

Vixxen, Vol. 3 (Vixxen: The Adventures of Selen) By Luca Tarlazzi This relatively short full-color graphic novel is the third book in the series that involves Selen her husband Fabio and their rather open relationship and some scenes from their life. Selen dresses like a little virgin in a rather ugly green dress that is quite small short hem-line and very plunging neck-line (I'm not sure her breasts are actually covered in that thing and this is her virgin dress),

Selen is a famous real-life European with a drop-dead gorgeous body to die for and insatiable appetite for sex. 3 (Vixxen: The Adventures of Selen) Full-color Adult graphic novel, Fabio and Selen visit a friend in the city of Perugia and several scenes occur in that city, Scene 1: Fabio and Selen visit with Carlo and his Japanese girlfriend (Tiziana) in Perugia (she doesn't exactly look Japanese), At dinner Carlo mentions that Selen is becoming less daring and Fabio agrees: Annoyed Selen knocks something off the table and when the waiter comes by to pick it up he gets an eye-full up Selen's skirt, Later in the car after dinner Selen and Tiziana strip in the backseat enjoy each other and then start in on Fabio who happens to be driving, Before they head off to the park Selen Fabio and Carlo fondle each other: At the park Selen has fun showing herself off (riding on the swing ride without panties and with the seat arranged so that all is revealed to all below): On the way home from the park Selen Carlo and Fabio stop off on the side of the road and have some fun, The book is well-drawn nothing is censored and there is little plot. An interesting little shallow book that is just a tad too short to be good. Vixxen Vol. Based on Italian porn star Selen. Scene 2: Fabio and Selen visit a theme park. Scene 3: Ride home from the park. The book contains exhibitism open marriages . . 48
