

Christian Ethics and Moral Philosophy: An Introduction to Issues and Approaches By Craig A. Boyd
Christian ethics and moral philosophy book They establish a framework in their opening chapter with a barrage of terms and traditions: distinguishing between morality (a group of people's lived teachings and practices) and ethics (reflection on and evaluation of such moralities); delineating the broad moral systems of consequentialism (concern for the good) and deontology (concern for the right); outlining both the primary domains of moral philosophy (normative ethics.

Christian ethics and moral philosophy pdf

This introductory textbook presents Christian philosophical and theological approaches to ethics.
Christian ethics and moral philosophy book Combining their expertise in philosophy and theology the authors explain the beliefs values and practices of various Christian ethical viewpoints addressing biblical teachings as well as traditional ethical theories that contribute to informed moral decision-making. **Christian ethics and moral philosophy book** Each chapter begins with Words to Watch and includes a relevant case study on a vexing ethical issue such as caring for the environment human sexuality abortion capital punishment war and euthanasia. **Christian ethics and moral philosophy book** Yet because it remains frequently misunderstood Craig Boyd professor of philosophy at Saint Louis University and Don Thorsen professor of theology at Azusa Pacific Seminary have collaborated to shed light on these distinct but closely intertwined disciplines as expressed in their constitutive traditions. **Christian ethics and moral philosophy book** They explain metaethics and applied ethics) and significant approaches to moral theology (biblical divine command agapistic narrative and natural law ethics); and introducing the quadrilateral of sources of authority involved in Christian ethics (Scripture tradition reason and experience). **Christian ethics and moral philosophy book** This interlocking framework undergirds the survey that follows over the course of the next nine chapters each of which expounds upon a normative theoretical method of philosophical or Christian theological ethics introduces several key terms relevant to it sketches a potential application of the theory in a case study and closes with questions for discussion. **Christian ethics and moral philosophy pdf** Chapter 3 shifts to ethics in the Christian Scriptures especially the Sermon on the Mount and the letters of Paul (references to Matthew and Galatians dwarf other New Testament books here) with particular attention to the nature and practice of love. **Christian ethics and moral philosophy pdf** Chapter 4 explores divine command theory in the Christian and Platonic traditions noting the relationship of divine commands to divine love human arrogance and divine sovereignty as well as the metaphysical and epistemological implications of divine command theory in its strong and weak versions. **Christian ethics and moral philosophy book** Chapter 6 introduces individualistic ethics especially the Enlightenment theory of natural rights (life liberty and property) and models of egoism (the seventeenth-century state of nature expounded by Thomas Hobbes and the twentieth-century objectivism proposed by Ayn Rand). **Christian ethics and moral philosophy book** Chapter 7 highlights the contributions of one of the most famous deontological theories that of Immanuel Kant including the universalizability of his categorical imperative his delineation of perfect and imperfect duties and his distinction between autonomy and heteronomy in the human will. **Christian ethics and moral philosophy book** Chapter 8 unfolds the characteristics of utilitarianism a well-known consequentialist ethic with particular attention to the act utilitarianism of Jeremy Bentham and the rule utilitarianism of John Stuart Mill as well as Christian criticisms of these and modifications of them in the forms of situation ethics and proportionalism. **Christian ethics and moral philosophy book** Chapter 9 surveys several approaches categorized under the rubric of continental ethics both explicitly antireligious forms (Friedrich Nietzsche's genealogy and Jean-Paul Sartre's existentialism) and those expressions rooted in the Jewish (Martin Buber) and Christian (Soren Kierkegaard and Dietrich Bonhoeffer) traditions that emphasize the supreme priority of relationship. **Christian ethics and moral philosophy book** Chapter 10 delves into virtue ethics highlighting the importance of habits and

