

Justice for Laine (Badge of Honor: Texas Heroes, #4) By Susan Stoker **Book Justice for lainez** I hope we get a bit more of this couple as future books are written as we haven't really had much of Wes till now and I do feel they should be included as a part of the group. **Justice for Laine ebooks online** Justice for Laine (Badge of Honor: Texas Heroes #4) I've loved the other books in this series a lot and I'm reading them in order so when I reached this one I knew beforehand that this addition was a novella instead of a full-length book! I normally tend to skip novellas if they're not necessary to read but because I'm loving this series I decided to give it a read! This novella was a quick read and only took me one sitting to read! I really enjoyed it and it was a good hot addition to the series! There also wasn't a lot of action and suspense in this book like there was in the other books which didn't surprise me too much because there was no mention of any in the synopsis! There was a tense situation though and it did have a big impact on the plot! I loved the direction that the author took it in! This novella was also very sweet and it made me smile and I loved what happened in it! There were some hot scenes in it too! The characters were also amazing and made this novella even better! Laine was the main female character and I'm pretty sure that she made appearances in the first book in this series! I can't 100% remember if she did but she was best friends with the main female character from the first book so I'm sure she made appearances in it! In this novella Laine met 'the one' when she least expected to and it was kind of fate in a way lol! They made quite a couple though! Laine was also very easy for me to connect with and she was very down to earth and relatable! I just loved her and my heart went out to her for what she went through in this book! Westin was the main male character and love interest of Laine! If I remember correctly Westin had been spoken about in the other books in this series so I recognised his name after I read the synopsis! I loved Westin a lot in this book! He was seriously hot! He was also straightforward and he didn't mince his words! He worked hard too and was such an amazing guy! I also loved the way Westin was with Laine too! He was very protective of her and it was easy to see his feelings for her develop into love! I loved that this novella was written from both Laine and Westin's point of views! I was hoping that it was going to be because the first three books in this series have been written from dual point of view so I'm really happy that this novella was too! It helped me connect and understand both characters more and it allowed for more things to happen in the plot too! This novella was also written in third person like the rest of this series has been! I always feel like I should mention this because I'm starting to love books being written in third person and it's all because of this author's books lol! I also can't wait to read the next book in this series! I'm reading this series in order so I've already checked out the next book and I'm really excited about it after reading the synopsis! I can't wait to finally read a fire-fighter book too! I also love the cover for this novella! It suits the novella perfectly and you realise how well it does after you read the novella! The model on the front is the perfect Westin and I also love that you can't really see his face! Again this makes sense after you read the novella lol! Justice for Laine (Badge of Honor: Texas Heroes #4) Let me explain to ya'll why I love Susan Stoker and her books. **Justice for lainea** You know how sometimes you tend to skip pages of a book because the story-line isn't as fast-paced as you might be accustomed to? I do that for A LOT of the books I read. **EPub Justice for laine hardy** Though different being in the sense that Laine mainly needs rescuing from herself and the predicament she lands herself in Susan has once again caught my attention with the latest Badge of Honor book. **Justice for Laine booker** Justice for Laine (Badge of Honor: Texas Heroes #4) I read Wes & Laine's in the Cowboy Justice anthology & it was really really good! I love the instant chemistry and there's no dancing around w/ these two - they're mature they know what they want and they go after it. **Suspense Justice for laine hardy** LOVE their story lots! : ) Justice for Laine (Badge of Honor: Texas Heroes #4)

