

A Warriors Quest By Brandy Golden

Kindle A Warriors quest test

This is a fantasy book that deals with magic and spells and of course a quest where on the way the leading lady manages to get herself spanked on numerous occasions. **Book A Warriors quest test** I also love to write romance with humor a little discipline and other fun and interesting stuff! I love the alpha male hero its always present in my books and strong feisty heroines who inevitably get themselves into hot water with their man. **A Warriors Quest contemporary** I also love to write romance with humor a little discipline and other fun and interesting stuff!