narratives and unpacking the nature of the cardinal (prudence justice courage and temperance) and theological (faith hope and charity) virtues. **Christian ethics and moral philosophy book** They conclude "In emphasizing the centrality of love the Christian moral tradition offers something philosophical theories cannot offer: the grace of Jesus Christ which provides a new way of being and acting in the world. **Christian ethics and moral philosophy book** The strengths of Christian Ethics and Moral Philosophy include its adequacy as an introductory survey to these interlocking disciplines its achievement in recognizing the diversity and commonalities of several significant ethical traditions and its concreteness in establishing their ongoing relevance and contemporary stakes as demonstrated in the applied case studies. **Christian ethics and moral philosophy pdf** Weaknesses of the volume include the idiosyncratic and at times simplistic definitions of key terms an overreliance on outdated references in the body of the text (although more recent research is mentioned in the recommended reading list at the back of the book) and the authors' methodological inconsistency in engaging the case studies (i. **Christian ethics and moral philosophy book** they sometimes express a forceful ethical judgment while at other times they prefer to step back introduce multiple complicating distinctions and raise rhetorical questions to inspire further reflection). **Christian ethics and moral philosophy book** English If you are a beginning to intermediate student in Christian Philosophy/Theology this will be an enormously helpful guide for you on learning the basic concepts and terminology involved with these fields. **Christian ethics and moral philosophy book** This is a well organised book that not only has words to watch at the beginning of each chapter but also asks thought-provoking questions at the end of each chapter which are highly useful to ensure that you understand the concepts that were introduced in each section. **Christian ethics and moral philosophy pdf** I liked the way the authors used real-world examples from modern society to illustrate their point and to cause the reader to think about what decision they might make in the given scenario,

Christian ethics and moral philosophy pdf

"This book is about the relationship between two kinds of ethics: the theories of ethics found in philosophy and approaches found in Christian ethics: **Christian ethics and moral philosophy book** It is a conversation between philosophical ethical theories and the Christian tradition that many of these philosophical theories either emerged from or argued against" (2), **Christian ethics and moral philosophy pdf** End-of-chapter reflection questions illustrations and additional information tables are also included, **Christian ethics and moral philosophy book** Christian Ethics and Moral Philosophy: An Introduction to Issues and ApproachesA powerful concise summary of the major branches of ethics under a Christian lens: **Christian ethics and moral philosophy book** English This review was originally published in Trinity Journal Vol: **Christian ethics and moral philosophy book** The relationship between philosophical ethics and Christian theological ethics has been both a contested and a creative one marked at times by explicit antagonism and by mutual enrichment. **Christian ethics and moral philosophy book** Chapter 2 examines the ethical content of the Hebrew Scriptures particularly that found in the Torah (although the Nevi'im and Ketuvim also receive brief attention), **Christian ethics and moral philosophy book** Boyd and Thorsen especially highlight the importance of covenant and holiness while noting the First Testament's repeated condemnation of the sins of idolatry and injustice. **Christian ethics and moral philosophy book** Chapter 5 reflects upon natural law ethics as it has been developed by the philosophers Plato and Aristotle and the theologians Thomas Aquinas and C, **Christian ethics and moral philosophy book** It distinguishes between eternal law divine law natural law and human law while discussing difficulties in discernment: **Christian ethics and moral philosophy book** Finally Boyd and Thorson close their survey with a brief epilogue that recapitulates the importance of love. **Christian ethics and moral philosophy pdf** The idea of self-giving love that is made possible only through faithful discipleship presents an alternative to love as duty net utility or free choice,

Christian ethics and moral philosophy pdf Rather humanity's union with God in love is understood as the ultimate good" (180), **Christian ethics and moral philosophy pdf** This book would be especially helpful for undergraduate students who are initially exploring ethical discourse, **Christian ethics and moral philosophy book** Additionally pastors and lay leaders who feel that they have been ethically undertrained should find helpful instruction and spiritual edification here. **Christian ethics and moral philosophy book** This is an intelligent well-written book with a lot to offer the Christian philosopher: **Christian ethics and moral philosophy book** I would definitely recommend it to others as a great starting point for a broader education: **Christian ethics and moral philosophy book** This review is based on a complimentary copy from the publisher provided through Netgalley. **Christian ethics and moral philosophy book** English A great introduction and overview of applied ethics. 41 No. 1 (Spring 2020): 106-108.S. Lewis.e. All opinions are my own. Not explicitly Christian. English
