

Nature and History in the Potomac Country: From Hunter-Gatherers to the Age of Jefferson By James D. Rice **Book Nature and History in the Potomac country of origin** Why when the whole of the region offered fertile soil and excellent fishing and hunting was nearly three-quarters of the land uninhabited on the eve of colonization? Rice wonders how the existence of this no man's land influenced nearby Native American and later colonial settlements. **Book Nature and History in the Potomac country** Did it function as a commons as a place where all were free to hunt and fish? Or was it perceived as a strange and hostile wilderness? Rice discovers environmental factors at the center of the story. **Book Nature and History in the Potomac country inn** Making use of extensive archaeological and anthropological research as well as the vast scholarship on farming practices in the colonial period he traces the region's history from its earliest known habitation. **Book Nature and History in the Potomac country music** With what effects Rice asks did humankind exploit and then alter the landscape and the quality of the river's waters? Equal parts environmental Native American and colonial history Nature and History in the Potomac Country is a useful and innovative study of the Potomac River its valley and its people.

Nature and History in the Potomac Country books
