The past two days I was agitated and realized it was because I was SO annoyed at one of the character's actions -- she KNOWS better! WTF? etc. **Juste une mauvaise actionwood** as in disappointment at the actions of people who aren;t real (because clearly they ARE real to me if their actions disappoint or annoy me - - does that make sense to ANYone? not really to me!)As always needed the dictionary. **Juste une mauvaise action Mystery thrillers** But it felt a bit like she exhausted herself on the plot and resolution so she was at a point of not being sure how to wrap it up and she thought well I will just do THIS. **Juste une mauvaise actionxi** She's the visual equivalent of a three-car pile-up; socially inept (and unrepentant about it) stubborn coarse and cursed with the inability to think beyond the moment she's in or the emotion she's feeling. **Juste une mauvaise actionworks** Everyone in fact with the sole exceptions of Lynley and his Italian counterpart is at his or her worst in this story - lying cheating sniping undercutting colluding and abetting the darkest and dumbest behavior from each other all and sundry. **Juste une mauvaise actionyu** Her character has been well established over the previous seventeen books; we know who she is how she thinks and feels and acts (and yes how she looks--we get it she's a slob). **Juste une mauvaise actionwood** I kept muttering Oh BS-- Havers would never do that! Or that or that! She knows better! Yes she cares deeply about a man but she's also not a total moron which is how she acts all through this. **Juste une mauvaise actionzone indoor** Plus it's one thing to suggest that she doesn't pay much attention to minor work rules but it's another thing altogether for her to suddenly start running around like someone out of a Hollywood cop-gone-bad movie without so much as a thought to throwing over every professional/ethical standard she's ever had in her life. **Mystery Thrillers Juste une mauvaise action** Worse while dozens of pages are spent on details of Italian scenery food and minor characters at the actual end of the book the major plot elements (like Havers' fate) are settled in less than ten. **Book Juste une mauvaise action 2017** In one four-page section there are no fewer than seven references to the fig bars the scummy private detective eats while trying to figure something out but in the end do we ever find out what actually happens to him? No. **Juste une mauvaise action Mystery thrillers fillers** But I'm just hoping to join in the conversation here and say What the hell happened? As I was reading Elizabeth George's newest tome Just One Evil Act I found myself wanting to not only converse with her but possibly shout at her too. **Book Juste une mauvaise action 2020** I've been a loyal George fan through the years buying every one of her novels in hardcover (and occasionally as digital books too when a book is too heavy to take on a trip and I want to finish it on vacation). **PDF Juste une mauvaise action 2017** The Italian setting should have been a point in its favor but instead George ladles out so many unnecessary details about the Italian setting and sprinkles so many (untranslated) Italian phrases throughout the novel that frankly it reads like a research paper and not a very interesting one at that. **Mystery Thrillers Juste une mauvaise action 2020** French (may contain spoilers)I listen to books on CD almost exclusively now due to medical reasons and I kept on yelling at the player (in my car or at home listened to book on both as it was a l-o-n-g drawn-out book) Are you kidding me? The actions of Barbara Havers were so out of character (readers know what to expect from Barbara her personality and character built up over many many books) and this was such an antithesis of her. **Juste une mauvaise action ebooks online** I wanted to grab a hold of an effigy of Elizabeth George and shake it senseless! I know she annoyed many many faithful readers with the murder of Helen two(?) books ago but she is now winnowing down the remainder of her followers with this absolutely rubbish latest way-too-wordy novel. **Juste une mauvaise action ebook** And can we say she is forcing

Deirdre down our throats much? I have no patience for this Lynley-Deirdre romance they are completely unsuited and chalk and cheese and share NO common ground. **Juste une mauvaise actionbooks** What is the attraction for Lynley? The mind boggles? What happened to Simon and Deborah this time out? A fleeting mention in a totally obnoxious scene with a cat??? And since Lynley goes back to double check Simon's findings at the lab I guess Simon isn't much help after all. **Juste une mauvaise action kindle app** Huh? Then the endless Italian phrasing and conversations and endless descriptions of settings and clothing and people was all so unnecessary (unless Elizabeth George is now being paid for by the word). **Juste une mauvaise actionny** Elizabeth George is a damn good storyteller but she has got to get a life or more precisely let her characters get a life!! I wonder if she has fallen into the same trap as Peter Robinson. **Book Juste une mauvaise action 2017** He appears to be using his creation detective Alan Banks to live out a middle-aged male fantasy as Banks is a man who can always always get beautiful much younger women to fall into bed with him. **Juste une mauvaise actionwise** Havers in the early novels was saddled with her solitary life spent caring for her senile mother and now she has to suffer from unrequited love the return of her love's beautiful common-law wife the abduction of his child the scorn of her superior officers the risk of losing her job and the few friends she really cares about. **Juste une mauvaise actionwp** There were only so many times I could go through the Azhar's in trouble! Only Barbara can help him! Of course Barbara can only help him by doing something unethical/terribly stupid! Quick call the tabloids! Now :

