

Die for Me By Diane Hester

This author's writing style kept me engaged until the end! I would certainly recommend this book to others and I intend to read more books by Diane Hester! Diane Hester This is one of my first crime thriller novels. Diane Hester What does Lauren Donnelly owe the daughter of the man who died to save her? The cost of his funeral? A job at her ailing Cape Cod nursery? The lives of her loved ones? Or will only her own death settle the score? On a wintry New England morning an innocent short-cut turns to disaster when the snow-covered field Lauren Donnelly crosses turns out to be a not-so-solidly-frozen stream. What happens after that you will have to read and you don't want to miss what happens next.

4 Stars Die For Me by Diane Hester is quite a well woven multilayered psychological suspense. I though the way everything came together was well thought out- and gave me a taste for Diane Hester's stories so I will definitely be going back to read the rest of her books now too. Thank you Diane Hester! Diane Hester This book had me hooked from page one it is a gripping psychological suspense set in New England and has an original storyline and some great characters. However Ada Phelps is not who she appears to be and Lauren ends up paying again and again for the death of the kindly stranger from paying for his funeral and even offering Ada a job. When Lauren's loved ones start getting hurt and strange things happen Lauren starts to wonder if only her death or that of those close to her will satisfy Ada's need to settle the score: I finished this book within a few hours it had me in the edge of my seat: The characters in this book jump to life and are extremely relatable. I was so not prepared for the end of this story but you will have to read to find out why. Only to fall through the ice himself and succumb to the frigid waters. Struggling to come to terms with the tragedy.

The bed won't get made and the laundry won't get caught up, This is a new author for me and I will be looking for more from her: It is a well developed story that I found to be engaging and read in one sitting. There are twists and turns in this story that left me sitting on the edge of my seat just waiting to see what will happen next, Lauren falls through the ice in a stream only to have the person who saved her to lose his life, She has a hard time moving forward from this so she reaches out to his daughter, The gripping nature of the story kept me avidly reading well past my bedtime as I really needed to know how everything would end: Out for a jog on a cold winter's evening Lauren could never have predicted the cost her short-cut would incur. There is more going on than meets the eye- and the psychological creepiness of the story takes hold, This is my first read by Diane Hester so I really wasn't sure of what to expect from her story, But I do love a gripping story and because the blurb had me so intrigued I quickly pounced on a copy and started reading right away: Diane Hester has proved to be a clever storyteller producing a well written detailed and descriptive read: There are several threads to the story which gives her work an extra element of surprise. Things are not what they appear and my mind was whirling with all the possible scenarios, Lauren Donnelly takes a short cut on a cold wintry night across what she believes is a snow covered field but turns out to be a frozen lake, When disaster strikes and a stranger comes to help Lauren a tragedy occurs when the stranger falls through the ice himself and dies, Lauren is grief stricken and feels guilty at the man Roger's death and wants to help his daughter Ada who suffers financially after her fathers death, This is a wonderfully written novel very atmospheric and full of drama and suspense. It had plenty of twist and turns which kept me turning the pages wondering what would happen next, Diane Hester DIE FOR ME By Diane Hester 5 out of 5 stars The story DIE FOR ME by Diane Hester is a thrilling psychological suspense book that I enjoyed reading. It pulled me in from the very beginning and didn't let me go until the final page: It had me on the edge of my seat turning pages wondering what was going to happen next. She is strong independent owns her own nursery and whose life was saved by a stranger. She also feels guilty that she survived and the stranger didn't: This leads her to reach out to Ada Phelps the survivor's daughter. How far will Lauren take in

repaying the debt of life? Is Ada all she appears to be? Read this book to find out, The story is wonderfully written and I found myself feeling like I was right there in the story with the characters, I found my mind working overtime to try to uncover the motivations of those around Lauren. I enjoyed reading about the additional characters many that are friends and work with Lauren at her nursery: I grew to care about Lauren and wanted her to succeed in all that she does. I love suspense novels and this one is a good example of why, Diane Hester This was a Kindle book that I received through a Goodreads giveaway, While I did know who the "culprit" was early on in the story Lauren reaches out to the man's only daughter and long-time care-giver a woman now suffering financial hardship. But Ada Phelps is not the devoted grief-stricken offspring she pretends. And making people pay for their crimes is the one thing she has always done best. I nearly passed this book over but I'm telling you I am so glad I read Die For Me by Diane Hester. There are two or three stories going on in this book and they are all very skillfully woven together. Tragedy bitterness forgiveness love all the things that make a story great. As I was reading the story I got all the warm fuzzies and I was thinking oh what a sweet sweet story because it is, The author pulls you along and lulls you into this wonderful story until she gets you firmly locked into the roller coaster: At that point you can hang it up you're not doing anything else no dishes will get done things may not seem as they really are: Diane Hester I really enjoyed this fast-paced psychological suspense. It had me from page one and I don't think I put it down until I was almost finished with it honestly, There are many twists I didn't see coming in this book: Diane Hester Another excellent thrilling and suspense filled novel from the wonderful Diane Hester, Diane Hester Diane Hester is a former violinist with the Adelaide Symphony and the Rochester Philharmonic US. Born in New York she now lives in Port Lincoln South Australia. Diane's debut thriller Run To Me was short listed in the 2014 Daphne du Maurier Awards. Diane Hester is a former violinist with the Adelaide Symphony and the Rochester Philharmonic US, Born in New York she now lives in Port Lincoln South Australia. Diane's debut thriller Run To Me was short listed in the 2014 Daphne du Maurier Awards. There are many twist and turns I didn't see coming. I will definitely be reading and recommending Diane Hester. A passing stranger comes to her aid. It was a page-turner for sure a really wild ride. I think I will be reading Diane Hester again. Diane Hester I enjoyed this psychological thriller. The characters made the story feel real. They are connectable and supportive of each other. Guilt drives her to try and make amends. But things soon take a strange and sinister turn. A psychological thriller at its best. I literally could not put it down. I enjoyed reading about the character of Lauren Donnelly. This book also does have a bit of romance. There are twists and turns that I didn't see coming. Highly recommended reading. I really enjoyed reading this psychological thriller. Die for Me This was a great little book. I highly recommend reading this book. My advice is to not start reading at bedtime. You won't want to put it down. The main characters are interesting and well developed. And the villain is so evil. Diane Hester I could not get enough of this book. It was a long night but so so worth it. Definitely adding it to my share and read again list. Highly anticipated and thoroughly enjoyed.
