I spent a lot of time with trial and error. In the beginning I tried too hard. basically gradually feeling is coming back. The almost constant urge to urinate has decreased a lot. Open your horizons and keep an open mind as you go. Happy reading and much happiness as you go. Parece papel jornal. Material de péssima qualidade pelo preço cobrado. I tried really hard to follow directions. Practice a lot but try to avoid pain. Once you get that under control mastery is close. Best wishes for you in your practice. and then it does get better. This booklet really helped me as stated above. Quite an amazing experience. Time well spent. Happy practicing. It will change your sex life and thus your life. Enough said just read it already. Whom? Mr Sex? No no no! You and me. This book does not talk about desire and tenderness
