

Edge of Deception By Daphne Clair **Book Edge of deception pass** We find out from Sholto's former BFF that Sholto's world collapsed at 13 when he challenged his abusive father over beating his mother and the next day the father beat Sholto's mother so badly that she spent the next four years in a semi-vegetative state until she died. **Edge of Deception booking** When Tara caught on that when dad wanted to see his ladies she could wheedle big ticket items out of him.

Edge of Deception kindle review

The heroine believed she was not guilty of adultery since the act was never consummated. **Edge of Deception kindle reader** English Really well done second chance story that dishes out the blame equally to an immature heroine and immature hero who have finally faced their faults and are ready to grow up. **EPub Edge of deception definition** English the story had great potential but too many secondary characters got involved in the plot.

Book Edge of deception pdf

Daphne Clair de Jong decided to be a writer when she was eight years old and won her first literary prize for a school essay. **Book Edge of deception by john** Her short stories have appeared in many magazines and anthologies and a collection of them was presented in Crossing the Bar published by David Ling where they garnered wide praise. **Edge of Deception kindle reader** Since then she has produced a steady output of romance set in New Zealand o Daphne Clair de Jong decided to be a writer when she was eight years old and won her first literary prize for a school essay. **Book Edge of deception series** Her short stories have appeared in many magazines and anthologies and a collection of them was presented in Crossing the Bar published by David Ling where they garnered wide praise. **Book Edge of deception pdf** Her romances often appear on American stores' romance best seller lists and she has been a Rita contest finalist as well as winning and being placed in several other romance writing contests. **Edge of Deception booking** Her other writing includes non fiction poetry and long historical fiction She also is an active defender of the ideology of Feminists for Life and she has written articles about it. **EBook Edge of deception meaning** These include the prestigious Katherine Mansfield Short Story Award with Dying Light a story about Alzheimer's Disease which was filmed by Robyn Murphy Productions and shown at film festivals in several countries. **Contemporary Edge of deception eq** Daphne is often asked to tutor courses in creative writing and with Robyn Donald she teaches romance writing weekend courses in her home in the winterless north of in New Zealand. **Book Edge of deception cues** Daphne lives with her Netherlands born husband in a farmlet grazing livestock growing their own fruit and vegetables and making their large home available to other writers as a centre for writers' workshops and retreats. **Book Edge of deception definition** Her children maintain they have no memory of her baking for them except on birthdays when she would produce on request cakes shaped into trains clowns fairytale houses and once even a windmill in deference to their Dutch heritage from their father. **Edge of Deception fictionmanai** The hero is still lusting after her and it was gross because for all the book he was engaged and having sex with his fiancée while cheating on her with the heroine kissing her mauling her and slut-shaming her while it was him who couldn't leave her be. **Book Edge of deception series** Yes he had a damaged childhood but he was not much better than his parents and since he was 38 when he met the heroine again I think it is very unlikely that he changes the way he is. **Contemporary Edge of deception eq** English Re Edge of Deception - Daphne Clair does an HP Plus second chance at romance for July of 1995 along with a really great character study of two opposites whose overriding passion gets in the way of any type of good sense. **Book Edge of deception book** Because while it is a divorced couple meeting again and finding the Lurve Force Mojo is running wild it also a story about emotional maturation and recognizing that the world is not all black and white nor are you the center of it. **Book Edge of deception by john**

