English Great read. Especially the unspoken communication and reactions. It is artfully done drawing you into the story. Thank you for an entertaining story. Brilliantly written and some great historical details. This took us back in time to the late 1800's India. India seems exotic now. I can only imagine how it seemed then. The mystery was good and I loved the characters. Hope to see you soon. Hope to see you soon. {site\_link} To travel hopefully is better than to arrive. Fate though has other plans. Someone doesn't want her to though. Not a slow chapter in the lot. Maisie is adventurous however she is considering leaving. Very entertaining. English Better than the first. English
