His skills can keep her safeHer secrets could get them killed... Security expert Ryan West's worst fears come to life when hotel CEO Nadia Shelton is pushed in front of a taxi and nearly killed. **The pursuit of god book** Someone will do whatever it takes to find the brother Nadia thought was dead and the only way Ryan can protect her as they uncover the truth is to stay strictly professional. **Book Pursuit of the truth social** The escalation of attacks from the minor ones of a dead rat and a keyed car to attempted kidnapping attempted murder and being taken as a hostage kept Nadia Ryan Shawn and Olivia? What do they each do? Who is Mike? Why does he show up at Nadia's office? How does she know him? What does he want? When Nadia gets home from work one night what does she see and hear and what happens because of it? Who is Erik? What does Nadia say to him and what happens after that? Who is this Smith character? What happens when Nadia finds him in her office? What happens when she calls a realtor? Why does she go see Erik? Oh the tangled web we weave. **Book Pursuit of the truth social** Oh goodness I did not see some of that coming that happened! Read and see what I mean! RECEIVED THIS BOOK from Harlequin through Netgalley AS A GIFT FOR A FAIR/HONEST REVIEW and REVIEWER FOR Bloggin' With M. **The pursuit of god book** If you are a fan of romantic suspense or like me have been determined to read it more-AND if you're wanting a romantic suspense by a woman of color this is a must read. **The pursuit of god book** Richards obviously knows what she's doing because at no point was that an issue with this book and I think it all boils down to writing strategy:The hero is a Security Expert who serves as almost a body guard for the heroine who literally within the first page finds herself being pushed into traffic and almost killed by a taxi. **Pursuit of the Truth booklet** One thing that helped me believe the romance between the two is that the author establishes that they have had feelings for one another for a while arson kidnapping break ins and the ending though complete for this couple teases you with the next couple so well that you need it NOW! I cannot wait to read more from this author and these characters. **Pursuit of the Truth ebookers** I loved that! If you are looking for a romantic suspense story that features adult Black characters and romance low on angst but will have you wanting the couple to get together despite their initial hesitations and contains a well written enjoyably straight forward plot I recommend picking up Pursuit of the Truth.

.D. Their time together brings their attraction to the brink. I'm looking forward to more in this series from Ms. Richards.I read an early ebook copy of this book for review. My opinions are my own and not influenced in any way. English Terrific combination of romance and suspense. The ending was entirely satisfactory.It was wonderful. I am totally rooting for K.D. There was constant action in this story. They worked well together as a team and K. D. Especially since this is Harlequin. But instead they felt very technical. And that was a let down.Even though Nadia is in trouble she can handle her own.See original review here<https://womenofcolorreadtoo.blogspot>. It moves into a mystery that grabs your attention.