When Sholto decides to care for Tara in the wake of her father's death her winsome charm and easy people skills along with her smokin' hot good looks cause Sholto agonies of Lurve Force Mojo Longing. **Book Edge of deception by john** So he gets her into bed and after he figures out her unicorn grooming status is now voided forever he marries her - Tara thinks it is because he is enthralled with her feminine charms and because Sholto just can't keep his hands off such a beautiful object that he possesses. **Edge of Deception book review** Tara in a fit of teen aged jealousy and despairing spite at the thought of losing her adored Sholto who she firmly believes is cheating on her with his secretary gets drunk and manages to get herself almost seduced by Sholto's best friend. **Book Edge of deception book** So by the time we get to what actually happened you can totally see where Tara was at emotionally and how she very immaturely wanted to lash out at Sholto for what she thought was his infidelity. **Edge of Deception fictionmanai**) Essentially the whole adultery incident was a drunken woman scorned wanting any sop to her ego and Tara's jealousy was along the lines of a teenager seeing her first boyfriend kissing another girl in the heat of the moment of a big game touchdown. **PDF Edge of deception definition** In other words Tara did not have the maturity to recognize that Sholto wasn't the sophisticated iron man of Alphaness that she attributed to him based on how he treated her and presented himself to the world. **Edge of Deception ebook reader** Sholto refused to participate in outside non-work events with her pawned her off on his BFF as an escort for the events she did attend and refused to take her on his frequent business trips but did take his new and gorgeous secretary and refused to actually TALK to her about her concerns when she ineptly tried to express them. **Edge of Deception contemporary era** Tara childishly even started describing how other men paid her compliments to get Sholto's attention when she thought he was only focused on business that eventually led to the almost adultery disaster with Sholto's BFF -who did plenty of trying to seduce Tara on his own and got her drunk to do it he figured Sholto wasn't really caring about Tara anyways and he really liked her. **Book Edge of deception definition** What Tara and the reader gradually discover over the course of the story is that for all of Tara's 16 year old mentality while she was married Sholto's emotional maturity was stopped at age 13. **Book Edge of deception pdf** There is a small roofie kissing moment after Sholto's dramatic announcement then Sholto shoves Tara against a wall in repudiation and storms off with his nice when-you-feel-a-bit-cold-and-icky beverage sounding fiancée Averil (which for some reason I kept reading as Bovril mainly cause she reminded me of it. **Edge of Deception contemporary era**) Tara is stunned she hadn't meant to kiss anybody and the next day she is alone in her shop when a robber comes by and steals the days takings and beats her up a bit. **Edge of Deception fictionmanai** Tara goes home and Sholto is calling her up on the phone when she explains that she had a bad day at the office Sholto comes rushing over and he is horrified at her bruises. **EBook Edge of deception cues** However Sholto also seems to think that Tara needs caring for so he takes her out to dinner and takes her to his import warehouse and lets her pick out things for her shop at a discount. **Edge of Deception kindle review** We find out Bovril is flight attendant and Sholto met her on one of his frequent trips to Hong Kong she is nice and demure and adores Sholto and she seems to be a very placid peaceful person. **Book Edge of deception eq** Bovril seems to be a nice person but DC gives us subtle hints that Bovril has absolutely NO CLUE as to what make Sholto tick - apparently Sholto doesn't talk much to Bovril about personal things either - she tries to pump Tara for information but Tara refuses to be drawn and Bovril obviously decides she is in it to win it anyways. **EBook Edge of deception bytes** Tara grows by leaps and bounds during this time but it is through the flashback interactions with Sholto and his behavior in the present she asked him for her bike and got it. **Edge of Deception contemporary definition** Tara's recollection is related in a tone of wry sadness appropriate to her actual age and her remorse over how she was used as a child to cover up an adult's transgressions. **Fiction Edge of deception pass** There are lots of comments about how Sholto has transformed into a much softer and approachable person and Tara assumes that loving Bovril has changed his outlook and his character. **Edge of Deception kindle app** We learn that Sholto is also afraid of himself he kicked Tara out because he thought he would hurt her after the almost adultery incident and he did not want to be his father.

