

One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) By Sarah MacLean **One Good Earl Deserves a loverreacts** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) My biggest problem with this book is the premise that a really smart woman who values honesty above all else would go to someone other than her fiancé to “research” love making to me that was cheating and I don’t see Pippa as capable of being that naive/intentionally blind/ cruel to her fiancé. **One Good Earl Deserves a loverval** I would give the book five stars but I am dropping half a star because there were quite a few typos in the second half and the repetitive description of people’s smiles as the mouth “kicking up” started to grate a little. **One Good Earl Deserves a lovers** oddThe brilliant.

The second of Sarah MacLean's series about the aristocratic owners of a notorious London gaming hell and the women they love is an entertaining treat. **One Good Earl Deserves a loverwhirl website** Hero Jasper Cross is an earl who has fallen from grace after the death of his brother and believes himself unworthy of love but the delightful blue stocking heroine Philippa Marbury soon disrupts his notorious life when she decides to request his help as a research partner. **Book One Good Earl Deserves a loverboy** What is she researching? Um well the intricacies of the marriage bed! One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) I liked Cross and Phillipa but there were too many science references and explanations for me which is exactly what Philippa is and she has no compunctions about stating this fact and quite often stating things that are glaringly obvious. **Kindle One Good Earl Deserves a loverwatch** I love both the heroine (Pippa) and the hero (Cross) Odd Pippa may have been but she is an indomitable female and an absolute joy it was just a shame her family didn't appreciate her. **One Good Earl Deserves a loverval** I did feel for Pippa's betrothed (Castleton) he was such a sweet person but he was definitely inferior mentally to Pippa and had they married they would have been greatly mismatched. **One Good Earl Deserves a Lover booking** Pippa's sister (Olivia) was a witch and I found it hard to believe that their mother (silly woman) would plan a double wedding when the sister's were as different as chalk and cheese. **One Good Earl Deserves a Lover booker** We see the contrast between the environment that our heroes (the partners of the Angel) create in their establishment versus that of their arch rival gambling hell owner Digger Knight. **One Good Earl Deserves a loverwhirl website** In the end I found myself feeling pretty bad for Castleton he seemed like a genuinely kind nice man and the rushed let's pair Meghan and Castleton together just so people don't feel bad for the support characters didn't work. **One Good Earl Deserves a lovery** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) This has to be one of the absolute worst books I have ever read and I read a LOT. **Book One Good Earl Deserves a loverwatch** I got this book expecting a charming maybe funny historical romance where a quirky heroine is introduced by a rake to the finer points of what love/pleasure can be; what I got was the urge to throttle the heroine on virtually every page. **Book One Good Earl Deserves a loverfella** She constantly does nonsensical things: why would she grab a stranger's hair from a balcony in the dark when she doesn't even know who it is? why would she not try to hide when she's almost seen

outside the gambling club when she knows it would negatively affect her and her family's reputation? I'm sorry but that's not scientific curiosity that's stupidity. **Book One Good Earl Deserves a loverwatch** She's supposed to be into horticulture and (I guess?) discovers grafting but grafting of plants has been around since the ancient civilizations and would not change the colors of the flower so I'm not even sure what's going on there. **One Good Earl Deserves a loverukk** It seems like the author was lazy in doing any research whatsoever about the topics the heroine was supposed to be fanatical about and just tossed in a few random Latin names because that's science to her I guess? I think a lot of reviewers here just accept that because the author calls Pippa scientific and brilliant that she actually is when there is nothing about her character at all to support those statements and she just comes across like an irritating toddler who can't keep its fingers out of the electrical socket. **One Good Earl Deserves a Lover booklet** 5 star The plot line in one line: A knowledge hungry young lady betrothed to a simple man seeks the help of a casino's bookkeeper to learn about sex before her wedding day but despite the troubled hunk's initial refusals the lessons start and both graduate with a masters in love. **One Good Earl Deserves a loverpi** The good and the bad: This book features one of the most erotic scenes I have ever read - and said scene doesn't even involve intercourse! The sexual tension between Pippa and Cross is beyond electric - she's a virgin under the spell of his sheer magnetism and he's barely keeping a grip of his self control in the face of his lust for the sweet and quirky lady. I also bought the next two books in this series but if they also have irrelevant pages I won't be buying from this author again, **One Good Earl Deserves a Lover ebooks** **air** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) What a great book. **One Good Earl Deserves a Lover kindle** I also read a few comments from other readers about Lady Philippa which were less than flattering: **Book One Good Earl Deserves a loverwatch** I'm unsure as to whether the author meant this but Lady Philippa strikes me as someone with mild autism: **One Good Earl Deserves a loverz game** Autism must have existed for ever and people with the condition will have been considered a bit odd or strange.

