

Intimate Merton: His Life from His Journals By Thomas Merton Others having plowed through the letters and journals will see the forest a lot better with this map that features the Intimate Merton: His Life from His Journals Having read The Intimate Merton I feel as if I am his Protestant counterpart. It has opened my eyes to a new realm of Intimate Merton: His Life from His Journals For readers who have loved Merton's works such as Sign of Jonas or Conjectures of a Guilty Bystander; and who found the the seven volumes of now published journals of Merton too much to tackle at the moment this book will make a perfect reading companion many times as Intimate Merton: His Life from His Journals I've been amazed over the years at how many people see themselves when they read something by Thomas Merton. People Intimate Merton: His Life from His Journals One may wonder why another book on Thomas Merton one of the most self chronicled lives of the twentieth century is needed but The Intimate Merton serves a valuable purpose. Only academics and fanatical devotees of the famous writer and monk will have the time and Intimate Merton: His Life from His Journals The book 'The Intimate Merton' edited by Brother Patrick Hart and Jonathan Montaldo is a great encapsulation of the journals which Thomas Merton monk writer activist and spiritual guide (I believe he would eschew the word leader kept from the time he began considering Intimate Merton: His Life from His Journals Intimate Merton: His Life from His Journals: Merton Thomas: 9780062516206: Books Intimate Merton: His Life from His Journals.

:

Daunted by volumes of letters and journals anyone who wants a solid introduction to the person of Thomas Merton could begin here, I underlined passages on most every page that are issues I have dealt with or are currently dealing with: What was it about this man? Women Protestants the unchurched all sorts of people who are outwardly nothing like him yet feel a strange strong kinship. His insight is truly God inspired