boss still insists on non-involvement; her superiors believe this is a matter for the Italian authorities to pursue: **Mystery Thrillers Juste une mauvaise action** Anxious for progress and out of options Barbara resorts to the tabloids - moving to extort the police through public shaming to allow her to investigate, **Book Juste une mauvaise action 2020** How she remains employed is the central mystery here for me but she does and continues to be through a painfully escalating series of stupid choices missteps and professional gaffes: **Book Juste une mauvaise action 2021** It's a miserable tale filled to the brim with remarkably ridiculous people, **EBook Juste une mauvaise action research** By miles it's the worst in the series--which I really liked very much (up to this point): **Juste une mauvaise action kindle book** I'm getting a really strong feeling that George is tired of this series: **PDF Juste une mauvaise action 2017** She departed from it almost completely a couple of books ago to tell the story of a hapless killer (only connected because his random victim was part of the series). **Book Juste une mauvaise action de grace** Here she spends hundreds of pages creating and building up new unrelated characters in Italy. **Juste une mauvaise action lyrics** Anything seems to be preferable to continuing with the characters she's already set up, **Juste une mauvaise action books** My biggest problem was with Havers' complete (and completely out-of-character) insanity: **Juste une mauvaise action mailer** Aside from doubling down on the slob element nothing Havers actually does in this book made any sense: **Book Juste une mauvaise action 2021** Tipping off and then working with a tabloid sleazeball reporter? Thinking she can handle or control him? Please: **Book Juste une mauvaise action logement** There needs to be a reason some reason any reason why she goes so thoroughly off the rails, **Juste une mauvaise action kindle unlimited** Several people have also commented on the apparent lack of editing and it's sadly true at both the structural and minor levels, **Juste une mauvaise action works** Minor: Havers is described repeatedly as a slob but at one point George throws her a bone as someone notes her lovely white teeth, **Mystery Thrillers Juste une mauvaise action 2019** Uh what? The woman's a human chimney and nicotine famously stains teeth (as does tea one of the few essential elements of her diet). **Book Juste une mauvaise action de grace** Structural: The kidnapping story takes the first 350 pages of the book more or less and it could/should have been half that. **Juste une mauvaise action lyrics** Havers' professional butt is saved for no apparent reason in two different ways by two different people one of whom has less than no reason to do so: **Juste une mauvaise action Mystery thrillers fillers** It's a microcosm of the book really: Tons of unnecessary detail crowding out the actual story: **EBook Juste une mauvaise action publique** George is a genuinely talented writer and I've enjoyed her work for so long which makes this even more disappointing: **Juste une mauvaise actionz meaning** French Since I'm a writer I hate posting negative reviews almost as much as I hate receiving them: **Juste une mauvaise action zone rental** Lynley passes through the novel like a sleepwalker Havers can't stop herself from staining her clothes and I frankly couldn't buy into the weak plot line, **Book Juste une mauvaise action book** How can you do this to me? I hissed in frustration as my husband came upstairs to bed. **Juste une mauvaise action lyrics** I jabbed a finger at the author photo of Elizabeth George: **Juste une mauvaise action books** The book was so heavy I had to hold it on my lap on a pillow. **Juste une mauvaise action yu** I don't even care what happens to any of these people anymore: **Juste une mauvaise action zone rental** I'm just bored! If you're a hard core George fan and feel you must read this do yourself a favor and get it from the library: **Book Juste une mauvaise action book** and each decision she made was so ridiculous and egregious (warranting immediate firing in my opinion), **Juste une mauvaise action works** for example Barbara mentions Bathsheba being a mirror image of her twin sister with all physical traits (e, **Juste une mauvaise action booklet** mole) being on complete opposite side whereas Salvatore the Italian detective says there is no difference between them when he sees Bathsheba and compares to her sister: **Juste une mauvaise actionz meaning** How this book was wrapped up made no sense and was completely beyond the lines of believability, **Book Juste une mauvaise action en francais** Good thing I got this from my library because I would have been very angry had I purchased outright, **Juste une mauvaise action works** And while I agree with some folks who have (spoiler) mentioned good riddance to Azhar and Haddiyah and don't let the door hit

