It was not a bad read and does not alter my view of the author whom I consider very talented and I am a big fan 9780373861521 I like a good romance tale to take me from reality for a couple hours but this was plain ridiculous,

Sweeter Reality I loved the perceived growth of the Chandra character over a three year time frame: I like the fact that he didn't have to do a lot of figuring out who he was and work thru a lot of issues: There was an acknowledgement of a rough family situation and what he had experienced but it did not cripple him as a man, Chandra was funny.

Chandra Eaton can't believe she left her journals--containing very private very erotic dreams she's been having for the past two years--in a Philly taxicab. Her embarrassment turns to intrigue when Preston Tucker finds and returns them, An irresistible combination until she starts to suspect that he's just using her for creative inspiration: Chandra's journals captivate his imagination for sure but it's the intelligent sensual woman behind them who really fascinates him: Now he has to find a way to win back her trust before she brings the curtain down on their affair for good. I enjoyed this installment of the Eaton family and liked reading about they younger sister and her quest to love and trust again, 9780373861521 This is the 3rd Eaton boon I've read in the Eaton series and I'm now hooked like I am with Brenda Jackson's Madaris series. 75 stars 9780373861521 Sweet Dreams sassy and a perfect match for P. This is a whirlwind romance about to mature people not looking for a relationship but finding one nonetheless. Two characters are well suited . I enjoy the author's writing. I am fast becoming a fan of her storytelling. 9780373861521 Oooh. Just loved P.J. Tucker. That man knows who he is and what he wants. I like characters like this. Ms. Alers really did a wonderul job constructiing him. The soulful playwright fires up Chandra's body and her mind. Preston has spent years running from relationships. and her interests include gourmet cooking and traveling. and her interests include gourmet cooking and traveling. Rochelle Alers lives in a charming hamlet on Long Island. I wish there was more to it than this. Getting married after one month really. A little hokey in some places. very easy read 9780373861521 Rating 3.J. 9780373861521