Contemporary Edge of deception eq Sholto goes on to say that Bovril made him feel safe she prodded no peaks or troughs of feelings in him and her family was really nice and he felt really accepted by them. **Book Edge of deception by john** Sholto admits that while he was quite prepared to marry Bovril and lead a life of quiet comfort and calm existence he kept finding reasons to seek out Tara because she made him feel and want and he liked it and he obsessed over it and then took his guilt out on Tara with the tart comments. **Contemporary Edge of deception eq** If he had he would have made her miserable because Tara was all he could think about just like when they first married and he withdrew to hide the intensity of his feelings. **Kindle Edge of deception** It is Sholto's deep and continuing need and love for Tara that made him realize that he too would break his promises lie cheat and ask for second chances and repeatedly apologize if she would just let him back into her life. **Book Edge of deception pass** On the surface Tara is the greater transgressor but as more and more of Sholto's character is revealed you realize that both of them are equally at fault - if you want to point to blame at people which DC firmly does NOT do. **Edge of Deception fictionmanai** But Sholto finds that he too is willing to tread that very edge of deception when he involves Averil in his future against the dictates of what is truly in his mind and heart and in direct opposition to how he acts. **Contemporary Edge of deception eq** For all their sins Tara and the BFF were complicit in the destruction of Tara and Sholto's marriage yet Sholto wasn't a bystander in that either AND he was 10 years older and presumably should have been a little wiser about things. **Contemporary Edge of deception eq** Yet it is Sholto's immaturity that drags innocent bystander Averil in the mess that he and Tara made and thankfully Sholto realizes it before he finds himself trying to commit adultery as it was Sholto came pretty close to cheating not once but several times. **Edge of Deception epub air** The 27 yr old is essentially Tara at 18 but instead of massive lurve force mojo for Sholto she wants his comfortable lifestyle children and a man wealthy enough to allow her to live close to her family. **Book Edge of deception cues** It's obvious the H/h are not over each other as they meet at various times such as when the heroine's shop is robbed the hero offers her merchandise from his import/export business and when they run into each other at social events. **Edge of Deception book review** 5 stars I didn't like that they kept kissing behind his fiancé's back—their history and chemistry is undeniable but it still doesn't sit well with me especially since the fiancé is nice. **Book Edge of deception book** And the author unnecessarily killed off Averil made an fairly easy choice for Sholto because even though he said he was going to break off the engagement after she came home we will never truly sure if he would go through with it if Averil came back alive. **Book Edge of deception pdf** English I liked that this book had somewhat older characters (although the numbers seemed to change and not quite add up) and I always like a good reconciliation story but this one was a little disappointing. **Book Edge of deception pass** I thought they were fairly persuasively written in some respects; their individual reflections and realizations about the past were reasonable (although of course since it's an HP there's always that edge of melodrama) and necessary. **Book Edge of deception cues** But overall both of them act like jerks to each other - for example her immature attempts to manipulate him during their marriage and his choice of names to call her while he's trying to resist her in the present. **Edge of Deception fictionmanai** And finally when all was said and done (especially when information about the emotional scars is revealed) I had no happy conviction that this is a relationship that could be sustained.

