

Her Last Cowboy Christmas (Last Chance Ranch Romance #6) By Liz Isaacson Now that she has sworn off cowboys what can he do? Dive inside as he gets the best idea from his mom and worries Amber will leave at her first opportunity~ Christian Contemporary Romance I found this to be a sweet emotional story with faith and good main characters. Christian Contemporary Romance Lance has had feelings for Amber for almost as long as he's known her but his timing hasn't ever worked out to connect with her when she was single. When a new job opportunity comes up Amber is faced with a tough decision: Stay at Last Chance Ranch and have dozens of cowboy Christmases with Lance or leave town to follow her dreams? Lance can't leave the ranch not when he's just moved his mother in next door. Will Lance and Amber find a path that leads to each other? Or will this be their last cowboy Christmas together? Read all the novels by USA Today bestselling author and Kindle All-Star Author she is searching for someone. After they've been going out for a while Amber has the opportunity of a promotion will she take it? Can Lance cope if she does? I voluntarily reviewed an Advance Reader Copy of this book. There's a lot of baggage here and it's affecting everything else in her life, He's such a sweetheart and he jumped through every hoop Amber sets in front of him: It took a little more for me to really connect with Amber because I couldn't always understand why she made the decisions she did. One of the things I love about this series is that we always get the chance to check back in and see what's been happening with the other couples on the ranch. I received a complimentary advanced copy of this book from the author, Her Last Cowboy Christmas Three Rivers Ranch Romance Series: 1. The Sleigh on Seventeenth Street Horseshoe Home Ranch Romance Series: 1: Falling for His Nurse Brush Creek Brides Romance Series 1, Cheering the Cowboy Christmas in Coral Canyon Romance Series: 1: Her Last Cowboy Christmas (Last Chance Ranch Romance #6)Lance is more than ready for his chance to date Amber. He has secretly been waiting for the right moment to approach Amber and ask her out, It didn't take long for me to be pulling for Lance to find his forever after with Amber. He was just such a great guy who was always there for anyone who needed something. Amber was so afraid to trust her feelings because she had been wrong time and again when it came to men, That made me want to slap her in the head one even though I got to understand some of her issues had helped make her that way, She had a sister and mother who made her feel invisible which had her questioning her worth, Christian Contemporary Romance Great book I loved this series, Lance has cared for Amber for over two years ever since he met her. Lance is in the canine center and Amber is the adoption coordinator: When she decided to take a job in another state it nearly broke his heart: If you have not read any of these books I recommend you do, They are funny loving families who work together on a ranch that is centered around rescued animals. All her life Amber's been looking for something anything Contemporary Romance Feel good problem ridden love story Lance and Amber have things to figure out, But he's not willing to just let things go and let his heart break even more, It takes some time and experiences to grow and learn and become more confident in who she is. The contrast between their two families is interesting and adds an additional dimension to the story: Lance is confident and accepts Amber for who she is helping her become better without trying to change her, And I would love to see all the dogs on the side of the road! Christian Contemporary Romance

She's tired of having her heart broken by cowboys: Can Lance fix things quickly or will Amber leave Last Chance Ranch before he can tell her how he feels? Amber Haws has never had a problem saying yes to a date: She's been out with lots of men in the time she's been at Last Chance Ranch but she's finally gotten her heart broken one too many times, She swears off cowboys right to the one who's been watching her for months now: Lance Longcomb followed the advice of his friends and waited to ask her out after each of Amber's break-ups. As their relationships grows and deepens Amber realizes that she might have been the problem all this time: He thinks maybe his and Amber's relationship will simply require too much sacrifice from both of them. Amber's family is horrible and she gives them too much leeway. Christian Contemporary Romance Loving this Last Chance This has been a lovely series. This story of Lance and Amber who have been employees at Last Chance Ranch is touching sweet and humbling. God fearing and loving Lance and Amber have their share of insecurities, Overcoming their histories reticence and (in his case) shyness and (in her case) family is key to their happiness, And happiness is what is at the core of this story and series. Christian Contemporary Romance Her Last Cowboy So glad Lance got his story, She enjoyed flirting with Lance but he never asked her out. Christian Contemporary Romance Lance has had a thing for Amber for ages but hasn't ever had the chance to ask her out mainly cos she's gone out with lots of men: Amber thought that she'd made her intentions obvious when she flirted with Lance six months previously. Another good book from The Last Chance Ranch shame it's the last. Christian Contemporary Romance Wonderful! am hoping this is not the the last novel in this series: They are just as well written and easily to relate to as all. I felt as if this novel ended with a dew lingering pieces as well[1]

To make her family proud of her. My heart absolutely broke for Lance in this book. Christian.

You just can't go wrong with one of these. It's having them continue is where her trouble lies. For her they all are bad. For Lance this is not an

option. And the supporting people were pretty good too. And he really did care about people. He also paid attention to what was important to Amber. This caused her to be wishy-washy with Lance. There is also a well done H.E.A. that I liked. In fact I love all of Liz's books. They both work on the ranch. Lance is shy Amber is flighty. She seems to be dating a new guy every month. Lance has never asked her out as he is shy. Amber wants him to ask her. Finally he does in between boyfriends. God sent her way for a while to help her mature. Until now. I love that Lance is so loving patient and forgiving. Amber is conflicted for many reasons. His heartbroken feelings are well portrayed. I felt for them and wanted to cry with them. A happily ever after is the best kind of ending. He waited too long to ask her out. Lance is steady and sweet. I voluntarily reviewed a copy of this book. Beautifully written. He has been attracted to Amber it seems like forever. Amber was dating around looking for the one. Finally the stars line up and they get their chance. But can they make it work. Love the story. I liked Lance's character from the beginning. This was Amber and Lance's second chance.the other main characters. The storyline was engaging and just as important to.the series as all the characters and their previous stories.as a dew characters that have not their second chance. Rating: 4.7★★★★ Christian Contemporary Romance.
