Love Connection the perfect read for fans of Sliding Doors iBooksBarned NobleGoogle PlayKobo This is a romantic comedy about one woman life's infinite possibilities and the destiny that lies beyond two opposite choices 9781537364216 Source I received a digital copy of this book for free on a read to review basis Thanks to author Camilla Isley "Jake" I inhale deeply "When I discovered you were getting married my world collapsed" This was an adult contemporary romance novel following one woman as her life went in two different directions Gemma was an okay character and it was clear how deep her feelings were for Jake It was also nice how much she cared about her friend that she'd sacrifice her own happiness to help her The storyline in this followed Gemma as her life went down two different paths after one life altering situation In one life she went and stopped her ex's wedding and told him how she felt and in the other she went to her friend's wedding instead It was enjoyable to see these two different futures unfold and I liked the mystery of who Gemma would end up with in the end and whether the two futures would somehow merge The ending to this was pretty happy and I was satisfied with the way things ended 65 out of 10 9781537364216 Release Date October 8 2016 Genre Chick Lit Women's Fiction 5 Pretty Little Stars WOAHA This is one of the most unique books that I have read in a long time Camilla Isley has outdone herself with this novel and I couldn't be pleased with how it all turned out What do you do when you have to make a decision? This is the essential plot of this book One woman Two life choices Each with different endings So what would she choose and what happens when she gets there? This book is AMAZING I was a bit concerned at first thinking that the plot would be confusing as every other chapter features one of the life choices and the next chapter the other But this was NOT confusing at all Perhaps its because it is so well written that we can easily follow along or maybe its because we need to ALSO CHOOSE which path would be better suited Either way it's not a confusing story rather one that is so interesting that you will be hooked Anyway I have now read a few of Camilla Isley's novels and I have to say that each and every time I have been impressed Now I can't wait to see what the second book in the series is like I am so excited Highly recommended 9781537364216 Full review on www.novelgossip.com This book caught my attention as I think we've all wondered how our lives could have turned out completely differently had we made other choices and in Love Connection you get to see how Gemma's life could be by making both choices and seeing her two very unlike lives side by side She can either attend her best friend's wedding as the maid of honor or crash her ex's wedding and reveal her true feelings Which choice does she really make? And will the outcome really change much or is fate guiding her to the same place either way? Gemma is such a fun character In fact all of the characters here are loads of fun Besides Gemma you have her best friend Amelia The two are quite the pair and they have a deep friendship full of humor and true understanding Several of their scenes made me giggle and after finishing such a heavy novel a bit of lighthearted fun was exactly what I needed Jake is Gemma's ex and the one that got away He's moved on and is getting married on the same day as Amelia hence Gemma's huge decision Lastly there is Richard who is the new man in Gemma's life He is utterly charming and quite the catch but Gemma can't quite seem to completely let go of her past and embrace her future It was really fun and interesting to read this one Every chapter alternates between both choices; one chapter with Gemma heading to Amelia's wedding and the other to Jake's I was dying to see how it would all end and I was not disappointed although I'm rather eager for book two in the series now Filled with witty banter humor and heart Love Connection is a delightful read that will make you feel good and leave you with a smile on your face In fact I smiled most of the way through this book and still am 9781537364216 This was an okay novel The concept is unique I can definitely give it that Having two parallel running story lines with the same characters but different choices intrigued me a lot at first That is until I noticed the author keep going back to the same things in both storylines Although I do get the why it got on my nerves she sometimes uses the exact same descriptions and dialogues in both story lines The other issue I had was conversations

sometimes feeling very forced and the main character having the tendency to have a childish whine moment once in a while. It was a cute read but it wasn't really anything special to me. 3.5
 9781537364216 Have you ever wondered what might have been? Gemma Dawson is at the airport staring at two plane tickets to two different cities. Two different weddings. Two possible futures. Now her life is about to go down two parallel tracks—will Gemma fly toward a life with her first love or a future with a man she's not even met yet? Love Connection is a feel good Romantic Comedy about one woman life's infinite possibilities and the destiny that lies beyond two different choices. Love Connection

