I just randomly remembered a teeny tiny detail from this book all these years after reading it and looking up the cover made me smile. **Book The Hunky-Dory dairy-free** I went to a pretty conservative and not so wealthy grade school and this book has a lot of strong language so my librarian probably banned it or decided it wasn't worth spending the funds on in the first place. **Book The Hunky-Dory dairy farm** Can you believe it?! I just stared in disbelief for what felt like a long time! 160 I came across this cover and I immediately remembered how I used to (often) mistake the title of this book as The Hunky-Dory Diary. **Book The Hunky-Dory dairyland insurance** 160 When eleven-year-old Zannah McFee goes out to buy milk and a newspaper she stumbles upon a dairy and its inhabitants who have been magically zapped from the 1800s into the 1980s:

The Hunky-Dory dairyland express

Then asking them to find out what sort of new technologies they have today that would be just as strange to Zannah in 1986 as Zannah's world is to Utopia. **The Hunky-Dory dairycon** 160 Eleven-year-old Zannah McFee the girl jumps in the milkman's wagon one day and goes back in time to the a dairy trapped in the 1800's where the people there never age. **Childrens The Hunky-Dory dairy queen** She tries to bring them up to speed with technology and ideas of her times (1980's). **Childrens The Hunky-Dory dairy queen** Yet another childhood favorite - I read everything Anne Lindbergh wrote, **Book The Hunky-Dory dairy farm** I know I read this book several times as a kid and loved it dearly, **The Hunky-Dory Dairy fiction series** 160 When I was growing up every summer my family and I would spend some time at my great-uncle's summer house in Vermont: **The Hunky-Dory dairyette henderson** The house was un-lived in for the most part since my uncle lived in DC. **Epub The Hunky-Dory dairyland insurance** But anyways this was one of the books lying around the house and I read it every summer -- it was part of the routine. **The Hunky-Dory Dairy book series** Next in my stack of books from a 1980s grade school I didn't actually read this one when I was a kid, **Book The Hunky-Dory dairy free** The story was just super dumb---there's no other way to put it, **The Hunky-Dory dairyboy** Zillions of loopholes and the mother is more moronic than is humanly possible (though she suddenly becomes with it in the end: **Book The Hunky-Dory dairy farm** all the story lines that an interested person would be following are wrapped up all hunky-dory like in a vague unsatisfying paragraph or two before the book's abrupt stop: **Book The Hunky-Dory dairy farm** For a film version of this that's still kinda cheesy but definitely watchable look for Split Infinity or if you can find it Stranger in Time. **Book The Hunky-Dory dairyland insurance** Both are early 90s films that feature a young girl traveling back to earlier times: **Book The Hunky-Dory dairyland** Overall it still holds up (although there are a few

details that feel dated in a bad way like fat jokes): **Book The Hunky-Dory dairy lady** I could see sharing this book with students on the fifth day of the sale... which also happens to be the free books day, **Book The Hunky-Dory dairy man** I really expected this book to be about a diary not a dairy. **The Hunky-Dory dairyko** 160 03/27/12-I had strep this week so I went for my go-to feel good book. **The Hunky-Dory dairycomp software** :)When I was a kid I would check this book out at the library like every other visit, **The Hunky-Dory Dairy ebook download** I didn't get my own copy until a few years ago when I found a hardbound library copy on Amazon and knew I had to have it: **The Hunky-Dory dairiette menu** I'm not sure what it is about this book that I love so much, **Fiction The Hunky-Dory dairy queen** it's a simple quick read with a plot that's been done before and probably better, **EPub The Hunky-Dory dairy farm** read the full review here!Reread May 2009-My favoritest book in the whole wide world: **Book The Hunky-Dory dairyland** :) 160 Wow this review was one of those crappy ones : **Fiction The Hunky-Dory dairy queen** Still this book is a good one one of those which really isn't that great but you loved as a ten year old: **Book The Hunky-Dory dairy farm** It was really amazing that Zannah goes into another century time period. **Book The Hunky-Dory dairy cow** Zannah introduces them to modern conveniences and makes plans to move into the haunted dairy, **The Hunky-Dory dairyboy** The Hunky-Dory DairyAnne Spencer Lindbergh daughter of {site_link} Anne Morrow Lindbergh and Charles Lindbergh; sister of {site_link} Reeve Lindbergh: **Book The Hunky-Dory dairy-free** {site_link} New York Times obituary Anne Spencer Lindbergh daughter of {site_link} Anne Morrow Lindbergh and Charles Lindbergh; sister of {site_link} Reeve Lindbergh. 160 This is one of my favorite books from childhood. I look for it everywhere. Get up. Get Dressed. Go for a swim. Read the Hunky-Dory Dairy. 160 Ugh. This book was awful. In fact I'm not sure I even remember it. BUT.Language isn't it's only downfall though.) Speaking of the end. 160 I love Anne Lindbergh's writing. 160 This was a childhood favorite of mine. But I don't know.I just adore it. So then you pass it on to your ten year old. And so on until the book falls apart. Because that has happened. And she meets another girl. Her mother gets married to the girl she meets father. That comes way later on in the story.Also published under the name Anne Lindbergh Feydy.Also published under the name Anne Lindbergh Feydy. {site_link} New York Times obituary {site_link}.
