

From *Glowing Embers* (Tales of the Pacific, #1) By Emilie Richards **Literature Fiction From Glowing embers gainesville** Author Richards skillfully weaves past and present his point of view and hers to tell the tale of two people scarred by hard lives brutal family betrayals and the tragic loss of their only child. **Book From Glowing embers gainesville** They have come to the point where they must settle old issues and move on but in what direction? Finding the courage to stay together is the theme of their relationship and the challenge they still face. **From Glowing Embers kindle app** Literature Fiction Mystery Thrillers Romance This one was a wonderful second chance at love story from this author which featured two characters with so much history & hurt between them. **Book From Glowing embers gainesville** When they met the heroine was a skinny undernourished teen yet these two struck a connection that was so deep that the hero couldn't resist her and their passion resulted in pregnancy and so much of hurt & tragedy. **EPub From Glowing embershard mine** Despite the angst you never doubted their connection but youth and a horrible father (the hero's) had sabotaged them even before these two had the chance to build a stronger bond. **From Glowing Embers Literature fictionmanai** The hero married her but yet circumstances left the heroine living with his parents where the hero's father terrorised her poisoned their marriage & the heroine didn't confide in the hero until too late & he was too young & over-worked to pay attention. **Book From Glowing embers gainesville** A premature birth and her daughter's death make the heroine flee and the hero despite his efforts to find her over the years finds her ten years later a woman who is a successful fashion designer & still carries so much hurt & anger over their past. **From Glowing Embers epub reader** Literature Fiction Mystery Thrillers Romance GAVE UP AT 50% O-M-G nothing but Angst & MISERY just shoot me now! Literature Fiction Mystery Thrillers Romance

eh Literature Fiction Mystery Thrillers Romance The characters were good but the main character's issues seemed to go on forever at the end. **EBook From Glowing embers gainesville** Literature Fiction Mystery Thrillers Romance Young love To have love and be innocent and then have a rich controlling father making promises to his son and tearing apart that innocent love and the effects that it made on the two in love very sad Literature Fiction Mystery Thrillers Romance What an amazing surprise this turned out to be,

Book From Glowing embers

Im the author of seventy something novels including romance womens fiction and mystery, **From Glowing emberscale** When We Were Sisters debuted in June 2016 a stand alone novel about two foster sisters traveling back into their past together, **From Glowing Embers epub reader** I loved writing it and love the cover my publisher chose. **From Glowing embershard mine** Im also excited about my recent series Goddesses Anonymous which started with One Mountain Away and was followed by Somewhere Between Luck and Trust, **Book From Glowing embers credit** The third book in the series A River Too Wide came out in July 2014. **Book From Glowing embers credit** Im also putting up my newly edited romance backlist and love re reading and updating them a bit. **From Glowing Embers kindle** Last year my husband and I moved from Virginia to Osprey Florida the state I'm the author of seventy something novels including romance women's fiction and mystery: **From Glowing embershard** When We Were Sisters debuted in June 2016 a stand alone

