

Babyfied: 3 Age Regression Tales By Susan Donym **Babyfied epub** air Susan Donym Wow that was quite funny actually This book contains 3 stories and they are quite funny They are all different but all are very funny as long as you have an open mind Susan Donym

Babyfied kindle app

If you've been wronged and you're seeking revenge visit Madame Ziro's magic shop and ask about her age regression curses, **Babyfied ebookers** Did your husband cheat on you? Madame Ziro will change him into a baby in a diaper, **Babyfied kindle store** Is your wife plotting against you? Madame Ziro can transform her into a helpless crying little girl, **Babyfied bookkeeping** For an extra fee Madame Ziro will even send your enemies all the way back to the womb. **Babyfied sunglasses** In Susan Donym's new collection of dark age regression stories we meet three people who commit very grown-up sins: **EPub babyfied** and pay the ultimate price by losing their adulthoods and starting over as children. **PDF babyfied** (Age regression short story collection approximately 10250 words: **Babyfied kindle**) Babyfied: 3 Age Regression Tales The first story was decent and what you would expect: a man is turned into an infant by his wife. **Babyfier lilo and stitch** The second story a hot woman is turned into the chubby little girl she used to be which was basically a reread of another of the author's stories: **Babyfied ebookers** The third was really really short so while it says 3 tales it's mostly 2 unless you count the framing device as another story. **Baby fedora** You can pretty much read this in 45-60 minutes so you could polish it off during a lunch break. The writing is OK though the formatting isn't great
