Poppy. Every single one."The plot of this story was so well done. There is so much mystery swirling around. "I never wanted a man the way I wanted Ronan. No man had ever made me so curious. Or reckless".I loved everything about this book. Ronan in the other hand was a complete enigma.Poppy is the Constantine's cousin. Poppy cant even trust anyone. Not her homicidal sister. 9781953553089 A+++++ writing. I mean this book. Lord. Grabbed me. Out the gate. Poppy trying to keep it together for her sister. An arranged marriage. Ronan out of nowhere. No one. Gorgeous. Secretive. This is a fabulous slow burn. Ssssoooooo hot. Excellent writing. Excellent plot. I didn't know then that he was an assassin. A hit man. A mercenary. Ronan radiated danger and beauty. Mercy and mystery. Ronan might be the one who murdered him. But two warring families want my blood. I don't know where to turn. But there was no reason to be. This book is amazing. It is raw angsty heartbreaking. Poppy has had a difficult life. She is really damaged and her story broke my heart.Ronan is an enforcer for the Constantine family. He is Irish brooding dark and tormented. He is a total mystery.The writing style is so good. The story flows seamlessly.I will be definitely picking up more books from this author. Every single one. But sometimes monsters hide in plain sight."Jesus Princess. If you want it ask for it." Like he knew how hard I'd been conditioned not to. How my self-denial was so deeply ingrained. "I promise you" he said. I will give it to you. Talk about being consumed... 9781953553089 47 stars.Another book in Midnight Dynasty universe.There's an instantaneously chemistry between the two of them.Every single one.She can't trust anyone.This ends with a cliffhanger. 9781953553089 M.
