The author is a sailboat designer and builder. This is his first novel. A well done and exciting story. Not so much for the bad guys. Beiley creates a story full of danger adventure and death. The pace is frantic; the action intense. "Voyage to Crusoe" uses authentic descriptions and terminology. I highly recommend it. Kindle Edition Never judge a book by its cover . If you are a boater past or present even the better. I was and still am hoping for for a sequel. And oh yeah a bit of love and squalor. Kindle Edition.
