

King Solomons Temple in the Masonic Tradition By Alex Horne

Book King Solomons Temple in the Masonic traditional

While somewhat dated Alex Horne's King Solomon's Temple in the Masonic Tradition is still the best first source to explore for information on the origins of the legend of Solomon's Temple as it is used in the Craft and how that tradition squares with what we know about that temple from history/archaeology, **King Solomons Temple in the Masonic Tradition kindle reader** It has additional material regarding the Hiramic Legend which increases the usefulness of the volume. **PDF King Solomons Temple in the Masonic tradition** Highly recommended!
