

Jewel of the Endless Erg (Mage Errant, #2) By John Bierce Can't wait for the next book! Kindle Edition Plot: Ragtag bunch of librarian mages go on a field trip on a sandship across a big-ass desert and into a city ruled by a dragon. **Jewel of the Endless ergny** While I do appreciate the in-universe acknowledgement that first relationships are often shallow and short term said relationship getting any screentime at all did nothing for my enjoyment. **Book Jewel of the Endless ergo** To explain romance is normally something i like but here we had the kind that makes me avoid YA sometimes where the romance is basically just she is good looking so i like her. **Jewel of the Endless ergns** Teenagers can be stupid but the idea that Hugh only values looks doesn't really hold with the rest of his character instead it reads as if the author made a generic bimbo character to progress plot and other characters development. **Book Jewel of the Endless ergo** Honestly thought the book was better then the first plot wise and if i just viewed the love interest as just a plot device and not a character the book was good thus i am torn on if i think this is a good book or not. **Jewel of the Endless ergny** Their teacher Alustin has chartered a sandship for a training expedition into the vast sea of sand known as the Endless Erg aiming for the wealthy and powerful desert city of Theras Tel. **Jewel of the Endless ergny** Jewel of the Endless Erg (Mage Errant #2)Intricacy seems to be John Bierce's wheelhouse and it's on full display in Jewel of the Endless Erg which is a marked improvement on the previous book and a fun new chapter in the Mage Errant series. **Jewel of the Endless ergon** We get glimpses of worldbuilding that hint at a larger history and culture that Bierce has clearly put a lot of thought into while granting us interesting knowledge about the book's primary settings the city Theras Tel and the Endless Erg the desert that surrounds it. **Jewel of the Endless Erg kindle cloud** But it's obvious that Bierce has put a ton of thought into how this system works peeling back more layers and details about the system than we learned in the previous book while our gang of apprentices become more attuned with their attunements. **Jewel of the Endless ergon** Even if it was slightly too technical for my tastes at times it was always fascinating seeing these hard rules at play and finding out how the characters deal with the systems Bierce has in place. **Jewel of the Endless Erg book 2** The plot also has its intricacies as well with several elements of the first book tying into these events as well as the group's adventure in Theras Tel clearly leading to something bigger as hinted at in the final chapter. **Jewel of the Endless ergon** That being said the intricacy did have one downside for me in the end: I wanted to know more! Not that I wanted a big info dump but I would've appreciated the story slowing down a bit to give us more time on the ship riding across the desert as well as the heroes' time in Theras Tel before the story kicks into high gear. **Jewel of the Endless ergny** As it stands the plot moves at a very brisk engaging pace but I wouldn't mind taking some time to slow things down to help get a better feel of the setting as well as further development of character relationships seeing them in calmer moments (as fun as it is seeing them reacting and assisting each other in battle). **Jewel of the Endless ergon** The world Bierce has crafted is rich and interesting Hugh Talia y Sabae los tres aprendices del bibliotecario errante Alustin además de su amigo Godrick se embarcan en un viaje a través del desierto Endless Erg hacia la ciudad de Theral Tel. **Jewel of the Endless ergon** Durante el viaje sucederán diversas aventuras pero la trama importante deviene al llegar a la fabulosa Theras Thel que abastece de agua a buena parte de la población y que está gobernada por la dragona Indris y sus hijos. **Book Jewel of the Endless ergo** He is currently traveling the world as a digital nomad but spends a lot time observing the urban ecology of drainage ditches in other countries than visiting glamorous tourist destinations. **Jewel of the Endless ergon** (Did you know that Southeast Asia has freshwater crabs? Who are apparently fantastic parents unlike basically every other crab species ever? It's definitely surprising the first time you see a crab wandering around in a ditch hundreds of miles from the ocean. **Jewel of the Endless ergycare** He is currently traveling the world as a digital nomad but spends a lot time observing the urban ecology of drainage ditches in other countries than visiting glamorous tourist destinations. **Jewel of the Endless Erg book 1** (Did you know that Southeast Asia has freshwater crabs? air I continue to absolutely love the magic system in this book, **Jewel of the Endless ergycare** It's so varied and complex and has so many variations that seeing innovative uses of it is one of the parts I really like. **Book Jewel of the Endless ergot** The characterizations are more or less the same as the last book- nobody really grows or go through particularly evident changes: **Jewel of the Endless ergycare** Which is fine.

