Many ideas she presents in this book.5. It's also quite 'thin'. All in all it makes it a sub optimal reading experience. Cheapens it. I highly recommend this book for alternative photography ideas. So many fun ideas for transferring photos. This book is great. I'm so glad I did. English This book is fantastic. Most activities in this book are practical and fun i.e. Aluminum Foil Transfer and Gel Medium Transfers. Perhaps the next edition will not be graphics intensive. Not complaining. English