novel about two foster sisters traveling back into their past together: **Epub From Glowing embers adrift** I loved writing it and love the cover my publisher chose. **Book From Glowing embers restaurant** I'm also excited about my recent series Goddesses Anonymous which started with One Mountain Away and was followed by Somewhere Between Luck and Trust: **From Glowing Embers kindle cloud** The third book in the series A River Too Wide came out in July 2014: **From Glowing Embers Literature fictionmanai** I'm also putting up my newly edited romance backlist and love re reading and updating them a bit: **From Glowing Embers Literature fiction definition** Last year my husband and I moved from Virginia to Osprey Florida the state where both of us were raised met and married. **From Glowing Embers booking** I'm a quilter knitter kayaker and the mother of four children whom I regard as my greatest creative endeavors, **From Glowing Embers Literature fictionmanai last** You can also find me at Twitter and on my Facebook reader page. **Book From Glowing embers credit** {site_link} Former lovers are reunited as a hurricane approaches the island of Oahu: **From Glowing embersed** Once Julianna was plain Julie Ann a girl from the wrong side of the tracks who dared to love the son of the town's most powerful family, **From Glowing embershed** Gray loved her too and married her to give their unborn child a name but sometimes love isn't enough, **Book From Glowing embershard mine** She is successful beautiful and certain that a decade ago he betrayed her but despite their painful past both are helpless to deny a love that never died. **From Glowing embersliving** As secrets are slowly revealed and new and surprising friendships develop with other refugees from the storm the past and present come together in one tumultuous explosion. **From Glowing embershard mine** From Glowing Embers is the first book of a four book series set among four islands in the Pacific, **From Glowing Embers Literature fictionmanai** Smoke Screen Rainbow Fire and Out of the Ashes follow featuring characters introduced here: **Book From Glowing embershard mine** From Glowing Embers (Tales of the Pacific #1) Julianna and Gray estranged spouses meet on a flight to Hawaii where they end up stranded together by a hurricane: **From Glowing Embers pdf reader** The story of their ten-year relationship is told in the present and in flashbacks: **Book From Glowing embers** With the raging hurricane as metaphor for their struggles their enforced togetherness reveals how little they truly understand each other themselves and their emotions, **From Glowing Embers Mystery thrillers books** It's a heartbreaking and heartwarming lesson in moving beyond survival to thriving living fully and loving without reservations. **Mystery Thrillers From Glowing embers restaurant** Literature Fiction Mystery Thrillers Romance A well written book from 'earlier' times. **Kindle From Glowing embers adrift** I enjoyed the tension of the main couple the terror of the storm and the second chance that was on the table. **Book From Glowing embers restaurant** h/H meet ten years later on a flight and we see the heroine react with anger & shock while the hero seems to have been expecting to run into the heroine. **From Glowing Embers booking** Gradually through flashbacks peppered in the book we learn their history how they became friends when h was 18 H 21, **Book From Glowing embers** h came from a terrible home life and worked & studied hard to change her circumstance while the hero came from a wealthy family in town and was in college. **Book From Glowing embers** The H's motive to find her was to get closure & move forward in life with his friend turned fiancée Paige: **From Glowing embershard** Much to the surprise of the heroine they aren't divorced and the hero wants to talk about the past when she doesn't: **From Glowing embersliving** You feel for both the h/H they fell in love when they were too young and had so many obstacles standing in their way, **From Glowing embersilk cloth** I normally don't like when there is another woman in the wings but it didn't bother me here because their marriage hadn't been one in ten years: **Book From Glowing embers** I also thought I wouldn't like Paige but I did; she wasn't in love with H & he with her but they were friends who thought they could have more: **From Glowing Embers booklet** You knew that it was only a matter of time before the hero saw that it wasn't closure that he wanted but a second chance with the heroine, **From Glowing embersed** However the heroine who had been let down her whole life wasn't so ready to allow herself to be hurt again. **From Glowing embershard** I loved seeing these two work through their issues and find their way back again older & wiser: **Literature Fiction From Glowing embershard** Literature Fiction

Mystery Thrillers Romance Good story but a bit slow. **Book From Glowing embershard** Written in the 1990s and it shows - especially the bit about her father-in-law is a bit unbelievable, **From Glowing Embers book** I purchased an anthology with several authors and this book was not even the reason I chose the collection: **EBook From Glowing embers credit** This is book 1 of 4 and I have downloaded the other 3. **From Glowing embershard mine** Having never read Emilie Richards I wasn't sure what to expect, **Kindle From Glowing embers** Julianna and Gray are doomed from the start as a young teen couple with an unexpected pregnancy, **From Glowing Embers Literature fictionmanai** She is white trash and he is the rich boy with a diabolical father: **From Glowing Embers booklet** It's downhill from there and only through some unique circumstances years after they are separated are they able to reconcile: **From Glowing Embers Mystery thrillers** Literature Fiction Mystery Thrillers Romance I have no words to describe how could this was, **From Glowing Embers book** I laughed I had my heartbroken and put together and I cried: **Book From Glowing embers adrift** I cannot wait to read the rest of the books in the series. The Color of Light debuted in August 2015. Will there be ? Well see. The Color of Light debuted in August 2015. Will there be ? We'll see. In the summer we live in Chautauqua New York. And now there are four wonderful grandchildren to spoil. Visit me at my web site emilierichards.com and my blog {site_link} www.emilierichards.com/blog. Ten years later they meet again. Honestly I liked the h/H. The angst in this book is off the charts. I read voraciously and it takes a lot to move me. I cried numerous times reading From Glowing Embers. This story wrenches your heart. I wasn't really sure it could happen. Can't wait to read the rest of the series. This is a sweet story about 1st love and second chance. A definite must read. Literature Fiction Mystery Thrillers Romance.
