This book throws light on the life of Azim Premji his struggles and working capabilities to not only handling but growing multifold his family business which was later named as Wipro, Azim Premji: The Man Beyond the Billions It will be better to call title as 'Origins of Wipro: **Book Azim premjit** It does not has much insights from AHP as he did not interviewed much with authors. **Book Azim premji ebenezer** Good part is that the authors have discussed both sides of AHP's leadership. **Azim premji application portal** As of 2019 he was the tenth richest person in India with an estimated net worth of \$7, **Book Azim premjit deol** Yet the one facet of the man which has overshadowed even his business achievements is his altruism: **Azim Premji pdf reader** His commitment to the Azim Premji Foundation a non-profit focused on education totals around \$21 billion making him one

of the world's top philanthropists. **Azim Premji pdf** It peels the layers off Premji's life while chronicling his professional and charitable work in the context of his many strengths and shortcomings, **Azim premji business** This book is timely given that it had the opportunity to capture his entire career at Wipro till a couple of years after he stepped down from Executive Chairmanship: **Azim premji book** The book thankfully doesn't indulge in hero worship highlighting the man's many flaws and failures, **Azim premji biography** Where it disappoints is in two areas:- there is just way too much repetition of facts across the book, **Azim Premji kindle cloud** It clearly shows that 2 different authors contributed and seems like they didn't compare their notes, **Kindle Azim premjit deol** - considering the kind of people the authors had access to (AHP was not one of them) the quality of anecdotes is lousy: **Azim Premji booklet** I have heard better ones from mid to junior level executives who've worked at Wipro. **Book Azim premji amaran** Read it if you don't know much about the man Wipro and the Premji Foundation/Premji Invest. **Book Azim premji** Azim Premji: The Man Beyond the Billions Read it because How can one be an Indian and not get to know a person who's donated over 1. **Azim Premji kindle cloud** It is very easy to read and since I worked in the organisation before i was able to relate to a lot of the events mentioned, **Book Azim premjit** The best part i liked about the writing is this is not written from a fanboy perspective hurling praises all through. **Azim premji donation 2022** The authors have presented different aspects of the man under different circumstances: **Azim premji foundation** This book have many business lessons some are in positive way and some are in negative way that we should always take care of in business, **Azim premji daughter** Azim Premji: The Man Beyond the Billions A man of his own mind who shared his hotel room did his laundry himself while travelling took subways when travelling abroad, **Book Azim premjit deol** It also points flaws in his leadership his inability to let go of control and his hatred towards losing. **Azim premji daughter** The book beautifully touches upon Premji's philanthropy efforts one that got him more respect and recognition than his businesses: **Azim premji latest news** Azim Premji: The Man Beyond the Billions I would have recommended this book to others if the author had brought a balance between Azim's life and Wipro: **Azim Premji kindle app** But the book had more information about Wipro and it's business rather than the man himself. **Azim Premji booking** One thing that caught my eye in the book was the formation of the Azim Premji's foundation and its operating model. **Book Azim premjit** Other than this nugget I did not find much value in the book, **Azim premji leadership style** Azim Premji: The Man Beyond the Billions Inspirational story of Azim Premji: **Azim premji admission login** Every person has mistakes but very few have ability to accept it: **Azim Premji kindle app** Azim Premji: The Man Beyond the Billions Inspirational autobiography, **Azim Premji book** Author have explained about AHP's personality motivations & his commitment to philanthropy: **Azim premji grants** This book shares the journey of WIPRO from a vegetable oil company to a renowned giant conglomerate. **Azim premji daughter** Author have narrated both positive & negative aspects of AHP's leadership: **Azim premji biography in hindi** Formation & operating model of AHP's philanthropic initiative is well explained[1]