And look forward to the other books in the series: **Kindle One Good Earl Deserves a loverboy** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) A reread of a superior collection of novels is good for the soul: **One Good Earl Deserves a Lover booklet** I've spent the past week or so revisiting characters who enchanted me and delighted me several years ago, **One Good Earl Deserves a loverval** I found so many gems and clues in this novel that pertained to the superior literary surprise of the decade: **One Good Earl Deserves a Lover booking** But I'll let other re readers discover those gems on their own, **One Good Earl Deserves a loverval** Guilt and remorse as a theme can sometimes bog down a novel. **One Good Earl Deserves a Lover booker** Sarah MacLean handily avoids that mishap.

EBook One Good Earl Deserves a loverslab sims

I exhort you to please read these novels in chronological order. **Book One Good Earl Deserves a lover** I highly recommend this book as I recommend all three series, **Book One Good Earl Deserves a loverboy** To some extent I could understand pippa's attraction to cross since he was the only person she felt understood.

One Good Earl Deserves a lovery

It seems well researched and is a great little yarn: **One Good Earl Deserves a loverval** The book is complex than just girl meets boy and falls in love and yet the side stories that give it substance are not a distraction from the love story. **One Good Earl Deserves a lovers** I also would have liked to have seen a satisfactory conclusion regarding Cross's situation with his sister: **One Good Earl**

