Suddenly he gets his first assignment since being rescued. He must protect famous country singer Jillie Everhart. If only she could convince Seb that. I thoroughly enjoyed this book. It had plenty of action and a great main couple. It was a case of opposites attracting. Jillie was

so vibrant energetic outgoing and full of life. Jillie was also quite gutsy in dangerous situations. Seb was calm cool and emotionless. 9780373276271 This was a really good book. Enjoy! 9780373276271 SRS #1557 = 3. But he had no fear.com among other places {site\_link}