Camilla is an engineer turned writer after she quit her job to follow her husband on an adventure abroad. She's a cat lover, coffee addict, and shoe hoarder. Besides writing, she loves reading, cooking, watching bad TV, and going to the movies. Popcorn, please! She's a bit of a foodie, nothing too serious. A keen traveler, Camilla knows mosquitoes play a role in the ecosystem, and she doesn't. Audiobook Review: I received Love Connection in a giveaway and found it to be a fun romantic comedy that makes you wonder about the choices you would make to find happiness. The story deals with Gemma Dawson, who is an attorney from London. She sits at a Chicago airport bar holding two tickets while contemplating if she should fly to her best friend's wedding as the maid of honor or crash her ex-boyfriend's wedding in California. After a few drinks, she eavesdrops on another heartbroken woman who happens to be a flight attendant. She discovers that her best friend's fiancé has been carrying an affair with this woman for over a year. The other alternative is that she's never forgotten Jake, the love of her life and soulmate, and needs to confess all to him before it's too late. Thus begins the "What If" and the vignettes on each path that she chooses to get to her HEA. The audiobook of Love Connection by Camilla Isley flowed nicely into a well-written romance that had very entertaining characters, comical moments, and serious dialogues between Gemma and those around her. It was light-hearted and a bit of a short novella on the "What If." The only drawback to this listen was the narration. I did not feel that the choice of narrator suited this story. The voice was a bit dry and did not punctuate the exclamatory parts in the story. The parts that should have made you feel excitement or anger were not accentuated when needed. I was thankful for receiving this audiobook giveaway and I look forward to listening dependent on narration or reading form Ms. Isley. My rating would have been higher if not for the narration. 4 Stars. 9781537364216 Love Connection: the perfect read for fans of Sliding Doors. iBooks, Barnes & Noble, Google Play, Kobo. This is a romantic comedy about one woman life's infinite possibilities and the destiny that lies beyond two opposite choices. 9781537364216 I really thought the hero was someone else. The h came across as a homewrecker. 9781537364216 OMG! Take Sliding Doors, wrap it in a book, and make it ten times better and hilarious, and you'll end up with Love Connection. POW! I LOVED this book. The two parallel stories were so original, and even when events overlapped, it was amazing how the author gave it nuances to make each chapter unique. I couldn't put this book down. I wanted to know what would happen, and I kept guessing wrong. I was hooked until the very end. If I could give it ten stars, I would. 9781537364216 Love Connection by Camilla Isley. GENRE: Romance Comedy. NARRATION: First Person heroine. crossroads and not known which direction your meant to take?Your choice being so crucial it will literally be life changing? Have you ever wondered how your life would have turned out if you chose the other direction? Would the outcome inevitably be the same no matter your path? Believing your destiny has already been written and fate will guide you back to where you belong?This is a story very cleverly and well written in a sliding doors scenario following two parallel stories of Gemma Dawson and her journey back to her true love and happily ever after One woman two choices two separate journeys one destined ending MY THOUGHTS This story evokes some pretty relatable emotions for its readers Doubt indecisions regret and uestions The writer grabbed my attention within the first few pages and I was completely engaged throughout the entire story The good use of witty humour lightened the sadness throughout the story You would think that all the back and forth between the two separate journeys would create some confusion but Camilla's talented writing ability created a smooth flowing and easy to follow story I have to mention that this is a very G rated romance I needed along the M rated romance though to feel their chemistry passion and pain on a deeper level Adding some intimacy or sweet bedroom moments would have helped connect the character's motives to their emotions therefore enhancing the intensity of their love for one another making it realistic Jake came across as a little detached and lacking in character depth for me because his presence wasn't strong enough throughout the story Yes he is kind and sweet and easy going but who is he really? Not enough of his personality shone through for me to attach myself to him Overall This was a really enjoyable and engaging story about friendship the significance and consequences of our choices true love and undeniable destiny I received an audio copy of this book in exchange for my honest review MY RATINGS All ratings are out of 5 BLUSH RATING 0 ROMANCE RATING 4 PLOT RATING 5 OVERALL 4 Blushing Stars Narrated by Audra Cook Length 6h 11m Initially I was completely thrown off by the robotic tone of the narrator but after a while I adjusted and the audio flowed a little easier Overall the dialogue parts for Gemma and Amelia were fine but her narration of a male voice and narrative sections were off putting There were external sounds added popping popcorn and cat purrs and meows which I didn't feel were necessary and to be honest sounded weird Unfortunately Audra's voice just didn't work for me which is a shame because I really enjoyed the story AUDIO RATING 3.5 Liked my review?
