to fall in love with the characters and gets me to experience the full range of emotions with them they skyrocket to my favorites list, **Book Unlikely allies** It also taught me a lot about wilderness safety and survival skills: **Book Unlikely allies** Knowledge that I hope I never have to put into practice but hey good to know, **Book Unlikely allies** Kimberly was a fun heroine to live the story with—she was smart artistic funny and had a good heart: **Unlikely allies ff14** Her relationship with her mother was complicated but understandable and perhaps because Tiffany is a mother herself she handled it respectfully. **Unlikely Allies pdf24** The mom made a major mistake which was the inciting incident for this whole book but she took ownership of it and in the end made up for her faults. **Unlikely Allies ebooks free** I'd love to know more about all of the friends she made in camp and during her first semester at college: **Unlikely Allies kindle cloud** I recommend Unlikely Allies to anyone looking for a captivating read that will pull at your heartstrings and inspire you: **Unlikely Allies booking** It was fast-paced and fun and I know I'll be reading it again in the future. **Unlikely Allies pdf drive** If you've never read any of Tiffany King's books before start with this one...and then start playing catch up! You won't regret it: **Unlikely Allies pdf24** Her mom's kept Kimberly's existence secret from her long ago lover Dad and vice versa for reasons that don't seem very good in retrospect. **Unlikely allies lockbox** Quite a change up for the artist chick from a beach town who doesn't especially like kids. **Unlikely Allies epubor** And then there's that jerk Mason the arrogant quasi-son her Dad seems to have taken under his wing, **Book Unlikely allies** Why does he seem so determined to drive Kimberly away just when she's making friends and getting along so well with Dad and the campers. **Unlikely Allies kindle app** And the most irritating thing about him? She can't stop those tingly-tangly feelings of attraction that make his hostility all the more hurtful, **PDF Unlikely allies definition** But the ground literally falls out from under her feet when she and Mason are sent into a storm to find a missing camper and things go downhill fast. **Unlikely Allies kindle unlimited** But it's when she is thrown into some tough and challenging situations that her true colors are revealed and she steps up and grows up in touching and real feeling ways. **Unlikely Allies pdf drive** She's not a perfect kid by any means - her relationships tend to suffer from her unfiltered mouth and super snark. **PDF Unlikely allies** Mason the hottie you love to hate also reveals his depths as the action develops and there are some sa-woon-o-rama moments for sure: **Unlikely Allies ebooks online** But the course of true love never did run smooth and there are obstacles and hurdles in their way some extrinsic some the product of pride or pique. **Unlikely Allies kindle unlimited** How they overcome them with the help of some really well developed and charming side characters makes for a touching and tender conclusion to this lovely YA read. **Unlikely Allies booker** comFirst I want to thank Tiffany King for giving me this book to review, **Book Unlikely allies** Second I thought Tiffany King could not get any better as an author: **Unlikely Allies pdf merger** Also Kimberly was amazing! She came to camp unsure of herself so much but by the end of the book you saw that despite everything she was growing up, **Unlikely allies ff14** I loved that! On top of that I loved that this book was actually believable! There was no supernatural beings just a boy girl a whole camp of kids and love, **Book Unlikely allies** Not so great: Without giving away to much (because I do not want to spoil it) I did not like Mason's attitude at times. **Unlikely Allies kindle unlimited** Of course I understand why he did what he did but (as a female) it just ticked me off! I eventually got over it! =) Tiffany King.

And she's done it again in *Unlikely Allies*. These kids have gone through a lot in their lives. Alyssa is one of the young characters that really touched me. She's very closed off from others. She always has a wall up to everyone. That's something King is also good at. Now about the setting. Most of it takes place in the mountains of Colorado. AND the adventure. Both those elements are in this book. They actually go hand in hand. I questioned the relationship between them the entire time. It's one of the reasons I had to keep reading. I was really drawn in by the characters. Just saying.) was very likeable. She has a loving husband and two wonderful kids. (Five if you count her three spoiled cats). Want to know what they are? Just ask.blogspot. They both blew me away. This book lived up to this author's previous standards. What I was initially drawn in by was the characters. Kimberly the main character is very likable. I especially like the artistic side she has. There were many characters that I fell in love with. One of them was Amy (of course). When the reader meets her it's hard to not like her. She reminds me of a character out of *Gilmore Girls*. I also really liked Rick. I can't say any more. There's just so much greatness in this book. Nothing compares to roughing it with Mason and Kimberly. This is a must read! Five stars just isn't enough. Tiffany King THE END. AMAZING. AMAZING. AMAZING. Kimmie is such a lovely character. Tiffany King This is not your typical YA novel. I read it in one sitting. I especially loved Amy and Rick. I just feel this cannot be accurate. This means even more extra gear. Extra socks. This should all have been in the emergency backpack. Just no. This is not the behavior of a good guide. And then the second half of the book. The pace was wonderful until after the hospital. Brad and Dan and Car. Very egoistical. I thought Mason and Kimberly were great together. I liked how their relationship didn't start off that strong. They worked at their feelings and built it up over time. I would definitely recommend this book to everyone. Mason grew on me he was a tough cookie to crack. Mason is really a maze for me. I can't quite figure him out. But his continuous banter with Kimberly was pretty fascinating. Then there's Amy. *Unlikely Allies* was an okay read. Yay! :) Tiffany King I adore Tiffany King. So let's start with Mason. I loved this hero. And oh the second part of the book. Ms. I'm an emotion girl a character girl. And this book did that. Rick was perhaps my favorite character. One boy in particular (*grin*). But that is part of her considerable charm. Tiffany King review is on www.booknerdsacrossamerica. It was very kind of her. It was funny heartfelt aggravating and perfect for them