Book Edge of deception cues

But the hero reassures the heroine (and the reader) that he was going to break it off before the plane crash. **Edge of Deception kindle book** What kicked this up to a four star was the final chapter where the H/h talk - really talk and not in terms of marriage counselling, **Book Edge of deception by john** He was a witness to severe domestic abuse and his father always said 'sorry' and then went on to abuse again. **Book Edge of deception pdf** The heroine finally understands what her actions did to the hero. **Book Edge of deception cues** And the hero finally understands what real remorse/forgiveness entails - and it's not the pattern of dysfunctional behavior he witnessed as a child, **Book Edge of deception definition** Daphne Clair *shows* the reader this insight and doesn't preach or overwhelm the scene with thinky thoughts, **EBook Edge of deception pass** It's a heartfelt conclusion to their story and it rings true for an HEA, **Book Edge of deception** Her first short story was published when she was sixteen and she's been writing and publishing ever since, **Book Edge of deception by john** Nowadays she earns her living from writing something her well meaning teachers and guidance counsellors warned her she would never achieve in New Zealand. **Contemporary Edge of deception eq** In 1976 Daphne's first full length romantic novel was published by Mills Boon as Return to Love: **Edge of Deception fictionmanai** Her first short story was published when she was sixteen and she's been writing and publishing ever since. **Edge of Deception contemporary definition** Nowadays she earns her living from writing something her well meaning teachers and guidance counsellors warned her she would never achieve in New Zealand: **Edge of Deception epub free** In 1976 Daphne's first full length romantic novel was published by Mills Boon as Return to Love, **Book Edge of deception series** Since then she has produced a steady output of romance set in New Zealand occasionally Australia or on imaginary Pacific islands: **Kindle Edge of deception bytes** As {site_link} Laurey Bright she also writes for Silhouette Books: **Edge of Deception fictionmanai** Since then she has won other literary prizes both in her native New Zealand and other countries. **Fiction Edge of deception pass** Their five children one of them an orphan from Hong Kong have left home but drift back at irregular intervals: **PDF Edge of deception definition** She enjoys cooking special meals but her cake making is limited to three never fail recipes: **PDF Edge of deception cues** Daphne frequently makes and breaks resolutions to indulge in some hearty outdoor activity and loves to sniff strong black coffee but never drinks it, **Book Edge of deception cues** After a day at her desk she will happily watch reruns of favourite TV shows: **Contemporary Edge of deception eq** Usually she goes to bed early with a book which may be anything from a paperback romance or suspense novel to history sociology or literary theory, **Edge of Deception ebooks online** {site_link} Amarga Separacion by Daphne Clair released on Dec 25 1996 is available now for purchase. **Book Edge of deception definition** Edge of Deception It's one of those cases of it's me and not the book, **Book Edge of deception series** And it was sad and depressing not because of some big drama but because the heroine never recovered from the hero's jilting while he moved on perfectly, **EBook Edge of deception free** He was older and more experienced he didn't want children because she was too young in his opinion and he didn't want her to work. **Edge of Deception book review** So basically he was the heroine's whole world for his choice not hers: **Book Edge of deception pdf** Then he neglected her more and more often for his job and he spent almost all his time with his charming pa. **Edge of Deception book review** So the heroine who had a father who was a cheater began to think he was cheating on her with his pa. **Book Edge of deception** He dismissed her doubts without any

explanation and their marriage deteriorated, **Edge of Deception kindle cloud** One night he didn't come home and the heroine thought he was with his pa so she went to his bff and got drunk and almost had sex with him. **Fiction Edge of deception pass** She stopped but the hero found them in bed together undressed: **Book Edge of deception cues** He is engaged and the heroine never had any man after him. **Book Edge of deception pdf** This was sad and unpleasant his ability to move on and to forget about his young ex-wife and the inability of the heroine to have even a fleeting affair. **Edge of Deception booker** In the end the fiancée dies in an accident the hero uses the heroine for sex and then rejects her callously. **Edge of Deception kindle reader** The heroine didn't have a backbone where the hero was concerned, **Book Edge of deception pdf** Ok I agree that she behaved badly with his bff but he was no better: **Edge of Deception ebook pdf** Eventually he declares he always loved her and will never love another woman but it was ok having sex with other while the heroine who was chaste as a nun was a slut, **Book Edge of deception by john** This book made me really sad and even if there's much introspection and dialogue between the characters I couldn't appreciate it at all. **Fiction Edge of deception pass** There's cheating on both sides so safety squad be warned and I couldn't feel his love was something exclusive and lasting, **Edge of Deception ebooks free** Oh and worst BFF : he deliberately got his BFF's wife drunk to seduce her: **Book Edge of deception definition** The backstory to this is that the h Tara and the H Sholto were married and divorced five years before the book opens: **Edge of Deception fictionmanai** Tara was 18 and had just lost her father leaving her an orphan and Sholto was 28 and fully focused on building his business empire: **Edge of Deception contemporary era** After about two years of an ever widening communication gap between the two of them the worst happens, **Edge of Deception epub free** Sholto walks in on the tawdry little moment kicks Tara out and promptly divorces her: **Contemporary Edge of deception eq** Sholto's moto is never explain never apologize and never ever forgive or forget: **Book Edge of deception pdf** Tara goes into an emotional shutdown over losing the love of her life at twenty but manages to pick herself up and start a small one of kind antique and kitsch shop: **PDF Edge of deception cues** Just to be fair here Tara behaved very very badly and deserved to get her hiney divorced: **PDF Edge of deception book** It IS understandable tho and DC goes to great lengths to feed us the back story in a flashback build up over the course of the book. **Book Edge of deception definition** She had no experience to read that Sholto is seriously damaged: **Book Edge of deception series** To Tara's eyes Sholto only had one use for her compatible with the same use he would get from a blow up anatomically correct doll: **Edge of Deception book review** In fact it is really Sholto who is the more immature of the two and DC deftly highlights this as the book progresses: **Edge of Deception fictionmanai** So the story opens with Tara seeing Sholto across the room at a mutual friend's big party: **Edge of Deception contemporary definition** They meet it is awkward and then Sholto tells Tara he is marrying and he has brought his fiance: **Fiction Edge of deception meaning** He makes a big production of this declaration and drags Tara into an empty room to give it, **Book Edge of deception pass** He is even more horrified when he realizes her biggest one is from where he slammed her against the wall the night before. **Book Edge of deception** Sholto likes placid and peaceful cause as we find out from his former BFF Sholto's home life was a mess of violence and abuse, **Book Edge of deception cues** Tara and Sholto keep running into each other mainly at Sholto's instigation, **Edge of Deception contemporary era** Every time Sholto sees Tara it appears she is with a different guy and the tart shaming out of his mouth is pretty atrocious after he gets a roofie kiss or two in. **Edge of Deception ebook reader** It is important to note tho that Tara is an extrovert social creature she chats with EVERYBODY and she likes people and people like her, **Edge of Deception book 2** Sholto is an introverted troglodyte who probably should have had a huge computer empire where he could just email and text everybody and avoid actual human interactions. **Kindle Edge of deception download**)We even get a double date with Tara one of her guy friends she works with and Sholto and Bovril. **Book Edge of deception pass** So Sholto keeps reappearing for Sholto manufactured reasons in Tara's life and delivering roofie kisses accompanied by tart shaming comments for desert, **Kindle Edge of deception free download** Tara does a lot of introspection into what exactly she

