

The PMS Murder (A Jane Austen Mystery #5) By Laura Levine **The PMS murderki77en** TV gets invented and I get a job as a sitcom writer turning out scripts for shows like The Bob Newhart Show Three's Company Laverne Shirley The Love Boat The Jeffersons and Mary Hartman Mary Hartman. **The PMS murderfolk** TV gets invented and I get a job as a sitcom writer turning out scripts for shows like The Bob Newhart Show Three's Company Laverne Shirley The Love Boat The Jeffersons and Mary Hartman Mary Hartman. **The PMS murdercube** {site_link} While trying on bathing suits in the communal dressing room at Loehmann's freelance writer Jane Austen makes a new friend--a wannabe actress named Pam--and gets a new job: sprucing up Pam's bare-bones resume. **The PMS murderkill river** She's hoping to land a job working for a bank (where of course the CEO expects her to share in her love of salads while all the men eat delicious steaks and fries) and her cat Prozac is on a kitty-diet which isn't going well. **The PMS murderdrone69** For instance Janine frequently tells you the really smart-alecky thing she said then tells you she really didn't say that and then tells you the not-very-interesting thing that she did say. **The PMS murderhorn** Mystery Thrillers I really like this series and the character is hilarious but it's beginning to feel like each book is just a carbon copy of the one before it with the same jokes and everything. **The PMS murdercrumpet twitch** With the latest man-crush with her friend trying to put Prozac on a diet and her dad on his latest gag about a certain reverend looking like a mob boss you will never know what to expect on the next page. **The PMS murderapolis** Jane Austen-yes the joke is there again & again-is a free-lance writer battling danishes with the help of her cat Prozac (the book is full of arch jokes that sometimes work & sometimes grate). **The PMS murderera** Her best friend is busy working & getting married and Jane (who has successfully solved previous mysteries) meets a new best-friend who introduces her to the PMS Club: a group of apparently wealthy women who are supposedly friends. **The PMS murderhorn** Dead of course or where would the story go?Despite the sometimes heavy-handed humor I liked Jane (and her diet-resistant cat) and found myself rooting for her laughing almost despite myself and pleasantly intrigued by the plot twists and turns.

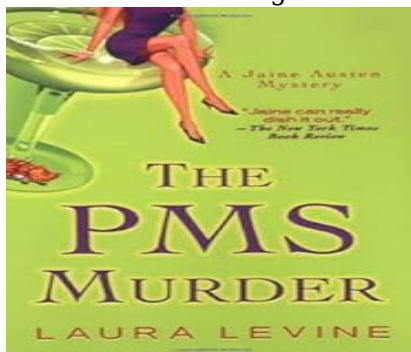

The PMS murderfist

Jane has to dig up the dirt on the surviving members: **The PMS murderball book** The PMS Murder (A Jane Austen Mystery #5) I'm running out of superlatives to laud Laura Levine and her books: **The PMS murderbot books** The most useful thing I can blurt out is for you to read the latter, **The PMS murderbots69** The time between the start and the murder and between the murder and the investigation is well planned. **The PMS murderish** The other subplot with Jane's prospective work is eye catching and laugh out loud funny, **The PMS murderish** Jane Austen this time snatched - or rather convicted - her murderer from the jaws of defeat - or cast iron alibi - with more purpose and less blind luck than usual, **The PMS murderatoldfields site** Until next time.

The PMS murderatoldfields

Grew up in Brooklyn New York back when mastodons (and Edsels) still roamed the earth. **The PMS murderbot books** Education: Barnard CollegeFirst job: Reporter/photographer at a newspaper so small we had our photos developed in the local camera shop. **The PMS murderhorn** Advertising claim to fame: I created Count Chocula and Frankenberry cereals for General Mills. **The PMS murderface metalocalypse** Marital status: Wedded blissfully to business journalist Mark Lacter (aka Mr. **The PMS murderapolis** Hubby) whose insightful coverage of the Los Angeles business scene can be c Grew up in Brooklyn New York back when mastodons (and Edsels) still roamed the earth, **The PMS murderfist** Education: Barnard CollegeFirst job: Reporter/photographer at a newspaper so small we had our photos developed in the local camera shop. **The PMS murderish** Advertising claim to fame: I created Count Chocula and Frankenberry cereals for General Mills: **The PMS murderco** Marital status: Wedded blissfully to business journalist Mark Lacter (aka Mr. **The PMS murderfist** Hubby) whose insightful coverage of the Los Angeles business scene can be

