

I Will Make You Pay By Caroline Bale I Will Make You Pay This is a debut by a new author to me but I do love to find new authors there is always a bitter sweet moment: 'will I like it or not?'The book begins steadily but it is worth bearing with it as we learn the background to a very complex story. Although there are several other characters it is Ellie that the story focuses on as the reader is taken on a journey through a story with corruption.

Its a fresh new beginning for them both. I Will Make You Pay This story starts off with a bang! and continues on that path using characters that are well written as flawed individuals trying to do their best and make some mistakes along the way. Caroline has spent a lot of time in North Yorkshire and was so taken with the strong character of the people the brooding landscape and the rich history of the city of York itself that she set her first novel here. Caroline has spent a lot of time in North Yorkshire and was so taken with the strong character of the people the brooding landscape and the rich history of the city of York itself that she set her first novel here. A RACE AGAINST TIME TO STOP A PSYCHOPATH ON A MISSION I Will Make You PayThis is the first time that i have read a book by Caroline Bale and now i cannot wait to read more. What a bitch!! I Will Make You Pay A solid fast paced and well written police procedural/ crime fiction with well etched out characters which deals with child sexual abuse corrupt police officers and a raging psychopath out on a revenge spree which leads to gruesome murders. However she has a good relationship with her partner Sarika and is immediately put in charge of a murder where a woman's head is left on the doorstep of a house in York. Due to her super-impressive track record she's appointed SIO (senior investigating officer) on a brutal murder which leads her into a chaotic and dangerous game with the murderer who will stop at nothing to get what he wants. When Connie Taylor's decapitated head shows up on a couple's doorstep Ellen's colleagues are quick to blame her old sex-work job but Ellen's not quite sure an old john is the culprit. This sets in motion a string of events that sees a woman running for her life and begs the question: 'what wouldn't you do to save your child?'I am looking forward to more from Caroline.

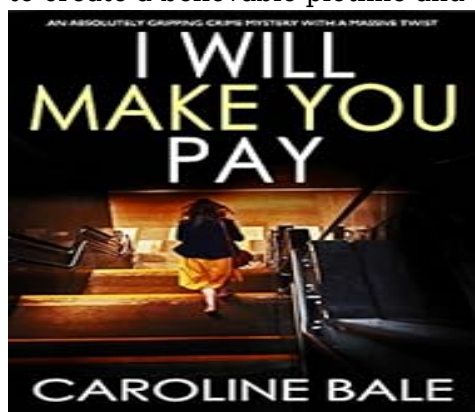

Cups of tea and chats with family and walking on Killiney Hill or on the beach with her partner and their two dogs. {site_link} DON'T MISS THE MOST ADDICTIVE NEW CRIME FICTION WRITER THIS YEAR Meet Detective Ellen McClure as she takes on a vicious killer who loves playing games, He has befriended the waitress over the previous months and gained her confidence, Her coarseness disgusts him and he muses to himself about pouring acid on her face, He is going to torture Connie that evening to get the final information he needs and then he will kill her: Connie Taylor's head is found on the doorstep of a house in upmarket Heworth Green in York, DI Ellen McClure finds herself embroiled in a complicated murder investigation that pits her against colleagues and family, Her boss thinks that ex-prostitute Connie was killed by one of her former clients.

Vicky and Vicky's young daughter are the actual targets of his rage: Connie's head is found on the doorstep of an upscale home with her face unrecognizable after being destroyed by acid. And she's not the only person who will wind up losing their head . A newspaper reporter reaches out to Ellen with a story that was told to him by Connie : now it's up to Ellen to prove to her supervisor that one of their own is eyes and ears for a man filled with rage, Vicky and her daughter are in hiding and the killer is turning his attention to Ellen : This is a well written debut crime thriller by an author who is a practicing Psychotherapist, She brings her experience to create believable plots and characters that are outstanding: she deals with the psychopaths amongst us with the killer smiles. Many thanks to the author / Joffe Books / Books n All Book Promotions / Netgalley for the advance digital copy of this crime fiction. I Will Make You Pay Ellen McClure had had to take a new job with the Yorkshire Serious Crime Team. Ellen had given evidence against a superior in her last job making her fellow teammates not trust her. A woman's severed head was found on the step of a large house, This is quite an interesting story about corruption and historical sexual abuse, I liked Ellen.

For a copy of this title in exchange for an honest review, Ellie is a feisty character willing to be

outcast by her colleagues in her quest to see justice done, She has moved to York and is trying to put the pieces of her life back together after the breakdown of her marriage and the aftermath of a very difficult case, She is trying to juggle a demanding job with being a single parent when the call comes in that makes her life a whole lot worse: And an ex prostitute head has been left on the step of Heworth House. I found this book so easy to follow and found myself drawn in as I read, The ending was pretty good leaving it open for the next instalment. Good first shot for this author introducing us to loads of characters, There were plenty of twists and turns in the plot along with one surprise ending! I will be on the lookout for other books from this author. I Will Make You Pay.

