published author . **Author Your successpictures** Author Your Success: How To Stop Procrastinating Write Your First Book Become A Published Author in 120 Days

. All you need to do it commit to your book. I finished my first book this year back in April. It has a great chapter about mind mapping your book. Is doesn't appeal to me. The chapter structure is impeccable. This is an honest review.It is not a long book and can be read rather quickly. The author expressly asked for honest feedback. It succeeds on those points. I appreciated the referenced resources. It has an encouraging motivational quality