was idiotically doing in her marriage five years earlier and she comes to admit some serious home truths to her self: **Edge of Deception book review** Sholto actually thinks that was really clever of Tara and shows his approval of her ingenuity, **EPub Edge of deception cues** Sholto's reaction is that of a teenage boy who just figured out how to con someone out of a custom BMX and he is all about the kid-like thrill, **Edge of Deception kindle** Sholto is 33 when he has that reaction and that is a small but crucially pivotal scene about how Sholto thinks emotionally, **Book Edge of deception** Suddenly Bovril winds up getting killed in a small plane crash during her off shift time from flying: **Book Edge of deception book** Tara and Sholto end up having a huge lurve club explosion moment in the days following Bovril's death when Tara goes to check on Sholto to make sure he isn't cracking up, **Book Edge of deception** The aftermath of the big event is not pretty Sholto rejects Tara totally and then he walks away: **Book Edge of deception pass** Sholto and Tara reconnect at a charity for children in care event a while later, **EBook Edge of deception definition** Sholto manages to get Tara alone again and it is big revelations time, **Book Edge of deception pdf** Sholto carried a lot of survivor guilt for not saving his mother. **Book Edge of deception definition** He begged her to leave his father but his mother refused because his father always came and apologized after his beatings and claimed that he really loved Sholto's mother: **Edge of Deception contemporary era** Hence Sholto's moto of never explain apologize or forgive because in Sholto's view only drunken abusive bullies need to make those kinds of statements ever. **Book Edge of deception by john** Sholto admits that has huge problems with socializing with other people and he has no idea how to communicate with any intimacy. **Book Edge of deception by john** He never had friends he doesn't know how to relate to friends and so it isn't so surprising that his sorta BFF tried to seduce his wife: **Edge of Deception book review** Sholto wasn't really close to the BFF the BFF was just always around, **Contemporary Edge of deception eq** Sholto also tells Tara that eventually he knew he couldn't marry Bovril: **Book Edge of deception definition** But Sholto also adds that he had no clue as to how to communicate that and Tara knows that she wasn't mature enough to help him find his feeling words. **Edge of Deception fictionmanai** So contrary to everyone's belief Bovril was not the changing influence in Sholto's life that led him to the path of emotional maturity Tara was: **PDF Edge of deception download** Through Sholto's feelings for Tara he learned that life is not black and white words need to be spoken and forgiveness needs to be extended: **Book Edge of deception eq** Bovril was the placid stream to the power of Tara's ocean waves and Tara's pull is stronger so Sholto has to learn to communicate and share his love. **Book Edge of deception pdf** Enough to realize that they are getting a second chance to build a life together and that both of them need to keep growing and learning together to make it, **Book Edge of deception cues** So with future sharing firmly in mind we leave the two of them lurving it up on a pink sparkly rainbow of love and passion for another very well done DC HPlandia HEA. **Edge of Deception contemporary definition** This one is a really intense and very well done book of two damaged people trying to get themselves and their lives sorted out. **Edge of Deception contemporary definition** Averil is fairly well fleshed out for the brief glimpse we get of her as well, **Book Edge of deception pdf** Nobody's motivations are BAD exactly people just want what they want and unfortunately sometimes they make bad decisions on how to get it, **Kindle Edge of deception meaning** I highly recommend this one when you want an in-depth look at what it takes to grow up and reconcile a relationship: **Book Edge of deception pass** Both Sholto and Tara do a lot of soul searching in this one and tho the ending isn't perfect it is very inspiring and has a believable HEA: **EPub Edge of deception book** Cause if these two damaged bunnies can make a go of things then everyone else in HPlandia is getting it pretty easy in comparison. **Book Edge of deception definition** I settled on four stars because I could not take away from the intensity of the story and the page turning effect it had on me, **Edge of Deception kindle review** However I have to say that I did not like either the heroine or hero and that usually effects my overall satisfaction in the story: **Fiction Edge of deception pass** He was emotionally distant having been damaged by his abusive father and guilt feelings over his mother's death: **Book Edge of deception pass** The heroine was annoying and immature without any decency or self-respect: **Edge of Deception**