And the plot being set up is intriguing and compelling: **Jewel of the Endless Erg books** Kindle Edition This sequel offers improved writing and tons of heart-stopping action scenes but I think I preferred the first book in terms of character development, **Jewel of the endless erg pdf download** The only thing I quite disliked were the romance scenes especially with Hugh: **Jewel of the Endless Erg books** They are kind of unnecessary and don't contribute to the plot whatsoever: **Book Jewel of the Endless ergo** I'm just not a fan of superficial romance in fantasy books if it leads nowhere plotwise and is there just to fill up a few paragraphs. **Jewel of the endless erg pdf file** But this series is just thoroughly enjoyable and fun to read and I can't predict how will the story further develop, **Book Jewel of the Endless ergot** Reread: I still don't like Avah but I appreciate the intricate plot and interesting magic system, **Jewel of the Endless Erg book 1** I thought the start of this book was a tad slow however it picked up pace rather quickly. **Jewel of the Endless ergon** Personally I think Hugh will end up with Talia but lets see what happens, **Kindle jewel of the endless erg error** Goddrick likes dudes really- they are interesting enough to sustain interest in a story that's mostly plot and concept driven: **PDF Jewel of the Endless ergo versicherung** The apprentices mostly continue to be exactly as they were before, **Book Jewel of the Endless ergon** Especially since there are a few hints about how Talia is going to be the eventual love interest. **Jewel of the Endless ergon** And okay so I do get how Hugh coming out of his shell is a necessary plot element but the romance felt really underdeveloped. **Book Jewel of the Endless ergo** And even in universe acknowledgement can't make that completely go away, **Jewel of the Endless ergycare** I'm usually more fond of static location narratives than I'm of quest narratives and I had been hoping to see a lot more of Skyhold and its weird library-labyrinth structure. **Book Jewel of the Endless ergo** BUT most of the book took place in Theras Tell a giant desert city ruled by a Mama dragon and her brood so, **Jewel of the Endless ergon** I think the lack of truly dynamic character arcs will eventually catch up with me and lessen my enjoyment of the series but it's holding up pretty well so far, **Jewel of the Endless ergne** There were a lot of really innovative uses of magic in here even if Alustins battle capabilities occasionally strain my suspension of disbelief, **Jewel of the Endless Erg book 2** The final pages hint at a growing worldwide conflict or something and I'm not sure if I want it to be part of the main storyline or not. **Jewel of the Endless ergma** The lack of character arcs rearing it's head again I suspect. **Jewel of the Endless ergny** But like I said there's excellent worldbuilding and a very fun magic system so this book will do for now. **Jewel of the Endless Erg book 2** Kindle Edition I found this book very frustrating as i liked Hugh's development and enjoyed the story but hated the romance: **PDF Jewel of the Endless ergocalciferol** This is more annoying because we never get much more than that from the love interest: **Jewel of the Endless ergns** Annoyingly i couldn't even tell what the love interest personally was beyond shallow but i can't tell if she's meant to be like that cause Hugh is clearly also shallow here. **EBook Jewel of the Endless ergo** Worth it if you liked the first one would be my conclusion. **Jewel of the Endless Erg book 2 5** Kindle Edition After surviving Skyhold's deadly labyrinth Hugh and his friends are looking forwards to an uneventful summer: **Book Jewel of the Endless ergo** Hugh's happier than he's been in a long long time and he's quite excited for the fresh air sunshine and quiet: **Book Jewel of the Endless ergo versicherung** Of course given Hugh's luck their summer is going to be anything but quiet. **Jewel of the Endless ergny** They're about to be plunged into a morass of pirates monsters warring cults flesh-tearing sandstorms and a conspiracy against Indris Stormbreaker the dragon queen of

Theras Tel herself. **Jewel of the endless erg pdf online** At least Hugh's going to get plenty of fresh air and sunshine. **Jewel of the Endless ergny** It's impressive how deep rich and detailed Bierce has made his world and magic system. **Jewel of the Endless ergny** We learn of the different cults that are scattered throughout the country focusing on the dragon cultists who worship Indris the dragon queen of Theras Tel: **Jewel of the Endless ergon** I really enjoyed Bierce's take on dragons which felt totally fresh and unique compared to others I've read before. **Book Jewel of the Endless ergot** I liked this take on them being intelligent beings capable of speech and magic beyond just breathing (or spitting rather) fire. **Jewel of the endless erg pdf free download** The magic system is similarly intricate though this has both its advantages and disadvantages, **Jewel of the Endless ergycare** Sometimes explanations about what magic casters were doing could read a little dry and on occasion their methods just flew over my head because I'm an idiot, **Book Jewel of the Endless ergocalciferol** I'm excited to see what the bigger picture is and how Alustin Hugh Kanderon and the others will play into it, **Jewel of the Endless Erg kindle fire** I also appreciate that like Into the Labyrinth this book tells its own complete story while still tying into the larger narrative and setting up threads for the following book, **Book Jewel of the Endless ergon** Overall this is a great entry in the series and certainly a step up from the previous book, **Jewel of the Endless ergycare** Mientras dura el viaje los cuatro alumnos siguen las clases de magia con sus afinidades clases que imparten Alustin y especialmente para Hugh la esfinge Kanderon, **Jewel of the Endless ergny** El autor da mucha importancia a esto ya que sirve para profundizar en el sistema de magia: **Jewel of the Endless ergmo** Divertida historia con barcos de arena dragones sistemas de magia interesantes y un desarrollo de personajes adecuado. **PDF Jewel of the Endless ergonomics** Kindle Edition A massive improvement on its predecessor almost in every way: **PDF Jewel of the Endless ergocalciferol** The writing quality seems to have skyrocketed exponentially in this installment and the author is definitely showing rapid signs of growth. **Book Jewel of the Endless ergot** I'll write a longer and better review when I get a minute, **Book Jewel of the Endless ergo versicherung** Kindle Edition ratings:- 4 stars Kindle Edition

3.5/5A lot better than the first. Some short term romantic relationships were formed. Alustin and Kanderon in particular continue to the excellent. 3. 4. Alas no such luck. Yeah. It's wasn't uninteresting to say the least. 5. 6. That Hammerspace Arm though? That was very very good. I'm still happy about that revelation.7. She looks good Hugh likes good looks therefore Hugh likes. Kindle Edition This was so fun. Kindle Edition 3.) {site_link} {site_link}.
