Leigh Montville is a highly respected sportswriter columnist and author: **EBook The Mysterious montague county** He lives in Massachusetts and is an ardent supporter of the Boston Red Sox: **EBook The Mysterious montague** John Montague as Moore was better known was a trick shot artist who could chip a ball into a highball glass or under the sash of a partially-opened window across the room, **Book The Mysterious montague county** Most famously he once beat Bing Crosby while playing only with a rake a shovel and a baseball bat, **Book The Mysterious montague county** It was why he never allowed himself to be photographed and reputedly why he never entered any professional events, **PDF The Mysterious montague mi** When that secret was revealed it led to a sensational trial in upstate New York that turned into a celebrity-laden media fest: **EBook The Mysterious montague county** The trial and its aftermath is an interesting window into the media world of the time: **EBook The Mysterious montague county** Montville entertains the reader with tales of Montague's prowess although it's obvious many of them grew to legendary status mainly through the re-telling such feats engender. **EPub The Mysterious montague ca** He also gives us a good look at the celebrities who flocked to Montague's cause, **Book The Mysterious montague county** Fields Howard Hughes Babe Didrickson Zaharias and many more were tied to Montague one way or another. **The Mysterious Montague ebook** The end of the book which chronicles Montague's late-in-life attempt to break into the ranks of professional tournament golf may be of the greatest interest to players of the game: **Book The Mysterious montague county** The Mysterious Montague: A True Tale of Hollywood Golf and Armed Robbery An interesting biography of a non-conventional golfer, **EPub The Mysterious montague gardens** The Mysterious Montague: A True Tale of Hollywood Golf and Armed Robbery This book was written I am assuming for more a curiosity than anything, **Book The Mysterious montague county** The legend continues or more correctly a story is told of a person most had never heard of in current generations anyway: **The Mysterious Montague kindle unlimited** One thing I particularly found curious is that the picture of Montague on the cover looks a lot like Jackie Gleason in golf pose, **PDF The Mysterious montague** The mystery of a man who appears from nowhere to befriend himself to early show biz folks of Hollywood, **Book The Mysterious montague county** His entry is made through his sensationalized golfing feats or tricks Golf and Armed Robbery Well-written story of a fascinating and unknown person, **Book The Mysterious montague gardens** He is eventually identified as one of the restaurant bandits is extradited back to Syracuse and beats the rap: **EBook The Mysterious montague mi** Sadly his golf game craps out on him as he tries take advantage of his new found fame and finds he has to play better golfers than Bing Crosby: **EBook The Mysterious montague county** Really fun history of this strange person a golfing legend who maybe was all legend filled with other stories of Hollywood celebrities who knew him. **The Mysterious Montague ebooks online** The writing at times goes off kilter though and there are even times when the author is seemingly stretching for intrigue with this admittedly quite brief charter of history: **Book The Mysterious montague county** About halfway through I realized I didn't really care about this Mysterious Montague or how good he was at trick golf shots. **Book The Mysterious montague county** He's a criminal who used his celebrity and skill to attempt to thwart justice. **The Mysterious Montague ebooks online** And one can only read about trick golf shots so many times: **PDF The Mysterious montague mi** The Mysterious Montague: A True Tale of Hollywood Golf and Armed Robbery Mysterious is a good title because the subject is still a mystery at the end of the book, **EBook The Mysterious montague mi** Some of this reads like a bad Hollywood movie but the book indicates it is a true story: **EBook The Mysterious montague mi**

You can tell the writer while making a generally readable and interesting book is a sports writer:  
**The Mysterious Montague ebook3000** There are periods when the book drags as golf score after golf score is listed. **EPub The Mysterious montague ca** I have a passing interest in golf but it did seem to go on a bit more than my interest could endure. **The Mysterious Montague pdf converter** Some of the story was engrossing while other parts dragged a bit: **The Mysterious Montague kindle unlimited** But at the end I felt I still did not know the person I had just read about though I knew a lot about what he had done. He is a graduate of the University of Connecticut. Montague is married to Diane Foster and has two children. Montague had a secret though. Babe Ruth Bing Crosby Oliver Hardy W.C. Sportswriter Grantland Rice was his biggest fan. Was he ever really that good a golfer? Probably not. Dies in obscurity. The End. Fun