fictionmanai This was clearly a case of two people being attracted to one another but not emotionally good together: **EPub Edge of deception** I actually preferred her to the heroine and felt she was a much better person and better suited to the hero: **Edge of Deception kindle store** He actually became more human and endearing through the love of the OW, **EPub Edge of deception cues** I think the author felt that way too since she had the heroine killed off in a plane accident: **PDF Edge of deception download** If the OW had lived there was no way he would have left her for the heroine, **Edge of Deception epub free** This is a story about reconciliation and second chances (my favorite trope) but it just didn't work well, **Book Edge of deception pdf** The hero walks out on their marriage having found the heroine in bed with his best friend half dressed kissing him ready to do the deed, **EBook Edge of deception book** She clearly set out to seduce her husband's best friend as a cold blooded calculated act of revenge since she believed him to be having an affair with his secretary: **Edge of Deception book review** She of course is devastated and can't understand how he can cut her out of his life so easily. **EPub Edge of deception 2** Really? The story opens five years later when he is engaged to OW and they meet at a party. **Fiction Edge of deception meaning** Of course the attraction and chemistry is still there for both of them and he keeps fighting the attraction wanting to stay loyal to his fiancé, **EBook Edge of deception book** Though the story was engrossing and well worth the investment of my time I couldn't buy into the HEA. **Contemporary Edge of deception pass** I felt the heroine wasn't worth loving and that they really didn't work well together as a couple, **Book Edge of deception eq** I also found it hard to look past her calculated act of adultery. **Contemporary Edge of deception eq** For some reason a nice airline hostess who just wants to settle down and have children, **Edge of Deception ebook3000** Heroine is jealous and hurt and confused - as is the hero: **Book Edge of deception book** The author kills off the hero's fiance* in order to bring the H/h together which ruined the book for me. **Book Edge of deception book** it did not even sound true when she said she had told Derek she cud not go on wid it. **Fiction Edge of deception pass** it was like she had made this part up just for Sholto to forgive her, **Book Edge of deception pdf** it was just a little too convenient dat she had changed her mind just before Sholto arrived on the scene. **Book Edge of deception by john** i dunno how the author wants to convince us she spent the 5 past years celibate! English 3: **Edge of Deception fictionmanai** There are good explorations of how trauma shapes behavior and emotions however as well as mutual growth and acceptance of their joint responsibility in what happened during their marriage: **Edge of Deception fictionmanai** Trigger warning: his father was physically abusive and killed his mum. **EBook Edge of deception pass** The book is about two emotionally damaged people who learned to accepting their flaws and be more mature: **Edge of Deception fictionmanai** The author slowly revealing what had happened in the past through flashback accompanied by some revelation, **Book Edge of deception** Maybe because I only got Tara's point of view while Sholto's more complicated and I think he's the one who needed to grow up more. **Fiction Edge of deception pass** Yes his past was darker that Tara's but she didn't live in the land of rainbow and unicorns either. **Book Edge of deception book** Her father was a cheater and often used her to cover up his indiscretions, **Book Edge of deception by john** Sholto knew this but he didn't try to comfort her when she suspected him of having an affair with his secretary. **Book Edge of deception** I wished he would come to term about his feelings for Tara and choose her without the interference of fate or the author in this case: **Contemporary Edge of deception pass** What I like the most was the closing paragraph which Tara realized that this is still a learning process for her and for Sholto, **Kindle Edge of deception pass** Her father had died and she was alone in the world and Sholto was there to take care of her, **Book Edge of deception series** He tried not to take advantage of her youth and neediness but there was a strong physical attraction and eventually it ended up in bed. **Book Edge of deception book** Having taken her innocense Sholto then steps their relationship and then asks her to marry him, **Edge of Deception kindle book** It doesn't last long before Tara's restlessness and insecurities leads her to jealousy and problems, **Edge of Deception contemporary era** Unfortunately Sholto has many Demons in his past and he never explains himself his feelings or his behavior, **EPub Edge of deception book** Tara in one jealous act

