Kincade Sports Managment. That's widowed dad-boss Kenyon Kincade and his four daughters. But she'll show them! Enter Rush. LET THE FUN TIMES BEGIN. Soccer. Sports-agent-ish. I really enjoyed reading this. But the story was also a tiny bit insta for my tastes. It was a bit weird. It was like I missed something after they met. And while I think it was all a bit fast. There's a bit too much back and forth. So that's just a brombergish thing! LOL. Adorbs! And those sad scenes from the past. British. He also has the biggest heart underneath his exterior. Lennox and Rush were the perfect match. Advanced reader copy provided in exchange of an honest review. Lennox was a heroine that was impossible not to love. The chemistry between the two of them was INCENDIARY. I seriously couldn't get enough of them together. K Bromberg. This is where things get interesting. He has another housemate. Rush is everything I love. just perfect a little fun in the meanwhile.www.marvelusreads. British. Tattooed. Sexy. A man currently at the center of a huge scandal. The goal? To convince him to stay in the States. No sweet nothings. *** I never should have agreed to take the fall. But I did and I'm a man of my word. Even if it means risking everything I've worked for. The only bright side is Lennox Kincade. Gorgeous. Defiant. Rumor-tainted. Totally off-limits. So. Much. After an abrupt decision Lennox end up in LA. So many amazing moments between them. I recommend this book. I received an ARC in exchange for an honest review. There is just something magical about K Bromberg's writing. What I should be doing is him. Nox is my favorite type of heroine. Gentle is for romance. This is pure lust in its truest form. No niceties are needed. I have been a fan of K. Football is his dream and what keeps him grounded. Lennox Kincade is devastatingly sexy feisty and intelligent. She's the perfect mix of brains and beauty. The former beauty queen has felt restless lately. it's like they're my kryptonite. Hard To Hold (Play Hard #2) by K. A terrible gorgeous satisfying mistake. Welcome to your next obsession friends. Because this series? It. is. EVERYTHING. And y'all. I LOVED the first book. If you haven't read it yet you must. But you can also enjoy this one as a standalone. Lennox is the beauty queen with everything to prove. But there's so much more to Lennox. But this tatted up brit is not what he seems. I fell so hard for this man it's not even funny. There's just something so incredibly endearing to him. Dare I say that they may be my favorites of hers. What I absolutely adore in this series are the feels. And the feels were so strong here. The characters were vivid and multilayered. The story packed with emotion and passion