you on the way out: **Book Juste une mauvaise action book** French You really wish that the authors of some of these books would read the reviews here, **Mystery Thrillers Juste une mauvaise action 2019** Many many reviewers had the same feelings I did about this bloody series, **Juste une mauvaise action ebook reader** George on the other hand seems to be in love with her creation Inspector Lynley and refuses to let him have a happy relationship: **Mystery Thrillers Juste une mauvaise action cast** First she kills off his beautiful pregnant wife then she allows him a dalliance with his boss a mean alcoholic bitch, **Book Juste une mauvaise action 2019** Now he spends most of this tale chasing after a roller-derby (really?And he is an Earl?)loving professor who doesn't seem to want him. **Juste une mauvaise action**yu But if that weren't enough the author can never cut the valiant Barbara Havers Lynley's sidekick a break, **Juste une mauvaise action Mystery thrillers** French How to tell when a mystery writer has been working on the same characters for too long:1. **Juste une mauvaise action**y She forgets to murder anyone until the book is more than halfway done2, **Juste une mauvaise action books** She invents new and horrible ways to torture old familiar much-loved characters3: **Book Juste une mauvaise action book** She inserts random italian phrases in to the text without translation requiring the use of a translation dictionary to understand what is going on. **Book Juste une mauvaise action 2017** I used to love this series but it is well and truly done. **Juste une mauvaise action elizabeth george** I love Elizabeth George but this 700+ page tale needed a stronger editor, **Book Juste une mauvaise action 2020** what will Lynley/Ardry/Salvatore/people in power do? cycle before wanting to scream when the whole cycle repeated itself again , **Juste une mauvaise action**wp Plus there was none of George's characteristic list of interesting suspects with lots of secrets to uncover: **Book Juste une mauvaise action 2017** Digging into her suspect's lives is one of my favorite parts!However here the suspect list was so small it was obvious where the guilt was going to fall: **Book Juste une mauvaise action 2021** And the person upon whom it fell was boring! George gave us no insight into his thoughts/family/secrets at all: **Juste une mauvaise action**zero He had the weakest motive that I think George has ever given one of her criminals . **Juste une mauvaise action**men or it just seemed terribly weak because she gave us no background for why he felt the way he did: **Juste une mauvaise action**zone rental Basically the mystery took a backseat to Havers' panic and blatant foolishness over her love/friendship with Azhar and Hadiyyah. **Juste une mauvaise action**max And while I can take some of that and have always found their relationship interesting - it wasn't interesting enough to support a repetitive 700+ pages, **Kindle Juste une mauvaise action de grace** Plus the sacrifice that Barbara was supposedly making with all of her terrible decisions never came to pass, **Juste une mauvaise action pdf reader** What good is a sacrifice if you don't actually sacrifice anything and get off scott free? She needed at least a bit of a comeuppance: **Juste une mauvaise action**max I did enjoy the addition of Salvatore Lo Bianco the Italian inspettore: **Book Juste une mauvaise action logement** I do want to know what will happen to Barbara and Lynley next . **Juste une mauvaise action ebooks online** will their relationship survive this? Will we see Azhar and Haddiyah again?I'll probably never give up on George's Lynley series. **Juste une mauvaise action**max I just felt that this chapter in the series was bloated with too much circuitous plotting and too few interesting characters. C'est là que Lynley intervient. {site_link} See this thread for information. {site_link} See this thread for information. James. Lynley is at a roller derby match. UPDATE 11/20/13 .This is a magnificent novel perhaps EG's best ever. Brilliant persistent mistake prone - she dominates the book. On p. Elizabeth (if you're reading this) . French Sigh.I used to love this series. Note to Elizabeth George and her people: GET A GRIP. And the Italian was both pompous and distracting. I for one plan to stop contributing. French OK to start with I am a HUGE fan of EG.frequently wished I was familiar with Italian in this one. God I sound weird. French Poor Detective Sergeant Barbara Havers.Lynley's partner is a character created to elicit a wince. And to make matters worse she's fallen in love. Apparently the child disappeared from a marketplace in Italy. Poor Detective Sergeant Barbara Havers. Just one evil act indeed. French What an infuriating book. Nope not buying any of it. Makes no sense. Why? No idea; there's no explanation nothing. This lack of balance is a problem throughout. Blurgh. This is so far below her usual standard. Sadly this

book did not deliver. In fact it made me furious. I ended up skimming about a hundred pages. What? he asked baffled. I told you I'd do the dishes and I did. I scowled at him. Not you. Her. Save your money for something better. another key characterization gone south.Errors abound.g. I fear we aren't done with them quite so easily. Ugh. And still she doesn't get the guy!!!!Whatever.I do not think I am going to read her again. Enough already.Additionally this book is really really really really long. French Much too long for the story it told. . . and again . . and again.Seriously this was the continuous looping plot of the book. . I'd be willing to revisit him in a future book.I also thought the ending was quite affecting. . I am invested in these characters.*language occasional sexual references occasional violence French.
