Trained by my Father-in-Law: A Bitchy wife's harsh training

Curious: **Book Trained by my father-in-law superwog** Yes I knew what genre of book this was but I was curious, **Trained by my Father-in-Law ebook3000** The mixed feelings come from she was a horribly mean person who needed to learn manners. I have very mixed feelings about this book. However the shock dog collar was a bit too much. A few editing errors interrupted the flow of the story. Kindle Edition.
