I enjoyed the most that this book has all the most reconized God deities. **Treasury of folklore woodlands and forests** The least liked part about the book is that some information might make you feel like the author isn't Donna Jo Napoli This book was wonderfully put together! The illustrations are amazing and my 6 year old was thrilled about the book! I was not disappointed! Donna Jo Napoli Lots of information along with lots of pictures:

Treasury of folklore woodlands and forests

Our 9 year old daughter got into Mythology having read Edith Wharton's Mythology, **Treasury of greek mythology pdf** We bought her several of these books which were cheaper on than at Costco. **Treasury of folklore woodlands and forests** The pictures which fill full pages throughout the entire book on every page are beautiful: **Treasury of folklore woodlands and forests** This book is not Donna Jo Napoli I am a 7th grade language arts teacher and I could not wait for this book to arrive. **Treasury of folklore woodlands and forests** I already own Napoli's Treasury of Greek Mythology and her Egyptian storybook is equally as wonderful as the Greek one, **Treasury of folklore woodlands and forests** Educational and eye opening and a great compliment to Bible stories or 1001 nights etc, **Treasury of folklore woodlands and forests** Donna Jo Napoli This book is a great introduction to Egyptian mythology and I thoroughly enjoyed it. **Treasury of folklore woodlands and forests** every detail of this book makes it wonderful! I was looking for a book like this since it's perfect for children. **Treasury of folklore woodlands and forests** It gives rich stories about each deity and goes by order of which might've come first. The pictures are beautiful and evocative. My two girls love it. It makes it fun for them to read. Details about everything related to ancient Egypt. Donna Jo Napoli.
