

Lured By The MILF: My Girlfriend's Mother By Lana Lane However Lauren (my girlfriend's mother) is in her 50's) Anyways there was something a little different about this visit... It was like she had an ulterior motive or something:

When my girlfriend's mother needed her dishwasher to be fixed I didn't think anything of it, I always got along great with her and figured it would be nice to catch up with her, Besides she was a total bombshell! I always had a thing for older woman: And when I graduated college I began dating older women too: When Lauren offered to give me a massage I gladly accepted: However things soon spiral out of control and something amazing happened...something I'll never be able to tell my girlfriend about. I am now in my mid 20's. Lisa my girlfriend is in her early 30's. So there was a little of an age gap between us. Lured By The MILF: My Girlfriend's Mother.