Just when you think Miss Stoker's books can't get any more exciting and suspenseful she does it again with Wes and Laine's story of love at first sight . Justice for Laine (Badge of Honor: Texas Heroes #4) A bit shorter than the other books in this series as it is a novella but definitely worth reading: **Book Justice for Laine Gossip** The events that unfold are a bit scary and intense how Laine deals with what happens is amazing I know I would completely freak out: **Suspense Justice for Laine Hardy** Great read and being a shorter story easy to fit in a small time frame: **Justice for Laine** it doesn't mean that I love the book any less it means that I wish the story-line had been more upbeat, **Book Justice for Laine Wilson** Still I always give the best reviews because what I did read? I loved, **Justice for Laine Suspense Thriller** I've read her entire SEAL series I'm anxiously waiting for the next Delta release and I've got her Badge of Honor series on the go. **Justice for Laine Books** She keeps you totally intrigued and wanting to devour each and every word, **Book Justice for Laine** Though a novella I was not left disappointed and wanting to read more about Laine and Wes: **Book Justice for Laine** And the suspense in the story is something new & fresh & still intense, **Book Justice for Laine King** She's married to a retired Army man who now gets to follow her around the country. **Suspense Justice for Laine Hardy** She's married to a retired Army man who now gets to follow her around the country: **Book Justice for Laine Gossip** com/susan\_stokerBookbub: [{site\\_link}](#) : [{site\\_link}](#) all upcoming books click here: [{site\\_link}](#) [{site\\_link}](#) \*\*This is the SAME novella that is in the Cowboy Justice 12-pack anthology. **Justice for Laine eBook free download** So if you have purchased that book there is no need to get this one as well. **Book Justice for Laine Gossip** unless you WANT this beautiful cover with Wes as a visual or want it as a standalone in your collection, **Justice for Laine Kindle Reader** feel free! :) Justice for Laine (Badge of Honor: Texas Heroes #4) Short and soooo sweet, **Justice for Laine Kindle Fire** I have a toothache! This novella oozed the cheese and was just too sugary sweet, **Book Justice for Laine King** The hero and heroine were just too perfect relationship was too perfect and even the drama managed to pull in a homeless dog to add to the cheese factor, **Book Justice for Laine** Justice for Laine (Badge of Honor: Texas Heroes #4) This was a shorter read but a good one, **Book Justice for Laine Gossip** I loved Wes and him being a cowboy and Texas ranger worked too!! Justice for Laine (Badge of Honor: Texas Heroes #4) Susan Stoker doesn't disappoint. **EBook Justice for Laine** Great story no cheating not even a mention of ow/om hot Texas Ranger and a sweet h, **EBook Justice for Laine** Plus some of the characters from other stories were mentioned . **Book Justice for Laine** Unfortunately no epilogue but it's a part of

a series so I hope to get more. **Justice for Laine book summary** I'm not going to spoil the book but let's just say it takes off from the first word and it's a wild ride to the end destination .

**Contemporary Justice for laine** I have enjoyed all books in the series I can hardly wait for the next installment . **Justice for laine** If you haven't read Ms Stoker ... What are you waiting for?!? Justice for Laine (Badge of Honor: Texas Heroes #4) Susan Stoker NEVER disappoints me:

**Suspense Justice for laine hardy** I have had a bad run of books lately and I needed something to break the funk, **Justice for Laine epub online** This was the only Stoker book I hadn't read so I dove in knowing that if anyone could break my bad book streak it was her: **Book Justice for laine** Even though this is a short novella it was everything I love about her writing: **Kindle Justice for laine** Hot guys who aren't afraid to admit their feelings smart educated women and just enough danger to keep it extra interesting[1]

Muito top. ☺☺O livro em si e muito fofo e bom muito hot.Cowboy e Policial em um só. Senhor!! Tenha piedade da minha alma. ☺☺Tudo foi delicado e muito bem desenvolvido. Amei os personagens e a história. Mas o cachorro essa foi minha parte favorita. ☺☺Super recomendo. I recommend this book.Boa leitura! Good Reading. I loved the instant attraction between Laine and Wes. I do go back and read what I've skipped. eventually. Here's why I love Susan's books. Out of all those books not one page have I skipped. It was the same with JFL. They got their happy ever after. Thank you Susan for the AMAZING books you write.Follow SUSAN: Facebook: {site\_link} [www.facebook.com/authorsstoker](http://www.facebook.com/authorsstoker) {site\_link} [www.facebook.com/authorsusanstoker](http://www.facebook.com/authorsusanstoker)Instagram: {site\_link} [www.instagram.com/authorsusanstoker](http://www.instagram.com/authorsusanstoker)Twitter: {site\_link} [www.twitter.com/authorsusanstoker](http://www.twitter.com/authorsusanstoker)Follow SUSAN: Facebook: {site\_link} [www.facebook.com/authorsstoker](http://www.facebook.com/authorsstoker) {site\_link} [www.facebook.com/authorsusanstoker](http://www.facebook.com/authorsusanstoker)Instagram: {site\_link} [www.instagram.com/authorsusanstoker](http://www.instagram.com/authorsusanstoker)Twitter: {site\_link} [www.twitter.com/authorsusanstoker](http://www.twitter.com/authorsusanstoker) in that case. Sometimes you need a read like that but be prepared. Love her alphas so much. This was a great addition to her series. Way too short though especially for \$2.99. I automatically preorder this author. Justice for Laine (Badge of Honor: Texas Heroes #4).