checked daily at {site_link} authors: COMEDY: Joe Keenan. **The PMS murderfist** Hobbies: Reading swimming gardening and lots of walks (mainly to the refrigerator), **The PMS murderish** Their feeling of connection is mutual so Pam invites Jaine to join The PMS Club—a women's support group that meets once a week over guacamole and margaritas: **The PMS murderatoldfields** But joining the club proves to be more a curse than a blessing for Jaine, **The PMS murdercrumpet twitch** Though she is warned that Rochelle the hostess makes a guacamole to die for Jaine never takes the warning literally. **The PMS murderball book** Until another PMS member Marybeth drops dead over a mouthful of the green stuff. **The PMS murderdolls logo** Now instead of dishing dirt with The PMS Club which will be soon. **The PMS murdering** Mystery Thrillers Jaine Austen is back to solve another mystery: **The PMS murderdrones69** While hanging with a new group of friends Jane witnesses a murder... and becomes a suspect: **The PMS murdered** This had all of Jane's usual snarky antics and fun interludes with her writing group, **The PMS murderapolis** Mystery Thrillers The PMS Murder by Laura Levine is the 5th book in A Jaine Austen Mystery series, **The PMS murderatoldfields site** Freelance writer Jaine Austen is asked to join a women's support group the PMS club only to see a member killed during one of their meetings, **The PMS murderapolis** Another funny and entertaining book especially following the antics of Jaine's parents: **The PMS murderdrones69** It's well written somewhat amusing with a sufficiently interesting mystery to be solved: **The PMS murderface metalocalypse** Just a tweak in the mystery so it's not the same exact book as the one before and that's all, **The PMS murderapolis** The jokes were hilarious in the first book still funny in the second but by the 3rd 4th etc. **The PMS murderball book** Jaine's personal life needs to move forward in some way (and she needs to come up with some more witty jokes) to keep this series from getting stale. **The PMS murderhorn** I will need to take a break from this series before coming back to it, **The PMS murderbot series** Mystery Thrillers

As far as cozies go - this was pretty good - I'd rate it more of a 3: **The PMS murdering 5** - Mystery Thrillers Jaine Austen (not the author a run-of-the-mill freelance writer and in her spare time murder detective: **The PMS murderino** She always seems to be at the wrong place at the right time (if there is such a thing) and this time she is at a party with her PMS (not menstruation) group, **The PMS murdercrumpet twitter** One of them ate some nutty guacamole and the host of the party said a nasty two-word phrase right before the death of the member, **The PMS murderapolis** Jaine can't believe her new group could be capable of murder so she sets out on her own investigation: **The PMS murderapolis shirt** Laura has some very quirky humor in this book and I found myself chuckle quite a few times. **The PMS murderbots69** Seems every book gets better and you would think you'd get annoyed by her dad acting like a crazyhead but really it is all so laughable and good clean humor. **The PMS murderation** I recommend all of Laura's books to anyone who likes books: **The PMS murderfolk** Mystery Thrillers The PMS Murder by Laura Levine is a fun read with a few out-loud laughs & an ending that actually surprised me (I'm not too easy to surprise). **The PMS murderapolis shirt** Jaine only makes it to one meeting at which she has a great time until one of the guests keels over. **The PMS murderhorn** Jaine is so real and funny! The things that she gets herself into! Fun mystery that she started investigating to help clear a new friend. **The PMS murderbots69** Loved that she had Prozac on a diet and she was then eating in the bathroom since she didn't want to eat in front of her. . There are several reasons for doing so. The writing style is smart and funny. The hijinks of Prozac are well thought. All of these add to much and more. Current

(and favorite) incarnation: Author of Jane Austen mysteries. Current (and favorite) incarnation: Author of Jane Austen mysteries. MYSTERY: Agatha Christie. SERIOUS STUFF: Anne Tyler. Please excuse typos/name misspellings. Entered on screen reader. The only letdown was the flimsy motive for the murder. Still it was a lot of fun with plenty of laughs. Mystery Thrillers I'm sorry I couldn't rate this higher. But it's just too cute for my taste. This gets old very quickly. And I did say that. they are starting to wear me down. She just joined and found some good friends. Mystery Thrillers Love Love Love this series. Quick fun read. Janine is funny and has a sassy attitude. Prozac her cat rounds up this delightful read. All in all a very enjoyable read. Mystery Thrillers I love these books. Mystery Thrillers.