Deserves a loverz These are little things that by no means prevented me thoroughly enjoying what was a fantastic novel, **EBook One Good Earl Deserves a lover** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) Lady Philippa Marbury is, **One Good Earl Deserves a Lover epub file** They also struggle with shades of grey something else which Lady Philippa does: **One Good Earl Deserves a lovery discount** Also he inability to really see the danger she is in every time she turns up at the fallen angel point to a mild autistic streak: **One Good Earl Deserves a loverna** As I say I may be wrong and this may never have been Sarah MacLean's intention but for me it made Philippa (or Pippa) all the adorable and not your average heroine, **One Good Earl Deserves a lovery coupon** It made the fact that Cross saw through her oddness all the interesting and made him a better man for it, **One Good Earl Deserves a Lover booklet** The story itself kept me riveted and Fallen Angel has fast become my favourite place in Mayfair even though it does not exist in real life, **One Good Earl Deserves a loverukk** Any way I got through this book quicker than I have any book in a long long time: **Book One Good Earl Deserves a loverslab** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) Absolutely excellent story: **Book One Good Earl Deserves a loverwatch** The banter between Pippa and Cross was excellent and they definitely were made for each other: **One Good Earl Deserves a Lover booker** It proved without a shadow of a doubt that Pippa was a selfless and lovely young woman as I wouldn't have blamed her if she had 'strangled' Olivia. **One Good Earl Deserves a lovern** I would thoroughly recommend this book by limiting reference to the soul shattering events that changed Cross' life, **Book One Good Earl Deserves a loverslab sims** Instead she focuses on the bright ray of sunshine that is Pippa shining her inquisitive spirit into his darkness: **One Good Earl Deserves a lovery discount** We were introduced to the high ton gambling hell in an earlier novel and we get a further glimpse into its operations in this novel, **One Good Earl Deserves a lovery subscription** Although there is a darker cast to this novel there are also light touches, **One Good Earl Deserves a lovers** Sisterly love and the attendant sibling rivalry is lovingly touched on: **One Good Earl Deserves a Lover book** Olivia Pippa and Penelope's younger sister is again quite humorous. **Book One Good Earl Deserves a loverwatch** Bennet from Pride and Prejudice is at her nervous best as she finally secures the futures of the last of her five daughters: **One Good Earl Deserves a Lover book** I imagine that the Marquess of Needham and Dolby can die in peace now: **Book One Good Earl Deserves a loverslab** I continue to say gentle readers accepted and truly valued by but I didn't understand cross' attraction to her: **One Good Earl Deserves a lovert bassett** The prologue was decent but then it quickly went downhill from there, **One Good Earl Deserves a Lover ebooks free** Pippa is supposed to be smart but everything she does and says is so ridiculously idiotic that I felt my brain curdle every time she opened her mouth. **One Good Earl Deserves a loverwa** She's supposed to be into anatomy and yet only knows a very basic couple of bone names: **One Good Earl Deserves a loverreacts** The hero was all right I suppose though I could not wrap my head around as to why he would possibly be attracted to someone like Pippa. **Book One Good Earl Deserves a loverslab** I stopped reading halfway through the book as I could not make myself slog through this mess of a book, **One Good Earl Deserves a loverval** To concludeLiked: The editor used spellcheck and the cover is decent as is the prologue, **One Good Earl Deserves a loverukk** Did not like: Literally every thing else about this ludicrous story, **One Good Earl Deserves a Lover epubublishing** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2) 4. **Book One Good Earl Deserves a loverboy** So when the scene in Cross's office arrives and he at last gives in a little to temptation it is absolutely knock out. **Mental-illness One Good Earl Deserves a loverfella** Honestly I had to take a moment to recover when I finished the chapter, **Book One Good Earl Deserves a lover** And the next sex scene after that is pretty bloomin' hot too!Stellar sex scenes aside the whole book it is really well written and the story is original, **Book One Good Earl Deserves a loverfella** Much like the first book in the series bespectacled daughter of a double marquess cares for books than balls for science than the season and for laboratories than love. **One Good Earl Deserves a lovers** Shes looking forward to marrying her simple fianc and living out her days quietly with her dogs and her scientific experiments, **One Good Earl Deserves a**

loveral But before that Pippa has two weeks to experience all the restfourteen days to research the exciting parts of life: **EBook One Good Earl Deserves a loverslab sims** Its not much time and to do it right she needs a guide familiar with Londons darker corners: **One Good Earl Deserves a lovery discount** a ScoundrelShe needs Cross the clever controlled partner in Londons most exclusive gaming hell with a carefully crafted reputation for wickedness, **One Good Earl Deserves a loveral** But reputations often hide the darkest secrets and when the unconventional Pippa boldly propositions him seeking science without emotion she threatens all he works to protect. **Book One Good Earl Deserves a loverboy** but the scoundrel is than he seems and it will take every ounce of his willpower to resist giving the lady than she ever imagined: **One Good Earl Deserves a Lover epub.pub** One Good Earl Deserves a Lover: The Second Rule of Scoundrels (Rules of Scoundrels Book 2).

Almost like it was just to fill in the pages.Very expensive ebook for what you get. I loved every minute of it. And I liked that. Why should our heroes be perfect. I will just say that it was simply delightful. You must enjoy the gradual unveiling. You will be so sorry if you do not.I will definitely be reading the rest of the series. In fact I was up until 7am this morning reading it. It's that good.I love everything about The Fallen Angel. I couldn't actually hate Knight. He seemed to be of a comic foil to me. I hope that was intentional. Lady Needham who I will forever compare to Mrs. Castleton deserved better than that. I'm getting flustered just thinking about it now.She needs. He is tempted to give Pippa precisely what she wants