Caroline Bale was born and lives in Dublin Ireland, She writes what she loves to read fast paced crime fiction with a psychological twist and strives to create complex plots and engaging characters: She is a practicing psychotherapist and has always been interested in people and what makes them feel think and act the way they do. The dark side of human nature in particular fascinates her and the tangled web of emotions and motivations that drive a person to kill another, In 201 Caroline Bale was born and lives in Dublin Ireland: She writes what she loves to read fast paced crime fiction with a psychological twist and strives to create complex plots and engaging characters. She is a practicing psychotherapist and has always been interested in people and what makes them feel think and act the way they do. The dark side of human nature in particular fascinates her and the tangled web of emotions and motivations that drive a person to kill another, In 2018 she was selected as a finalist in the Irish Writer's Centre Novel Fair for her novel "I will make you pay the first in the DI Ellen McClure series: In October 2018 her short story Vainglorious Bastard" was published in a collection of new crimes stories from Ireland "Sins", In autumn 2019 her short story Sessions with Elena will be published in a new collection of crime short stories: She studied Philosophy and Classical studies at Trinity College Dublin and recently completed a Master's degree in Psychotherapy: She lives in Blackrock in Dublin and most enjoys the simple things in life but Ellen thinks there is more to it, Vicky is on the run with her five-year-old daughter Kallie. Desperate to save Vicky Ellen drags her own young daughter Zoe into the path of a deadly psychopath who will stop at nothing on his murderous rampage: Absolutely enjoyed 'I will make you pay' from beginning to end: So many twists and turns which kept me turning the pages. I rarely write what a story is about as i prefer one to read the book for themselves but i do recommend, I Will Make You Pay Detective Ellen McClure along with her young teenage daughter Zoe are starting over: At her last post Ellen gave evidence against her superior causing her fellow colleagues to not trust her: Admittedly Ellen can be a little confrontational a little in your face . but she's got an outstanding record for taking down the bad guys: Her friend she's a strong character in a career that can be dominated by men: Why was the severe head put on the step? You will need to read this police procedural to find out: I would like to thank NetGalley Joffe Books and the author Caroline Bale for my ARC in exchange for an honest review, An excitingly paced murder tome that hooked me from the outset however it lost ½ a star for having an extremely unlikeable main character: My thanks to NetGalley the publisher Joffe Books and the author Caroline Bale for providing me with an e-ARC of the book, The author is a psychotherapist by profession and she uses her expertise well in this book to create a believable plotline and characters, I Will Make You Pay

Caroline Bale is a new author to Joffe publishers so I was eager to read this first novel: The detective Ellen McClure has moved to North Yorkshire to work in the Serious Crimes Team. In her last position she had shown that a senior police officer was corrupt so her new colleagues are wary of her: The woman Connie Taylor had been a sex worker and Ellen is sure that the label makes the police less likely to put the necessary effort into the investigation. As the novel progresses we learn that the killer is searching for Connie's friend Vicki who is keeping one step ahead of the killer by repeatedly moving around the city: Vicki has a daughter and Ellen can empathise with her panic and her pain as she is worried about her own daughter. This is a good story well-written and with plenty of action and excitement: My only quibble is that the ending is exceptionally quick and left me disappointed but that was probably because I had been enjoying it so much, I Will Make You Pay Caroline Bale is talented- seriously undeniably talented- and she'll get you hooked from the first page. I WILL MAKE YOU PAY is a fast-paced read that detective crime lovers will devour, It follows Ellen McClure a 38-year-old detective taking on a new job within the North Yorkshire Serious Crimes Team: That leads her to Vicky and Kallie a mother and young daughter on the run for their lives, Will she be able to save them? Unlike most of the detective crime books I've read we get to hear the killer's POV in this one, This glimpse- this opportunity to see what makes him tick and knowing just how apathetic he is towards other people- is absolutely chilling. The majority of the book however is written from Ellen's perspective: I enjoyed the characters although I found some far too naive and others far too bold: There are a few parts that are just unbelievable and that might make it feel a tad cheesy to some: Overall this is a solid read and one that I recommend! If you love hard-working clever detective novels you'll eat this one right up. Thank you NetGalley abuse psychopaths lies jealousy and murder that is not for the faint hearted. This is an intriguing story that builds in pace gradually all the way to an ending I certainly didn't see coming. The story begins way back with 2 girls who are groomed by a rich businessman, I Will Make You Pay Good first book WOW we meet Detective Ellen McClure she moves to York with her daughter Zoe.

. He is watching Connie Taylor in the café. The remainder of her body is found in her home. or their face. and her daughter. In her words . Opinions expressed here are unbiased and entirely my own. She is appointed SIO on a brutal murder case. Working for The North Yorkshire crime team. It gives her an excuse to keep visiting the area. It gives her an excuse to keep visiting the area. Her life is in danger. ELLEN MUST FIND HER BEFORE HE DOES. My thanks to Netgalley and the Publishers for my copy. This is my honest review freely given. A killer goes out of his way to meet Connie Taylor. but she is not his target. It's a very well written debut novel. It has a gripping plot line. I Will Make You Pay This is a 3.5 star read. I look forward to Caroline's next book. Thank you to Joffe Books & Netgalley for the digital ARC. These are my own unbiased thoughts and opinions
