Initially Bill is horrified; despite his sissy proclivities he's always thought of himself as a heterosexual man and he's got too much pride to sharing his woman—or his rectum—with strange guys. As usual his mistress is one step ahead of him; she reveals that she's invited three hot musclebound hunks over for a ménage in just a few hours! Before evening's end Bill's wearing a slutty schoolgirl outfit getting introduced to double penetration by two burly men while his wife and mistress rides another hot stud just a few feet away! Married: Based in New York City she loves to entertain and titillate with sensual tales that push boundaries and shatter taboos: Based in New York City she loves to entertain and titillate with sensual tales that push boundaries and shatter taboos, The sense of strain had become downright pleasant and it was accompanied by a hot glowy feeling at my core: It was a bit like what I felt when my wife had whipped me nearly to the point of orgasm but it was deeper somehow and more intense. The anal stimulation in particular added a new flavor; each time Leon drove his massive rod into me he lit up an erogenous zone I wasn't aware I even possessed. In my erotic delirium I'd nearly forgotten she was there just feet away from me while the two burly hunks stuffed me from both ends: I turned my head to find my wife and mistress writhing on the bed with her new lover hunched over her pistoning in and out of her pussy at lightning speed. In public Bill and Marlene Smith act like a perfectly normal married couple. As soon as the front door closes behind them Bill transforms into a simpering sissy and Marlene becomes his harsh domineering mistress: Wearing sexy dresses wigs underwear and makeup he submits to his wife's every desire—and gets whipped when he fails to execute her orders to the letter, One day at brunch Marlene brings up the possibility of inviting new men into their bedroom: But once she's planted the idea in his head he can't stop thinking about what it would feel like to take big dicks in the mouth and ass for the very first time. Finally after Marlene catches her husband pleasuring himself without permission he cops to his budding homosexual desires: to My Mistress!
