Kindle Edition Will and Scarlett Green trilogy I have read all three in this series and can recommend them to anyone who likes extremely erotic novels. The final Hotwife scene was just ok and the final "confrontation" between Will and the Bull didn't ring true to me but then again I'm not in the Bull Alessandro's head, They are quite well written and full of suspenseful plots that will keep you guessing! I read them back to back and found them difficult to put down, But very naughty! Enjoy! Kindle Edition Another great read by Arnica Butler! This author has such a wonderful and naughty imagination, The story continues as both Will and Scarlett become more devious and self absorbed: She is addicted to sexual domination & hard dirty sex and he is addicted to the cuckold angst and even the conclusion has a veneer of uncertainty: While this is the third book in this series it does stand on its own, Notwithstanding Hotwife Scarlett's attempts to hide her indiscretions Will is entirely up to speed and perhaps a little ahead of Scarlett: In this installment another couple is introduced to the action; Will's boss Dan and his scheming wife Marie. The book rolls along really well; Arnica is an excellent writer, If you like this genre of story with a plot and interesting character development I think you'll like this intriguing erotic tale, Kindle Edition

Brought on by her audacious cheating. This is no longer an journey they are taking together. The twists never stop coming.

A Must read series. It's written from the cuckold husband "Will's" perspective. As a result the sex is spirited and the anxiety high. However I found the conclusion a little weak
