

Claire's Bad Boy (Date Monsters for Bad Boys, #1) By Lisa Daniels But she's ready now to start to live her own life! Her friends hook her up on a dating site featuring werewolf shifters and she arranged with Kallen Grayfur from Date Monsters to spend one night only with him. This will be a night she can never forget - but will she be okay with only the one night? Will Kallen change his own mind about never loving again? Or will they both move on from here? Kindle Edition I hired him for one thing only. This story is where Claire meets Kallen Grayfur a wild shifter through Date Monster for her to have a boyfriend to deal with her family issues And learns about Kallen family . This makes it easy to weave the stories together so that you can see characters you met in previous tales and see how they Lisa Daniels is a (young) retired school teacher who resides in Miami. She told him she changed her mind and when he pushed for the truth she told him her father was spending a million dollars to elevate her family out of their poverty - as long as she did not marry her son. Author's Note: This is a steamy stand alone romance with an HEA intended for 18+ Claire's Bad Boy (Date Monsters for Bad Boys #1)

Claire has lived her whole life playing by the rules and while she tried of it so she hires a shifter to bring out her wild side. But it looks like I'm getting far more than just that... I'm getting older. I've worked all my life.

While building up her confidence, Awesome story Kindle Edition KU Edition reader This is a totally different paranormal story than I have ever read: I liked the unusual storyline and the various personalities of the characters: Kindle Edition wolfLove all the observations about men and women dating: Happily ever afters do happen Kindle Edition Claire's Bad Boy is book one in the series Date Monsters for Bad Boys by author Lisa Daniels. The ins and outs of the dating rite is completely on point!! Loved the little jabs about both sex's: Enjoy!! Kindle Edition.

Lisa Daniels is a (young) retired school teacher who resides in Miami. After five years of teaching Lisa Daniels found that it wasn't quite the world that she wanted to inhabit: In her worlds Lisa Daniels creates characters that go beyond the usual narrative. While they definitely include romance Lisa Daniels strives to make the worlds real with characters that are than just cardboard cutouts of the genre: All of the main characters (and many of the secondary ones) have a rich history that span much longer than the stories themselves, After five years of teaching Lisa Daniels found that it wasn't quite the world that she wanted to inhabit, In her worlds Lisa Daniels creates characters that go beyond the usual narrative. While they definitely include romance Lisa Daniels strives to make the worlds real with characters that are than just cardboard cutouts of the genre. All of the main characters (and many of the secondary ones) have a rich history that span much longer than the stories themselves: This makes it easy to weave the stories together so that you can see characters you met in previous tales and see how they have managed since: Letera is a world teaming with romance action and stories - it is a world that Lisa Daniels loves to explore with her readers one character at a time, Taja's Dragon can only be found here: {site\_link} her on FB: {site\_link} {site\_link} Kallen and Claire were in love and had intended to leave, You see Kallen's parents had issues with Claire because she was from the wrong side of the tracks and extremely poor, Everything was set both of them so excited until the night Kallen went to pick up Claire and she informed him she had changed her mind, When Kallen pushed the issue Claire informed him a

million dollars was promised to elevate her family from their current situation if she promised not to marry him: That's when Kallen's father stepped out of the shadows with a smirk on his face, Since this is another quick easy read you'll need to read on to find out what happens between these two and their families. Kindle Edition It ok To much dialogue not enough characters description not enough suspense or drama: Not going to continue with the other books cus not very much appealing. Kindle Edition FREE on Amazon today (9/22/2020)! Kindle Edition Need a date fake boyfriend or a wild night? Then Date Monsters has the shifter for you. Now she's thirty and feels she missed out on all the fun. With more than a nudge from her friends she meets Kallen, He has his own past that stops him from wanting anything remotely as a relationship: Kindle Edition Kallen Grayfur was in love but his family did not want him to marry Suzie: He was prepared to leave with her and live in the human world where he could provide for the both of them, She was enthusiastic about leaving until the night he went to her shack: Then his father stepped out with a smirk telling him they would be talking about his future in the clan, Kallen walked away swearing he would never fall in love again to be betrayed like this: Claire has worked hard all her life never time for dating or relationships and it's given me no time for relationships. I used to be okay with that but now it's a problem, To experience life to the full... But I never expected to meet someone like him[1]

Always obedient to her parents' wishes. He makes it time well spent for her. Kindle Edition ARC review For honest review. This story haves some lesson . Can't wait to see what comes next. It did need a bit more romance. Intriguing tale and a gritty look at shifters. After leaving her position she moved to Miami. She hasn't regretted it. After leaving her position she moved to Miami. She hasn't regretted it. The Dragons of Letera is her first standalone series. Not enough love scene. Little boring. Claire is the sensible type. She worked hard in school and got a good job. Now the fun begins. Expect plenty of laughs and some danger. Will there be romance? Maybe. But don't expect any instant love. She was from a poor clan and would amount to nothing. But that didn't matter to Kallen. The body clock's ticking. The window of opportunity's lowering. So I hire someone from Date Monsters. A hot shifter called Kallen Grayfur for one night only. I'm missing out my friends say. I have to become wilder. So he slowly teaches her how to own her sexuality.
