

On the Edge of the Etheric By Arthur Findlay **Kindle On the Edge of the etheric energy** He begins by giving a scientific explanation of all the things we cannot see: gamma rays x-rays ultra violet rays infra red rays radio waves micro waves and long radio waves then segways into the spirit world and the deceased who are alive in spirit but not visible to the human eye. **On the Edge of the ethericum** He goes into great detail describing how séances were conducted that he attended on a regular basis for many years and how being a skeptic he tried for years to determine if any tricks or illusions were being used. **Epub on the edge of the etheric epub** Findlay describes John Sloan as a completely honest humble man who never took any money for these sessions but realized how valuable they were to people who had lost a loved one and were seeking answers. **On the Edge of the Etheric ebooks free** 0947823050 I need more stars!!! This was 100% my cup of tea!! Despite this book being published in the 30's and written as a scientific study it was easy enough to read. **On the edge of the etheric text** Arthur Findlays work has the potential to impact humanity in an extraordinary way if only people embraced this type of research with an open mind and carried out their own study into proof of life after death. **On the Edge of the Etheric kindle cloud** This book along with the French revelation are 2 books I would want with me if ever deserted on an island!!! 0947823050 This book was published in 1931 so I was impressed at Findlay's grasp of concepts which are being advanced by quantum physics today. **On the Edge of the Etheric kindle cloud** Findlay was a well-respected man who wrote a massive scholarly 2200 page book called The Curse of Ignorance and therefore knows how to conduct research on a penetrating and revealing level,

## On the Edge of the Etheric kindle paperwhite

Arthur Findlay MBE JP (1883 July 1964) was a writer accountant stockbroker and Essex magistrate as well as a significant figure in the history of the religion of Spiritualism: **Epub on the edge of the etheric free** It wasn't earth-shattering for me since I already had full faith in afterlife so the majority of the book the presentation of Findlay's experiences was a bit dull to me, **On the edge of the etheric epub download** 0947823050 Arthur Findlay who was quite a scholar and historian in his day published this book back in 1931. **On the edge of the ethericw book** It is largely based on a series of group séances he attended with medium John Campbell Sloan, **On the Edge of the Etheric epubs** Even though this book is over 80 years old I found it fascinating and learned a great deal about life after death. **Epub on the edge of the etheric epub** The first part of the book deals with the science of mind and matter, **Epub on the edge of the etheric pdf** The middle of the book describes Findlay's introduction to Spiritualism (he was a skeptic initially) and his experiences with mediums, **Epub on the edge of the etheric epub** The last part of the book deals with cases of evidential mediumship and his particular study of John C: **Epub on the edge of the etheric pdf** 0947823050 If you have ever wondered what will happen after you die then this is the book to get, **What is the etheric template** Anyone skeptical of the idea should read it because the author presents the most compelling evidence that you will ever find: **On the Edge of the Etheric pdf drive** On the Edge of the Etheric is a lively and entertaining read containing many true cases. **Epub on the edge of the etheric pdf** The author presents the evidence in a way that shows how fraud trickery or coincidence could not possibly explain it -- leaving you with the reality of the phenomena: **Kindle On the Edge of the etheric** The book opens with over 70 praiseworthy quotes and reviews from the English press attesting to the skill of the author in bringing you this powerful evidence. **On the Edge of the Etheric pdf drive** This book may not prove conclusively beyond the shadow of a doubt that an afterlife exists because it cannot take you there and bring you back: **On the edge of the etherics song** Recommended for every serious researcher believer or open-minded skeptic.

Note this book was originally published in 1931. The last two chapters are the best imho. (Not the conclusion). Sloan. It contains specific detailed evidence of life after death. Short of this however it makes the idea highly probable. On the Edge of the Etheric.