ruins their marriage and Sholto won't let her explain he won't even talk to her he just divorces her and moves away: **Edge of Deception fictionmanai** Five years later he comes back with a fiancée and Tara realizes that all of her love is still there but Sholto has never forgiven her, **EBook Edge of Deception definition** Good character development and growth by both the Hero and heroine, **Edge of Deception pdf** The book had too much crammed in for the page limit - scenes from the past and present intermingle and it felt rushed to me. **Contemporary Edge of Deception pass** The writing was superb but I was not sure that H/h deserved or will have their HEA. But Sholto never emotionally grew up. She thought it would get his attention. It did - he wouldn't forgive her. Five years later the H/h run into each other at a party. He realized he still wasn't over the heroine. The hero explains why he doesn't believe in forgiveness. Boogenhagen has more spoilers if you're interested. *I wish she hadn't killed her off. She was a nice person and deserved her own HEA. (Starring Sara McLeod Sam's wife in Lord of the Rings). I couldn't enjoy the reading it was too sad and depressing. Actually both characters are guilty and have faults. But he carried the greater ones. The hero married the orphaned heroine when she was 19. He sent her away and divorced her. She was only 21 alone in the world. He never looked back. Five years later the hero meets accidentally the heroine. She's still emotionally frozen. And he cheated with her on his fiancée. This was sad and upsetting. I don't believe his declaration. One woman was like another for him. Better no friends than a friend like this one. This one is hard to categorize. There was no excuse for her behavior. (He really wasn't cheating. (For the record Tara has been on ice since her divorce. Tara has learned a lot too. She presents the entire story very compassionately. Tara messed up there is no doubt. English I wasn't quite sure how to rate this book. I just couldn't connect with either of them. The interesting twist for me was the OW. He walks in throws her out and files for divorce. I was disgusted by Tara's past behaviour. the heroine was clearly a slut on the make. She didn't deserve the rotten ending she got either. I rooted for them despite my misgivings. Plus he calls her a slut at one point. *hard eyeroll*. English May contain SPOILER. The story telling was engaging. Although I felt the learning process was a bit unsatisfying. English Tara married Sholto when she was probably too young. What a great story. Good read. Partly the problem was simply length I think. The biggest obstacle for me was the protagonists though. It was hard to like them. Or even that it should be. English 3.5 stars. Emotional read full of memories regrets and second chances. English
